

Geothermal Sessions

Austin, Texas

November 12 - 14, 2006

Registration information at <http://www.TREIA.org>

Early Registration Ends - November 3, 2006

Questions: Contact Maria Richards at 214-768-1975 or
mrichard@smu.edu

If you intend to come - please let Maria know to help with planning.

Nov. 13, Monday afternoon 3:30 - 5:00

SESSION TITLE: Geothermal Resources and Focus – A Texas size overview

SPEAKERS: Maria Richards, Richard Erdlac and Janet Abbott

Speaker Name – Maria Richards

Speaker Title – SMU Geothermal Lab Coordinator

Speaker Affiliation – Southern Methodist University, Department of Geological Sciences

Speaker Address, City, State, Zip – PO Box 75-0395, Dallas, TX 75275-0395

Speaker Phone – 214-768-1975

Speaker E-mail – mrichard@smu.edu

Speaker Name – Richard Erdlac

Speaker Title – Research Scientist

Speaker Affiliation – University of Texas of the Permian Basin, Center for Energy and Economic Diversification

Speaker Address, 4901 E. University, Odessa, TX 79762-0001

Speaker Phone – 432-552-2442

Speaker E-mail – erdlac_r@utpb.edu

Speaker Name – Janet Abbott

Speaker Affiliation – Spa Waters of Texas

Speaker Address, City, State, Zip – PO Box 40041, Austin TX 78704

Speaker Phone – 512 844 8747

Speaker E-mail – jabbott4@yahoo.com

Nov. 14, Tuesday morning 10:30 - 12:00

SESSION TITLE: Reaching the Source – Geothermal Development and Planning. Geothermal Heat Pump Installers (Group 1) and Electrical Generation from Oil/Gas Wells Details (Group 2)

SESSION TYPE: Interactive Brainstorming/Planning Session

Group 1. Ground Source Heat Pump Installers Planning Session

MODERATORS: Greg Gillian and Ralph Cadwallader

Speaker Name – Greg Gillian

Speaker Affiliation – Quality Air Conditioning

Speaker Address, City, State, Zip – 3554 FM 346 East, Tyler, TX 75703-8336

Speaker Phone – 903-581-1352

Speaker E-mail – qualair@aol.com

Speaker Name – Ralph Cadwallader

Speaker Affiliation – Loop Tech International, Ltd

Speaker Address, 12850 Pelican Island Drive, Willis, TX 77318-5258

Speaker Phone – 936-295-7038

Speaker E-mail – ralphc@looptech.net

Group 2. Explanation of Electrical Generation from oil/gas wells

SPEAKERS: Dave Blackwell, Richard Erdlac, others

Speaker Name – David Blackwell

Speaker Title – SMU Geothermal Lab Director and Faculty

Speaker Affiliation – Southern Methodist University, Department of Geological Sciences

Speaker Address, City, State, Zip – PO Box 75-0395, Dallas, TX 75275-0395

Speaker Phone – 214-768-2745

Speaker E-mail – blackwel@smu.edu

Speaker Name – Richard Erdlac

Speaker Title – Research Scientist

Speaker Affiliation – University of Texas of the Permian Basin, Center for Energy and Economic Diversification

Speaker Address, 4901 E. University, Odessa, TX 79762-0001

Speaker Phone – 432-552-2442

Speaker E-mail – erdlac_r@utpb.edu

Nov. 14, Tuesday afternoon 1:30 - 3:00

SESSION TITLE: Using Geothermal – Economics and Maintenance of Geothermal Heat Pumps

SESSION MODERATOR: Greg Gillian

SPEAKERS: Ralph Cadwallader, Robert Comstock, and Shawn Beard

Speaker Name – **Ralph Cadwallader**

Speaker Affiliation – Loop Tech International, Ltd

Speaker Address, 12850 Pelican Island Drive, Willis, TX 77318-5258

Speaker Phone – 936-295-7038

Speaker E-mail – ralphc@looptech.net

Presentation Title: Best Practices for Geothermal System Installations

Speaker Name – **Robert Comstock**

Speaker Title – Park Superintendent

Speaker Affiliation – Sheldon Lake S.P. & Environmental Learning Center

Speaker Address - 15315 Beaumont Hwy, Houston TX

Speaker Phone – (281) 456-2800

Speaker E-mail – Robert.comstock@tpwd.state.tx.us

Presentation Title: Geothermal System Installation at Sheldon Lake

Speaker Name – **Shawn Beard**

Speaker Affiliation – MPS Enterprises

Speaker Address - 13214 W. Highway 80E, Odessa, TX 79765

Speaker Phone – 432-563-3332

Speaker E-mail – SBTRISPEC@aol.com

Presentation Title: Lubbock Christian University Geothermal Installation
