## INFORMATION ABOUT THE FUNDS

### **Federal Title IV Funds**

Awards including Pell Grant, Supplemental Education Opportunity Grant (SEOG), Federal Work Study, Direct Subsidized and Unsubsidized Loan, Direct PLUS Loan, and Perkins Loan are considered Federal Title IV funding.

## GRANTS

### **Federal Grants**

Eligibility for federal grants is determined by the [Free Application for Federal Student Aid \(FAFSA\)](#) EFC calculation and available to undergraduate students only. A Pell Grant amount is determined by the Student's EFC matched to the Pell Charts that are issues each academic year by the Department of Education. SEOG (varied amounts) is awarded to the neediest Pell recipients as determined by SMU policy for need.

### **Texas State Grants**

Eligibility is determined by the total income calculated on the FAFSA and is available to undergraduate and some graduate/professional career students. Texas residency status must be documented. Tuition Equalization Grant (TEG) recipients (amounts vary) must be enrolled full-time and maintain a 2.5 GPA for continued eligibility. **Awards are subject to availability of funds.**

### **SMU Award**

This award is considered institutional gift aid for undergraduate students only. Eligibility is determined annually based on documented financial need using the FAFSA and CSS/PROFILE<sup>®</sup> EFC calculations. Awards are subject to availability of funds. **SMU policy limits gift aid such as SMU-funded scholarships, grants, and tuition benefits to a total cost of tuition and fees.**

### **SMU Scholarships**

SMU scholarships are based on your status during the admission process. You must remain a full-time student and meet cumulative grade point average requirements to retain undergraduate scholarships that were awarded to you. Graduate/professional scholarship eligibility is based on the requirements set by the academic departments at the time of awarding. **SMU policy limits gift aid such as SMU-funded scholarships, grants, and tuition benefits to a total cost of tuition and fees.**

### **Outside Scholarships**

Please forward scholarship and grant checks from outside agencies and donors to:

Division of Enrollment Services  
Southern Methodist University  
Scholarship Office, Box 750181  
Dallas, Texas 75275-0181

Tuition charges may be deferred for any documented outside scholarship or grant checks not available by the payment deadline if the aid office has been notified of them. If you wish to have your off campus scholarships help pay your tuition charges, send documentation to your financial aid advisor about the additional outside aid.

## LOANS

### **Direct Subsidized and Unsubsidized Loans**

Direct Loans are among the least expensive of all student loans and should generally be the first loan used by students. Direct Subsidized Loans are awarded in varying amounts depending on classification and career to students with need. Direct Unsubsidized Loans are awarded in varying amounts depending on career and additional amounts for undergraduates Direct PLUS Loan denials.

If you are an undergraduate **first-time Direct Loan borrower**, you will be directed via your SMU email to (1) complete entrance counseling and (2) complete and sign your promissory note. **You may e-sign your loan with your federal pin number or print, sign, and mail your promissory note.**

If you are a graduate/professional **first-time Direct Loan borrower** and depending on the instructions you receive when you accept your Direct Loan on Access.SMU, you will be directed via your SMU email to (1) complete entrance counseling and (2) complete and sign your promissory note. **You may e-sign your loan with your federal pin number or print, sign, and mail your promissory note.**

### **Loan Reminder:**

**YOU are responsible for submitting your SIGNED Promissory Note to the U.S. Department of Education. Do not mail it to SMU. It is your responsibility to either e-sign your promissory note OR print, sign, and mail your promissory note to the U.S. Department of Education. Failure to submit the promissory note to the U.S. Department of Education will result in a hold on the disbursement of funds to SMU and could eventually result in the cancellation of your loan.**

### **Direct PLUS Loans (for parents of dependent undergraduate students)**

Parents of dependent students may be eligible to borrow up to cost of attendance minus other financial aid on behalf of dependent students through the Direct PLUS Loan Program. The loan is available to credit-worthy borrowers. Parent PLUS disbursements will be sent to SMU. SMU will promptly certify the loan. A loan origination fee of up to 3% is deducted from the loan proceeds. For information on how to apply for the parent Direct PLUS Loan, go to the [SMU Loans Home Page](#).

