

# Unlock guidance from education experts so you can effectively help your child navigate the college prep process

Planning for the college admissions process can be stressful for you and your child. Get the help now from a Cariloop Education Coach.

- **Secure admissions info for all your top colleges:** Compile and centralize details like admissions contacts and where to submit high school transcripts and test scores
- **Identify prerequisites:** Understand ACT/SAT requirements and exceptions, secure test prep tutors, and understand other admissions requirements
- **Financial aid options personalized for your needs:** Walk through the financial aid process and identify loans, scholarships, grants and work-study opportunities
- **FAFSA made easy:** All of the steps to applying for and receiving federal student aid, all in one place
- **Personalized extracurriculars:** Explore extracurricular activities, leadership opportunities, internships and research experiences that fit your loved one's interests and goals
- **Never miss a deadline:** Avoid missing important application timelines and requirements, including early action admission options

You have a Cariloop membership paid for by your employer. All you have to do is activate it.
