**Mustang 2.0 "Denmate"**  
\$38.00 (Includes Tax)

Dear Director,

We would like to express our appreciation to the many schools who have rented refrigerators from Mustang Rental & Sales during your stay at previous camps. Because of the tremendous response for this service in past years, we are continuing to offer compact refrigerators for the **low rental price of \$38.00**, which includes tax. This service includes free delivery and free pick-up from your residence hall or hotel room.

The students may split the fee, (Example, 4 students per 1 refrigerator = \$9.50 each). Units will be delivered on the first day of your camp. Please check with the desk in your residence hall or hotel when you arrive for the location of our refrigerator booth. **It is imperative that you stop by our booth to give us your residence hall/hotel room assignments, even if you have already sent in your order and money.**

**If you pre-order 10 or more refrigerators "excluding yourself" then you will receive one complimentary refrigerator rental for the duration of your stay at camp.**

To ensure availability and first day delivery, please return the enclosed reservation form by mail, fax, or e-mail as soon as possible. Please send a check or money order with your reservation made payable to Mustang Rental & Sales (35.10 + 2.90 sales tax for a total of \$38.00 per refrigerator) or pay cash, check, or money order at our on-campus booth once you arrive. **PLEASE DO NOT SEND CASH THROUGH THE MAIL.** We cannot be held responsible for lost cash sent through the mail.

Having the convenience of a compact refrigerator in your room will eliminate the necessity and hassle of maintaining an ice chest as well as encourage the consumption of more nutritious milk, juice, fresh fruit, deli meat, and cheese rather than more expensive snacks and soft drinks out of vending machines. Mustang Rental & Sales has been renting to students for over 35 years and we hope to extend this same service to you to make your stay more complete.
