

FSA Online Account Management

Manage your Flexible Spending Account online!
The fast and easy way to manage your Flexible Spending Account starts here.

How do I begin?

1. Once your account is established go to www.ceridian-benefits.com.
2. Login using your Social Security number with dashes and password/pin.
Your password/pin is the last four numbers of your SSN reversed.
3. The system will prompt you to change your User ID and password/pin.
You will need both your User ID and password/pin for future access to your account.
4. Click on the link for your plan, which is listed by plan ID, company name and plan year.

What will I find?

- Account Information and current claim status
- Which payments have been made and payment date
- How much money you have available in your account

Claim forms are available to be printed online, no need to wait.

If you have forgotten your User ID and/or password or do not have access to the Internet, please call our FSA customer service center at 877-799-8820, Monday through Friday, between 8 a.m. and 8 p.m. Eastern Time.
