Requestor must use the comment box in STABLE to provide the name of the vendor(s), if the food is being delivered to campus or picked up at an off-campus location, and the source of funds for the event (SMU departmental budget, funds allocated by Student Senate, or other). Any other documentation needed will be requested via email to the requestor.

External or Internal Events where the food is **not** being provided by SMU Catering should review and follow the requirements for Mobile Food Units (MFUs) or Outside Caterers described below.

Sterno (or any other brand of jellied, denatured alcohol burned directly in a can) is not allowed on campus unless serviced by SMU Catering.

Conferences/Camps

SMU Conference Services must be engaged when hosting events that span more than one day or more than one venue and meet one or more of the following criteria:

- Events include attendees under the age of 18 years (minors)
- Events that include non-SMU participants

SMU Conference Services provides coordination services throughout the year. During the summer conference season (typically Memorial Day through the last business day of July), SMU offers a "one stop shop" and maintains a staff of Conference Ambassadors to offer assistance with conference check-in, connection to on campus resources and provides a single point of contact throughout the conference during business hours and emergency assistance after hours.

Contracts and Insurance

A contract and certificate of liability insurance (COI) are required for all External Events, such as:

- Events held by organizations or individuals who are neither funded nor controlled by the University;
- Events which are not part of the course of regular University business;
- Events where the primary benefit is for an unaffiliated organization or individual and the secondary benefit is for the University, or other Events identified by the Office of Risk Management.

When facilitating an External Event, the Event Lead will reserve the space and submit the Indoor Event Support Request in STABLE. They will then provide the Event Planner with a University Facility Use Agreement via DocuSign that includes confirmation of the spaces to be used, dates/times of use, scheduled resources such as equipment or personnel, all fees associated with space and resources and other unique Venue policies or procedures. Each Venue will use the same standard Facility Use Agreement approved by the Senior Vice President for Business and Finance and Chief Financial Officer and Vice President for Legal Affairs and

Government Relations, General Counsel and Secretary. Event Leads may customize the Facility Use Agreement for their facility in accordance with their own policies and procedures with approval from the Senior Contracts Administrator and Office of Legal Affairs.

Emergency Response

All Event Planners and Event Leads must have an emergency response awareness plan in the event of natural hazard, or other emergency resulting in bodily injury or property damage. Inquiries for VIP and complex Events require a minimum advance notice of one month and may be made to the SMU Police Department or the Office of Risk Management (ORM)/Emergency Management.

Fees

A Venue fee will not be charged for any Event if the attendees are mostly SMU students, faculty or staff. Any hard costs associated with an Event such as labor, set-up, technical rental, etc. will be charged for the Event.

A Venue fee may be charged for any Event where the majority of attendees are from off-campus or if tickets are being sold. The fee charged is determined by the management of the facility in which the Event is being held. All hard costs associated with the Event such as: labor, set-up, technical rentals, etc. will be charged for these Events.

It is at the discretion of the management of the Venue to determine which category an Event falls under and to grant any exceptions to the procedures above. If the Event Planner would like to appeal the Venue's decision an appeal may be sent to the Senior Vice President of Business and Finance and Chief Financial Officer. The Venue's school, department or division will not subsidize the cost of the Event. A cancellation fee may apply as determined by the management of the Venue.

Fees related to any Event that require the assistance of the Office of Facilities Planning and Management with regard to the areas of custodial and housekeeping support, maintenance technician support, general services support or any set-up required beyond the Venue staff, will be determined by the Office of Facilities Planning and Management.
