SMU REVIEW: TEST PREPARATION WORKSHOPS

Open to the public, the SMU Review courses offer a smart alternative to higher-priced, for-profit test preparation programs. Our faculty consists of professional educators committed to teaching not only essential test-taking techniques, but also how to think about the test and how to prepare yourself to do your best work.

THE FORMULA FOR SUCCESS

Instructors in the SMU Review Program are experts in their fields who have achieved a high score in their area of expertise on the exam itself. Instructors retake exams regularly to remain familiar with the test format. In classroom and computer lab settings, you are guided through all content areas of the exam and work toward increasing your skills, building confidence and reducing test-taking anxiety.

COURSE COMPONENTS

- Highly qualified instructors
- Computer-based instruction that mirrors exam formats
- Diagnostic testing
- Guided practice for content areas
- Course materials with examples from past exams
- Test-taking tips and strategies

OUR GENERAL POLICIES

Students must enroll before attending a course; instructors will not accept enrollment fees. SMU reserves the right to substitute instructors, change course locations, cancel courses, adjust curricula or schedules, limit enrollment or refuse service. A confirmation letter containing course location, a campus map and a parking permit will be mailed/e-mailed to all enrolled students. Students are encouraged to contact the office if confirmation is not received promptly. As all necessary materials are mailed/e-mailed to students, the office is not staffed on evenings or weekends.

OUR CANCELLATION POLICY

At SMU Review, we understand that sometimes our students may need to cancel an enrollment. In this event, we happily provide several options. Please visit smu.edu/testprep for complete details.

OUR COMMITMENT

At SMU Review, we understand that your time is valuable; it is our pledge to you that we will provide excellent customer service worthy of your expectations.
