# AWARD NOTICE INFORMATION

FOR ACADEMIC YEAR 2009-2010

## STUDENT RESPONSIBILITIES

- Please **read** this award notice information carefully. You may want to **print** this document for future reference. Instructions in this document are supplemented by descriptions in SMU's [Financial Aid Brochure](#) on the Financial Aid Home Page.
- You will be **notified** via your SMU e-mail account that your awards can be viewed on Access.SMU. At that time, please accept, decline, or reduce any loans for which you are eligible. All grant and scholarship aid has been accepted for you.
- You must **notify** SMU if you have received scholarships or other aid from sources outside SMU. **Provide** us with the names, amounts, and types (scholarships, grants or loans) of aid by e-mail or written notification to address listed below. This information is required to comply with federal or state regulations that govern the total amount of aid you may receive.
- You must **report** to the Financial Aid Office changes in your academic course load including course reductions or withdrawal and changes in your family circumstances that may affect your ability to meet financial obligations to the university.
- You must **keep** your address and telephone number updated in Access.SMU. **Check** your SMU email frequently for updates and other important information.
- All students must **file** a FAFSA each year to receive eligibility for federal and state grant and loan aid based on your yearly EFC calculation on the FAFSA.
- Undergraduates must **file** a CSS Profile each year to receive institutional need based aid based on your yearly EFC calculation on the Profile.
- You will **repay** student loans six months after you are no longer enrolled at least half-time or after graduation from your academic program.
- Undergraduates must **meet** eligibility requirements for each federal Title IV program based on one or more of the following: [enrollment](#), [satisfactory progress](#), [GPA](#).
- Keep all contact information current in Access.SMU

## SMU RESPONSIBILITIES

The federal government requires institutions to verify the accuracy of information submitted by aid applicants, and if necessary, adjust need analysis results and awards based on verified information. **SMU reserves the right** to adjust any need-based award based on **verification** activities.

**SMU reserves the right** to revise or modify financial aid commitments when there are changes in your financial status, student status, or change in the availability of funds.

# Information about the Funds

---

## Federal Title IV Funds

Awards including Pell Grant, Academic Competitiveness Grant (ACG), National SMART Grant, Supplemental Education Opportunity Grant (SEOG), Federal Work Study, Federal Subsidized and Unsubsidized Stafford Loan, Parent PLUS and Graduate PLUS Loan, and Perkins Loan are considered Federal Title IV funding.

---

## Grants/Scholarships

### Federal Grants

Eligibility for federal grants is determined by the [Free Application for Federal Student Aid](#) (FAFSA) EFC calculation and available to undergraduate students only. A Pell Grant amount is determined by the Student's EFC matched to the Pell Charts that are issued each academic year by the Department of Education. SEOG (varied amounts) is awarded to the neediest Pell recipients as determined by SMU policy for need. ACG recipients (\$750 1<sup>st</sup> year; \$1300 2<sup>nd</sup> year) must be Pell eligible, maintain a 3.0 or above gpa, have earned less than 60 college credits, and completed a rigorous high school curriculum. SMART recipients (\$4000 each year) must be Pell eligible, maintain a 3.0 or above gpa, have earned between 60-120 college credits, and majoring in an eligible major as determined by federal guidelines.

### Texas State Grants

Eligibility is determined by the total income calculated on the FAFSA and is available to undergraduate and some graduate/professional career students. Texas residency status must be documented. Tuition Equalization Grant (TEG) recipients (amounts vary) must be enrolled full-time and maintain a 2.5 GPA for continued eligibility. Awards are subject to availability of funds.

