

# Be **redblue&green**

## Apply to be an E - Rep!

Are you passionate about the environment?

Do you have an interest in sustainability?

Do you know what it takes to be a peer educator?

Then the E- Representative position is for you!

### What do E - Reps do?

Environmental Representatives, or E - Reps, are peer educators who promote sustainability in a designated, assigned area of our residential communities. They promote green living and assist Residence Life & Student Housing in providing more sustainable resources to residents.

Compensation: Receive \$650 per semester upon completion of position responsibilities.

Applications are due September 2nd
