

Student Name: _____ Program Start Semester/Year: _____

SMU MASTER OF SCIENCE IN COUNSELING PROGRAM SCHOOL COUNSELING SPECIALTY

(63 Credit Hours; Core Courses Fulfill Texas LPC Academic Requirements)

The School Counseling Specialty prepares students to pursue certification as elementary or secondary School Counselors. Students considering this specialty must have teaching experience prior to starting the program. The School Counseling Specialty also fulfills the academic requirements for licensure as a Licensed Professional Counselor (LPC).

PRE-CLINICAL CORE REQUIREMENTS Required before entry into Practicum	CREDIT HOURS
HDCN 6320: Life Span Human Development: Individual and Family (take in first semester of enrollment)	3

TOTAL CREDIT HOURS**63****Combining Additional Coursework with Practicum & Internship***(Also see Examples below this table)**

Students should plan ahead regarding the possible need to take additional credit hours concurrent with Practicum and/or Internship. Students who rely on financial aid (which requires a minimum of 6 credit hours/semester) or who need to maintain full-time enrollment (minimum of 9 credit hours/semester) should plan to take electives and/or additional core requirement courses (listed above) concurrent with the Clinical Sequence. Depending on the course load a student intends to take during the Clinical Sequence, students must complete between 36 (minimum) to 54 hours prior to entry into Practicum. Courses taken concurrently with the Clinical Sequence may include electives and/or the following three required courses: Child Psychopathology, Lifestyle & Career, and Psychology of Addictions. **All students must complete the 36 credit-hour pre-clinical required coursework prior to entry into the Clinical Sequence.**

**Students should also be aware of certain electives that may qualify them to work with populations of interest during Practicum (e.g., child/play/activity) and take those electives *prior to entry* into Practicum. All students who have taken the Family Therapy I course or the Family Therapy requirement prior to 2018 will be eligible to work with couples and families in Practicum. Also see "Pre-Practicum Elective Considerations" below.

Students must complete a minimum of 300 clinical hours in practicum/internship. Details regarding clinical hour requirements are available in the Counseling Program Student Handbook and the Clinical Experience Handbook.

***EXAMPLES: COMBINING ACADEMIC COURSES WITH THE CLINICAL SEQUENCE**

All students must complete a **minimum of 36 credit hours (required pre-clinical core coursework)** prior to beginning the clinical sequence. Some students should plan on completing **more** than the 36 core credit hours prior to the clinical sequence, as shown in the examples below:

Example 1: Students **may** begin the clinical sequence with the minimum of **36 credit hours ONLY** if they plan to be enrolled **full-time** during the clinical sequence (9 credit hours per semester):

- ▶ Practicum + two more courses
- ▶ Internship I + two more courses
- ▶ Internship II + two more courses

Example 2: Students should complete **45 credit hours** prior to beginning the clinical sequence if they plan to be enrolled part-time (6 credit hours per semester) during the clinical sequence:

- ▶ Practicum + one additional course
- ▶ Internship I + one additional course
- ▶ Internship II + one additional course

Example 3: Students who **only** enroll in their clinical sequence courses (3 credit hours per semester) should complete **54 credit hours** (all core and electives) prior to the beginning of the clinical sequence:

- ▶ Practicum only
- ▶ Internship I only
- ▶ Internship II only

Note that Students enrolling in only 3 credit hours per semester will not qualify for financial aid.

NOTE: School Counselor certification in the state of Texas requires two years of teaching in an accredited private or public school. Students provide documentation for approval of teaching years to the Director of the Program in Counseling.

The university must recommend the student at TWO points.

1. To register for the TEXES exam after they have made 85% on the practice test
AND
2. For FINAL approval for SC certification when the student has finished all requirements (conferral, passing TEXES exam, internship requirements, two years teaching experience, online payment to TEA/SBOE, etc.). TEXES exam results are NOT sent to the SMU Program in Counseling, so the student must notify the faculty contact when final recommendation for counselor certification is needed.

****PRE-PRACTICUM ELECTIVE CONSIDERATIONS:**

Please Note: Courses designated as “required” must be completed in full before students will be permitted to work with the corresponding populations during practicum. Courses designated as “also acceptable” may be *substituted* for the stated required course. Courses designated as “recommended” are suggested *in addition to* the stated required course.

POPULATION	COURSES
Children ages 2 – 6 (indiv. play)	Required: HDCN 6343 – Child Counseling: Play Therapy
Children ages 7 – 9 (indiv. play)	Required: HDCN 6343 – Child Counseling: Play Therapy Recommended: HDCN 6323 - Adolescent Counseling
Pre-Adolescents ages 10 – 12 (indiv.)	Required: HDCN 6323 - Adolescent Counseling Also acceptable: HDCN 6327 - Family Play Therapy
Adolescents ages 13 – 17 (indiv./group)	Required: HDCN 6323 - Adolescent Counseling Also acceptable: HDCN 6316 - Family Therapy I + HDCN 6344 Expressive Art: Therapeutic & Creative Processes
Couples	Required: HDCN 6316 - Family Therapy I Recommended: HDCN 6311 - Couples Counseling
Families with Children ages 2 - 7	Required: HDCN 6316 - Family Therapy I + HDCN 6327 - Family Play Therapy Also acceptable: HDCN 6316 Family Therapy I + HDCN 6343 – Child Counseling: Play Therapy
Families with Children ages 8 - 18	Required: HDCN 6316 - Family Therapy I Recommended: HDCN 6327 - Family Play Therapy or HDCN 6323 - Adolescent Counseling
Group Parent Training and CPRT	Required: HDCN 6316 - Family Therapy I + Parenting Training in the Clinic Also acceptable: HDCN 6325 - Therapeutic Parenting
One-to-One Parent Training	Required: HDCN 6316 - Family Therapy I + Parenting Training in the Clinic Also acceptable: HDCN 6325 - Therapeutic Parenting

Master of Science in Counseling, School Counseling Specialty

Degree Timeline

Students typically complete the Counseling degree in 3 calendar years. During the first semester students must take specified required coursework (6 hours). Students are not required to take other courses in a prescribed order, however, certain core requirements must be completed prior to the clinical sequence. A few courses within the program are sequenced.

*Required first term courses

**1st course in a sequence of two courses

*** Clinical sequence
