A RESOLUTION ENCOURAGING THE ADMINISTRATION TO MAKE ENVIRONMENTALLY FRIENDLY CHANGES TO TAILGATING ON THE BOULEVARD

WHEREAS	The nature of "Boulevarding" on game day leads to the consumption of a large amount of food and drink, and
REALIZING	that many, if not most, of the beverages consumed on the Boulevard are consumed, or originate, out of recyclable materials, and
MINDFUL	of the importance of pursuing avenues to a "greener" campus, and in the interest of demonstrating and promoting responsible treatment of the environment in the SMU community, and
CONCERNED	that currently there are only garbage bins present during the festivities on the Boulevard, and
DEEPLY DISTURBED	at the amount of readably recyclable materials going to waste during tailgates on the Boulevard, be it therefore
RESOLVED	that clearly marked recycle bins and accompanied service to deliver and collect the accumulation of recyclables from the Boulevard be provided during tailgates.

Respectfully Submitted,

John D. Benage