### SMU Need-Based Grants

This grant is considered institutional gift aid for undergraduate students only. Eligibility is determined annually based on documented financial need using the FAFSA and CSS/PROFILE<sup>®</sup> EFC calculations. Awards are subject to availability of funds. **SMU policy limits gift aid such as SMU-funded scholarships, grants, and tuition benefits to a total cost of tuition and fees.**

### SMU Scholarships

SMU scholarships are based on your status during the admission process. You must remain a full-time student and meet cumulative grade point average requirements to retain undergraduate scholarships that were awarded to you. Graduate/professional scholarship eligibility is based on the requirements set by the academic departments at the time of awarding. **SMU policy limits gift aid such as SMU-funded scholarships, grants, and tuition benefits to a total cost of tuition and fees.**

### Outside Scholarships

Please forward scholarship and grant checks from outside agencies and donors to:

Division of Enrollment Services  
Southern Methodist University  
Scholarship Office, Box 750181  
Dallas, Texas 75275-0181

Tuition charges may be deferred for any documented outside scholarship or grant checks not available by the payment deadline if the aid office has been notified of them. If you wish to have your off campus scholarships help pay your tuition charges, send documentation to your financial aid advisor about the additional outside aid.

## Loans

### Federal Stafford Loans

Stafford loans are among the least expensive of all student loans and should generally be the first loan used by students. Subsidized Stafford loans are awarded in varying amounts depending on classification and career to students with need. Unsubsidized Stafford loans are awarded in varying amounts depending on career and additional amounts for undergraduates. Parent PLUS loan denials.

If you are a **continuing** SMU student who wants to continue borrowing your loan from the same lender each year, you only need to accept your Stafford loan(s) on Access.SMU

If you are an undergraduate **first-time borrower**, you will be directed via your SMU email to complete (1) Go to [Loans by Web](#), (2) complete entrance counseling, (3) select a lender, and (4) complete and sign your promissory note. **You may e-sign your loan with your federal pin number or print, sign, and mail your promissory note directly to your lender.**

If you are a graduate/professional **first-time borrower** and depending on the instructions you receive when you accept your Stafford loan on Access.SMU, you will be directed via your SMU email to complete (1) Go to [Loans by Web](#), (2) complete entrance counseling, (3) select a lender, and (4) complete and sign your promissory note. **You may e-sign your loan with your federal pin number or print, sign, and mail your promissory note directly to your lender**

**Students choosing a lender that does not participate in Loans by Web** must obtain a paper application from the bank of choice and forward the application to SMU. SMU will promptly certify a loan with any lender. You can view lists of lenders who SMU has determined provide outstanding customer service and good borrower benefits on the [SMU Loans Home page](#).

**Loan Reminder:**

YOU are responsible for submitting your SIGNED Promissory Note to your lender. Do not mail it to SMU. It is your responsibility to either e-sign your promissory note OR print, sign, and mail your promissory note to your lender of choice. Failure to submit the promissory note to your lender will result in a hold on the disbursement of funds to SMU and could eventually result in the cancellation of your loan.

**Federal Parent PLUS Loans**

Parents of dependent students may be eligible to borrow up to cost of attendance minus other financial aid on behalf of dependent students through the Federal Parent loan program. The loan is available to credit-worthy borrowers. Parent PLUS disbursements will be sent to SMU. SMU will promptly certify a loan with any lender. The lender will deduct a loan origination fee of up to 3% from the loan proceeds. For information on how to apply for Parent PLUS loans, go to the [SMU Loans Home Page](#).

**Federal Graduate PLUS Loans**

Graduate/professional students may be eligible to borrow up to cost of attendance minus other financial aid through the Federal Graduate PLUS loan program. The loan is available to credit-worthy borrowers and can have credit worthy co-signers if needed. PLUS disbursements will be sent to SMU and applied to students' SMU Student account. SMU will promptly certify a loan with any lender. The lender will deduct a loan origination fee of up to 3% from the loan proceeds. For information on how to apply for Grad PLUS loans, go to the [SMU Loans Home Page](#).

**Federal Perkins Loans**

Needy students may be eligible for loans from the Federal Perkins Loan program on a limited basis depending on fund availability. Graduate/professional students may borrow up to \$8000 per year while undergraduate students may borrow up to \$5000 per year. If you are eligible for the limited Perkins loan funding the loan will be offered to you by SMU in your financial aid package. For information on how to complete a Perkins loan application after it is offered, go to the [SMU Loans Home Page](#).

