SMU has over 12,000 students studying in eight degree-granting schools: Cox School of Business, Dedman College of Humanities and Sciences, Meadows School of the Arts, Bobby B. Lyle School of Engineering, Dedman School of Law, Annette Caldwell Simmons School of Education and Human Development, Perkins School of Theology, and Moody School of Graduate and Advanced Studies. In addition to the tuition and fee revenue generated by these schools, SMU receives support from gifts, investment earnings, federal grants, sponsored research, athletics and auxiliary activities. SMU is managed by a Board of Trustees that include civic, business, education and religious leaders who dedicate their expertise and resources to help SMU achieve its mission and strategic plan.

1.2 Purpose

- 2) SMU has complied with laws and regulations for those transactions and events that may have a material effect on the financial statements.
- 3) Compliance and adequacy of internal controls for major federal programs and the Schedule of Expenditures of Federal Awards (SEFA).
- 4) SMU has adhered to specific financial compliance requirements related to NCAA rules and regulations.

SMU reserves the right to choose as many or as few proposers as seen fit by SMU to meet its needs.

SMU will notify each proposer of the final action taken upon execution of contract with the selected proposer. SMU reserves the right to contact listed references and peer review organizations as necessary to evaluate any proposer. SMU reserves the right to waive any minor or immaterial proposal requirements noted in the submission process. Submission of proposals confers no legal rights upon any proposer. SMU will determine whether negotiations or Best and Final Offers (BAFOs) are necessary and may invite selected proposers to provide oral presentations of their proposals.

SMU may conduct reference checks with other entities regarding past performance.

Insurance must be in place prior to commencement or provision of goods or services or the use of property or other business engagement and must be maintained throughout the term of the contract or other agreement or engagement between SMU and the Contractor (the "Contract"), and thereafter. Contractor, at its sole cost and expense including payment of any premiums, deductibles, and/or self-insured retentions, will provide the insurance required pursuant to this **Exhibit B** sufficient to insure all of the Contractor's duties and responsibilities under the Contract, as required below:

- 1) These requirements apply to Contractor, and to Contractor's sub-subcontractors, consultants, selected contractors and others fulfilling Contractor's obligations under the Contract, whether individuals or entities and including international providers (collectively, "Subcontractors"). Contractor must require all Subcontractors to comply with the insurance requirements applicable to Contractor.
- 2) The Contractor must be licensed or otherwise authorized to do business in the State of Texas.
- 3) Insurance must be issued by insurance companies with not less than an AM Best A-III rating.

- 6) Contractor will maintain all insurance required by this **Exhibit B** throughout the term of the Contract. For any "claims-made" coverage, such as insurance for any professional liability or directors and officers coverage, each policy must have a retroactive date prior to the date of project or Contract commencement which must be stated on the certificate of insurance and must be maintained by the Contractor until completion of the project and for at least three years thereafter either through policies in force or through "tail coverage."

For purposes of this additional insured requirement, "equivalent coverage" means coverage for liability caused by Contractor's actions and omissions in connection with the Contract, including coverage for the negligence or fault of Contractor and/or SMU or other parties indemnified under the Contract as to third-party bodily injury or death, of an employee or agent of the Contractor or of Subcontractors, including products-completed operations.
- 8) If any of Contractor's employees will at any time be working under the direction or control of SMU, then SMU must be named as alternate employer on the Workers' Compensation/Employer's Liability insurance and a copy of such endorsement will be attached to Contractor's certificate of insurance.
- 9) Contractor agrees to allow SMU to review all applicable insurance policies upon request.
- 10) Contractor is responsible for maintaining its own insurance coverage on its personal property.
- 11) Contractor and its insurer will provide at least 30 days' prior written notice to SMU of cancellation, changes in coverage which no longer satisfy these requirements, or nonrenewal of any policy.
