## **What is the purpose of the MOM?**

The MOM fulfills the risk management training mandated by Texas state law, and covers important SMU policies, procedures, and information.

## **What is the Advisor MOM?**

The Advisor MOM is tailored for advisors of any campus organization. It fulfills the same risk management training mandate, plus provides information and resources specific to advisors.

## **Who should attend the MOM?**

At least four officers (preferably including your president) and one advisor from every campus organization must attend the MOM.

## **What organizations need to attend the MOM?**

- All organizations with a full, probationary, or temporary charter
- Campus ministry organizations
- Fraternity and sorority chapters

## **I am an officer for more than one organization. Can I sign in for both?**

Yes! Please do.

## **I am a student. Can I attend the Advisor MOM?**

No. You will miss out on important information provided in the regular MOM.

## **I am an advisor. Do I have to attend the Advisor MOM?**

No. You must attend a MOM, but you can choose any meeting that works best with your schedule.

## **My organization has less than four members. What should we do?**

Your advisor should confirm membership of three or fewer students by sending an email to Lauren Chapman, [lchapman@smu.edu](mailto:lchapman@smu.edu). This only applies to fraternities, sororities, and campus ministries – NOT chartered organizations!

## **What happens if my organization does not comply?**

- All services through HTSC will be suspended
- Requests for any Student Activities services will not be granted (stake signs, copies, etc.)
- Ad requests for space in the Students' Association Bulletin Board in the Daily Campus will not be granted
- Requests for inclusion in the Friday Update will not be granted
- Distributing fliers to residence halls through RLSH will not be allowed
- May not have a space on the Boulevard for Game Days
- **Your organization will automatically undergo Charter Review!**