**Private Loan Eligibility and Alternative Education Loan Programs**

Many students have additional private/alternative loan eligibility as a part of their financial aid award. These loans are credit based and vary in interest rates based on credit. They are not guaranteed by the federal government, but offered from individual lenders. This means a student may be eligible to borrow from this type of loan for additional funds up to the cost of attendance minus other aid. SMU will promptly certify a loan with any lender. You can view lists of lenders along with links to apply for loans with lenders who SMU has determined provide outstanding customer service and good borrower benefits on the [SMU Loans Home page](#). SMU always encourages students and families to use federal loan products before borrowing from private/alternative education loans.

**Required Entrance and Exit Counseling for Federal Loans**

Students borrowing from the Federal Stafford, Graduate PLUS, and Perkins loan programs are required to complete entrance counseling before first loan fund disbursements can be made to their SMU Student accounts. Additionally, students borrowing from the Stafford and Perkins loan programs must complete exit counseling when they leave school either by dropping to less than half-time enrollment or graduate from their program. SMU uses on-line entrance and exit counseling tools to help students accomplish these tasks. Students receive an email via their SMU email account with instructions and web links to complete the counseling.

---

**Student Employment**

The student employed at SMU will receive a bi-weekly paycheck from the SMU Payroll Department. Work program awards and earnings are not applied to the SMU Student account to pay for tuition, fees, room or board. On-campus employment is available to any student at SMU with or without financial need. On and off-campus job referrals are also available from the Division of Enrollment Services [Student Employment Office](#). Students usually work an average of 10-15 hours per week. Part-time employment offers many opportunities for interaction with faculty, staff, and administration.

**Federal Work Study**

If you have completed the FAFSA and are eligible for Federal Work Study, you have the opportunity during the academic year to earn up to the amount you have been awarded. In addition, if you have been awarded Federal Work Study you may apply for many community service or reading/math tutor positions available both on and off campus. See the [Student Employment Office](#) website for more details.

# Notices and Disclosures

---

- **Refunds of Credit Balances from Loan Proceeds**

Loan proceeds from completed loan applications will be credited to students' accounts no sooner than 10 days before the first day of class for each semester. If loan proceeds create a credit balance on the SMU tuition account, a refund of federal funds must be completed within 14 business days after the first class day or 14 business days after receipt of the funds if after the first day of classes. Please complete the [Direct Deposit](#) process to make refunding of credit balances work more efficiently for you. A refund from a Parent PLUS Loan will be sent directly to the parent borrower.

- **Institutional Funding**

The generosity of many benefactors enables SMU to award scholarships in recognition of high academic achievement, talent in the arts, and financial need. State and federal grant programs, in combination with gifts from donors, provide the means for SMU to meet the demonstrated need of financial aid applicants. Each year recipients of scholarships and grants will be notified of the sources that made those awards possible so they may express appreciation to the donors. For maximum utilization of financial aid resources, **SMU reserves the right** to interchange the sources of funding for all scholarships and grants. **SMU policy with regards to gift aid (SMU-funded scholarships, grants, and faculty/staff tuition benefits) is that the total may not exceed the amount of tuition and fees.**

- **Refunding of Student Charges Policy**

Please review official refund of charges policies at the [SMU Bursar's](#) website.

- **Withdrawal Procedures**

Please review official withdrawal policies at the [SMU University Registrar's](#) website.

- **Return of Aid after Withdrawal from the University**

Please review official policy for return of financial aid after withdrawal from the University at the [SMU Financial Aid](#) website.

- **Terms for Deferral of Federal Loans**

Students can qualify for in school deferment of federal loans in which they are the borrower by remaining continuously enrolled at least half time. Also, students may defer payment of principal and interest of federal loans for volunteer service in either the Peace Corps, Title I of the Domestic Volunteer Service Act of 1973 (ACTIONS Programs), or in a tax-exempt organization that qualifies under IRS Code section 501(c) (3) for service to low-income persons and communities that is not a religious activity for loans made prior to 7/1/93 if full-time volunteer for up to three years.

