**You are invited to attend a one day conference addressing how we can improve the quality of parent education and support provided to the families in our community. This conference is appropriate for all those involved in parent education—whether it be prevention or intervention. You can expect to:**

- ✓ **Learn about new curricula, tools, & approaches**
- ✓ **Hear about different evaluation tools & resources**
- ✓ **Network with other parent educators**

### **Who should attend?**

- **Parent educators**
- **Administrators of organizations that provide or use parent education**
- **Researchers**

**To join us for this free conference (with lunch provided) please register at <http://smu.edu/psychology/register/>**