### **Direct PLUS Loans (for graduate/professional students)**

Graduate/professional students may be eligible to borrow up to cost of attendance minus other financial aid through the Direct PLUS Loan Program. The loan is available to credit-worthy borrowers and can have credit worthy co-signers if needed. PLUS disbursements will be sent to SMU and applied to students' SMU Student account. SMU will promptly certify the loan. A loan origination fee of up to 3% is deducted from the loan proceeds. For information on how to apply for the Direct PLUS Loan, go to the [SMU Loans Home Page](#).

## LOANS

### **Federal Perkins Loans**

Needy students may be eligible for loans from the Federal Perkins Loan program on a limited basis depending on fund availability. Graduate/professional students may borrower up to \$8000 per year

while undergraduate students may borrow up to \$5500 per year. If you are eligible for the limited Perkins loan funding the loan will be offered to you by SMU in your financial aid package. For information on how to complete a Perkins loan application after it is offered, go to the [SMU Loans Home Page](#).

### **Private Loan Eligibility and Alternative Education Loan Programs**

Many students have additional private/alternative loan eligibility as a part of their financial aid award. These loans are credit based and vary in interest rates based on credit. They are not guaranteed by the federal government, but offered from individual lenders. This means a student may be eligible to borrow from this type of loan for additional funds up to the cost of attendance minus other aid. SMU will promptly certify a loan with any lender. You can view lists of lenders along with links to apply for loans with lenders who SMU has determined provide outstanding customer service and good borrower benefits on the [SMU Loans Home page](#). SMU always encourages students and families to use federal loan products before borrowing from private/alternative education loans.

### **Required Entrance and Exit Counseling for Federal Loans**

Students borrowing from the Direct Loans, Direct PLUS, and Federal Perkins Loan Programs are required to complete entrance counseling before first loan fund disbursements can be made to their SMU Student accounts. Additionally, students must complete exit counseling when they leave school either by dropping to less than half-time enrollment or graduate from their program. SMU uses on-line entrance and exit counseling tools to help students accomplish these tasks. Students receive an email via their SMU email account with instructions and web links to complete the counseling.

## **STUDENT EMPLOYMENT**

The student employed at SMU will receive a bi-weekly paycheck from the SMU Payroll Department. Work program awards and earnings are not applied to the SMU Student account to pay for tuition, fees, room or board. On-campus employment is available to any student at SMU with or without financial need. On and off-campus job referrals are also available from the Division of Enrollment Services [Student Employment Office](#). Students usually work an average of 10-15 hours per week. Part-time employment offers many opportunities for interaction with faculty, staff, and administration.

### **Federal Work Study**

If you have completed the FAFSA and are eligible for Federal Work Study, you have the opportunity during the academic year to earn up to the amount you have been awarded. In addition, if you have been awarded Federal Work Study you may apply for many community service or reading/math tutor positions available both on and off campus. See the [Student Employment Office](#) website for more details.

# NOTICES AND DISCLOSURES

## **Refunds of Credit Balances from Loan Proceeds**

Loan proceeds from completed loan applications will be credited to students' accounts no sooner than 10 days before the first day of class for each semester. If loan proceeds create a credit balance on the SMU tuition account, a refund of federal funds must be completed within 14 business days after the first class day or 14 business days after receipt of the funds if after the first day of classes. Please complete the [Direct Deposit](#) process to make refunding of credit balances work more efficiently for you. A refund from a parent Direct PLUS Loan will be sent directly to the parent borrower.

## **Institutional Funding**

The generosity of many benefactors enables SMU to award scholarships in recognition of high academic achievement, talent in the arts, and financial need. State and federal grant programs, in combination with gifts from donors, provide the means for SMU to meet the demonstrated need of financial aid applicants. Each year recipients of scholarships and grants will be notified of the sources that made those awards possible so they may express appreciation to the donors. For maximum utilization of financial aid resources, **SMU reserves the right** to interchange the sources of funding for all scholarships and grants. **SMU policy with regards to gift aid (SMU-funded scholarships, grants, and faculty/staff tuition benefits) is that the total may not exceed the amount of tuition and fees.**

## **Terms for Deferral of Federal Loans**

Students can qualify for in school deferment of federal loans in which they are the borrower by remaining continuously enrolled at least half time. Also, students may defer payment of principal and interest of federal loans for volunteer service in either the Peace Corps, Title I of the Domestic Volunteer Service Act of 1973 (ACTIONS Programs), or in a tax-exempt organization that qualifies under IRS Code section 501(c) (3) for service to low-income persons and communities that is not a religious activity for loans made prior to 7/1/93 if full-time volunteer for up to three years.

