* Approximate square footage for suite bedroom/study area in Cockrell-McIntosh and Morrison-McGinnis

** Approximate square footage for single room in Morrison

‡ Approximate ranges in square footage for suite bedroom/study area in Virginia-Snider

‡‡ Many have study room, but not all

+ Morrison-McGinnis blends three different configurations.

In Morrison, there are 58 single rooms and 16 traditional double rooms with community bath.

In McGinnis, suite-style bathrooms are shared.

General Information

- Assignments are made in application-date order on a space-available basis. Specific hall requests are not guaranteed.
- All residential facilities are coed.
- Single rooms may be available to first-year students on a space-available basis.
- Suites typically consist of two connecting bedrooms for four residents; some also may include a bathroom and/or small study room. Not all suites have a study room.
- Area desks are located in McElvaney Hall and in Virginia-Snider Hall.
- Twin beds require extra-long, 80-inch twin sheets.
- Dining halls located in McElvaney Hall and Umphrey Lee Center are open to all.
- Meal plans are required of all residents except for students residing in Moore, Martin and Hawk halls and the Service, Multicultural and Daniel houses.
- Daniel House and Moore, Martin and Hawk halls remain open during Winter Break.

Residence Hall Features

- Air conditioning
- Laundry facilities
- Cable TV in main lounges
- Card-access security entrances on exterior doors
- Lounges
- Carpeted corridors and rooms
- Microwaves provided in common areas, not in individual rooms (Only apartment residents may provide their own microwave.)
- All residential facilities are smoke-free, as are all University buildings.
- Phone service
- Ethernet and wireless connections

Residence Hall Apartments for Upperclass & Graduate Students

- Moore Hall accommodates two students in a shared-efficiency apartment.
- Martin Hall accommodates one graduate student or a married couple (regardless of classification) in an efficiency apartment.
- Hawk Hall accommodates families (regardless of classification) with up to two children in a one-bedroom apartment. If space permits, married couples without children may reside in Hawk Hall.
- Daniel House accommodates transfer students in a townhouse apartment with three single-occupancy bedrooms.
