

# The Cariloop Difference

Your End-to-End Caregiver Support Platform

**Cariloop's comprehensive caregiver support is designed to empower members with simplified, inclusive solutions.**

Your employer-sponsored caregiving benefit provides seamless caregiving support to you and your loved ones at no additional cost. Our robust digital platform, expert Care Coaches and integrated caregiver network simplify finding care and support your caregiving journeys through every stage of life—from prenatal care to senior care and everything in between.

## Find & Pay for Care

- Access our integrated provider network to book childcare or senior care in minutes.
- Access a trusted, private network of caregivers for any situation.

## Learn and Access Information

- Browse our content library for guides and articles that empower members with simplified, actionable knowledge.

## Plan and Manage Care

- Manage and organize medications, documents and care teams in one, easy-to-use platform.
- Connect in a live chat for instant support and organized care.

## Connect With Your Caregiving Community

- Share, plan and manage care with your personal network.
- Unlock community knowledge by accessing reviews and recommendations from fellow caregivers.

# Support at every stage of your caregiving journey

**Family Planning**  
Prenatal prep and leave support

**LGBTQ+ Support**  
Vetting LGBTQ+ friendly providers

**Adult Support & Self Care**  
Locating and vetting counselors or therapists

**Veterans Support**  
Understanding VA benefits and eligibility

**Elder Care**  
Vetting assisted living and hospice

## Why Cariloop?

- **Consumer-Grade Digital Experience:** Cariloop offers access to premier digital tools and resources, including an integrated paid caregiver network to find, book and pay for childcare, back-up care, elder care and more.
- **Coaching Expertise:** Our coaches are world-class. All Care Coaches are W2, licensed or certified across 20+ broad disciplines, with an average 12+ years of experience.
- **Integrated network.** Through our UrbanSitter partnership, members can seamlessly book a variety of short- or long-term care provider services via the member portal or the app.

“There are a lot of stressful unknowns when caring for an aging and ailing loved one. It has been a relief having a care coach who understands all that’s involved and knows of the many tools available to help.”

- Matthew, Cariloop Member

## By the Numbers: The Realities of Caregiver Support

**73%**

The percent of employees nationwide who are caregivers

**24**

The average weekly hours spent on caregiving

**\$7,000**