- **Review of Aid Packages**

If you want to appeal the need-analysis determination of your expected family contribution or cost of attendance, submit the justifications in writing to your financial aid advisor. Please be as specific as possible for the reasons regarding the request. After receiving a written appeal, your financial aid advisor will give you information about completing the appeals process.

- **Institutional Policy on Discrimination**

SMU will not discriminate on the basis of race, color, religion, national origin, age, sex, disability, or veteran status. SMU's commitment to equal opportunity includes nondiscrimination on the basis of sexual orientation.

## Enrollment Status

---

### Undergraduate Students

The Division of Enrollment Services assumes undergraduates will be enrolled for both fall and spring terms at full-time status (12-18 hours per term). We calculate educational costs on this basis. If you will be enrolled in less than 12 hours, or more than 18 hours, please contact your financial aid advisor immediately for a reassessment of your costs and your eligibility for the funds offered. This may change your eligibility for some types of financial aid. Federal loan funds require at least a half-time enrollment (6 hours) per semester to remain eligible.

### Graduate/Professional Students

The Division of Enrollment Services estimates of your educational costs based on full-time enrollment as determined by each program. If your enrollment differs from what we estimated, please contact your financial aid advisor immediately for a reassessment of your costs and your eligibility for the funds offered. Federal funds require at least a half-time enrollment (4.5 hours) per semester to remain eligible.

# Payment Due Dates

## PAYMENT DUE DATES

## INVOICE PAYMENT WORKSHEET

This worksheet is a tool to help you understand and calculate your balance for the 2009-2010 academic year. To accurately estimate your costs, you should use your Financial Aid Award Notice on Access.SMU, the information on charges provided to you in this insert, and the [Financial Information: Southern Methodist University](#) catalog supplement.

CHARGES			AID	Total Aid	FALL	SPRING
	FALL	SPRING				
Tuition			Merit Scholarship*

			Parent or Graduate PLUS Loans (3%)			
			Private/alternative Loans (may be 3%)			
			Other Aid			
Total			Total			
	<b>Fall</b>	<b>Spring</b>	* Merit Scholarships include SMU Distinguished Scholar, University Scholar, Mustang Scholar, President Scholar, Hunt's Scholar, Dean's Scholar, Leadership Award, department scholarships, etc.			
<b>Total Charges</b>						
(minus) <b>Total Award</b>						
<b>Balance owed or refund</b>						

**Step 1** – First, fill in the information on the worksheet from your award notice under the Total Aid columns. Remember that if you are using the Stafford Subsidized and/or Unsubsidized subtract 1% and Parent or Graduate PLUS loans you need to subtract 3% from the loan amount, (i.e.  $\$2000 \times .03 = \$60$ ;  $\$2000 - \$60 = \$1940$ ) After entering this information, divide the total amount by 2 and enter these amounts into the fall and spring column. Add the fall column and enter the total; repeat the step for spring. Use these numbers and place it in the comparison box on the bottom left of the worksheet on the Total Award spaces. NOTE: Federal Work Study awards cannot be used in calculating the amount owed since Federal Work Study earnings are paid to the student biweekly.

**Step 2** - Depending on your enrollment status (e.g. full-time or part-time) you will need to calculate the tuition and fees for each semester as defined in the previous chart. Enter this information for each semester. Parking and the Rotunda yearbook are charged up front in the Fall Semester for both semesters, therefore place the whole amount in the fall column. On-campus housing is charged 60% in the fall and 40% in the spring. Once you add up the Total Charges for Fall and Spring move these figures to the lower box and subtract the Total Charges from the Total Award and this will give you an estimate of what to expect as far as a refund of credit balance or the payment you need to make by payment due date.

## Additional Payment Options

Most families appreciate any additional assistance that may be available to help pay for college costs. This chart summarizes options available. Credit worthiness may be required.