## **Review of Aid Packages**

In certain circumstances you may want to appeal the need-analysis determination of your expected family contribution or cost of attendance. You will need to contact your financial aid advisor and he/she will give you information about completing the appeals process.

## **Institutional Policy on Discrimination**

SMU will not discriminate on the basis of race, color, religion, national origin, age, sex, disability, or veteran status. SMU's commitment to equal opportunity includes nondiscrimination on the basis of sexual orientation.

## **Federal Student Financial Aid Penalties for Drug Law Violations**

A federal or state drug conviction can disqualify a student for FSA funds. The student self-certifies in applying for aid that he is eligible; you're not required to confirm this unless you have conflicting information.

Convictions only count if they were for an offense that occurred during a period of enrollment for which the student was receiving Title IV aid—they do not count if the offense was not during such a period. Also, a conviction that was reversed, set aside, or removed from the student's record does not count, nor does one received when she was a juvenile, unless she was tried as an adult.

The chart below illustrates the period of ineligibility for FSA funds, depending on whether the conviction was for sale or possession and whether the student had previous offenses. (A conviction for sale of drugs includes convictions for conspiring to sell drugs.)

|                    |                                 |                                 |
|--------------------|---------------------------------|---------------------------------|
| <b>1st offense</b> | 1 year from date of conviction  | 2 years from date of conviction |
| <b>2nd offense</b> | 2 years from date of conviction | Indefinite period               |
| <b>3+ offenses</b> | Indefinite period               |                                 |

If the student was convicted of both possessing and selling illegal drugs, and the periods of ineligibility are different, the student will be ineligible for the longer period.

SMU will provide any student who becomes ineligible for Title IV aid due to a drug conviction a clear and conspicuous written notice of his loss of eligibility and the methods whereby he can become eligible again.

A student regains eligibility the day after the period of ineligibility ends or when he successfully completes a qualified drug rehabilitation program or, effective beginning with the 2010–2011 award year, passes two unannounced drug tests given by such a program. Further drug convictions will make him ineligible again.

Students denied eligibility for an indefinite period can regain it after successfully completing rehabilitation program (as described below), passing two unannounced drug tests from such a program, or if a conviction is reversed, set aside, or removed from the student's record so that fewer than two convictions for sale or three convictions for possession remain on the record. In such cases, the nature and dates of the remaining convictions will determine when the student regains eligibility. It is the student's responsibility to certify to you that she has successfully completed the rehabilitation program; as with the conviction question on the FAFSA, you are not required to confirm the reported information unless you have conflicting information.

When a student regains eligibility during the award year, you may award Pell, ACG, National SMART, TEACH, and Campus-based aid for the current payment period and Direct and FFEL loans for the period of enrollment.

## **NSLDS**

### **Loan Reporting**

All federal student loans obtained by a student or parent are reported to and tracked on the National Student Loan Data System (NSLDS). NSLDS loan records are accessible to all authorized NSLDS users, including schools, student loan guaranty agencies, lenders, federal agencies, and other authorized users.

Alternative and private education loan information is not reported to NSLDS.

### **Accessing NSLDS**

Student and parent loan borrowers may view their federal loan information at [NSLDS](#). Borrowers access the system using their federal PIN. Students can also access prior federal grant information at [NSLDS](#).

## ENROLLMENT STATUS

### Undergraduate Students

The Division of Enrollment Services assumes undergraduates will be enrolled for both fall and spring terms at full-time status (12-18 hours per term). We calculate educational costs on this basis. If you will be enrolled in less than 12 hours, or more than 18 hours, please contact your financial aid advisor immediately for a reassessment of your costs and your eligibility for the funds offered. This may change your eligibility for some types of financial aid. Federal loan funds require at least a half-time enrollment (6 hours) per semester to remain eligible.

## ENROLLMENT STATUS

- **Refunding of Student Charges Policy**  
Please review official refund of charges policies at the [SMU Bursar's](#) website.
- **Withdrawal Procedures**
