

International Summit on the Law and Business of Video Games

hosted by: The SMU Dedman School of Law
The Guildhall at SMU
The Center for American and International Law

Game::Business::Law International Summit

January 27-28, 2010

Southern Methodist University, Dallas, Texas

"If you are a business development person, a member of the legal affairs team or financial staff of a video game studio or publisher, you really should attend this conference."

Zack Karlsson

Senior Director of Business Development, NAMCO BANDAI Games America, Inc.

Space is limited. Register now.

Industry and business development leaders, legal counsel, investors and financial managers will convene at the **SMU Dedman School of Law** to explore legal issues and potential solutions related to the growth of the video game industry. The format is designed to facilitate interaction between guest panelists and audience members.
