GENERAL INFORMATION

SOUTHERN METHODIST UNIVERSITY

The Vision of Southern Methodist University

To create and impart knowledge that will shape citizens who contribute to their communities and lead their professions in a global society.

The Mission of Southern Methodist University

Southern Methodist University will create, expand and impart knowledge through teaching, research and service, shaping world changers who contribute to their communities and excel in their professions in a global society. Among its faculty, students and staff, the University will cultivate principled thought, develop intellectual skills and promote an environment emphasizing individual dignity and worth. SMU affirms its historical commitment to academic freedom and open inquiry, to moral and ethical values, and to its United Methodist heritage.

Description of the University

As a private, comprehensive university enriched by its United Methodist heritage and its partnership with the Dallas Metroplex, Southern Methodist University seeks to enhance the intellectual, cultural, technical, ethical and social development of a diverse student body. SMU offers undergraduate programs centered on the liberal arts; excellent graduate and continuing education programs; and abundant opportunities for access to faculty in small classes, research experience, international study, leadership development, and off-campus service and internships, with the goal of preparing students to be contributing citizens and leaders for our state, the nation and the world.

SMU comprises seven degree-granting schools: Dedman College of Humanities and Sciences, Edwin L. Cox School of Business, Dedman School of Law, Bobby B. Lyle School of Engineering, Meadows School of the Arts, Perkins School of Theology, and Annette Caldwell Simmons School of Education and Human Development.

Founded in 1911 by what is now the United Methodist Church, SMU is non-sectarian in its teaching and is committed to the values of academic freedom and open inquiry.

At its opening session in 1915, the University had two buildings, 706 students, a 35-member faculty and total assets of \$633,540.

Today, the University has more than 100 buildings, a total enrollment averaging more than 10,000 the past 10 years, a full-time faculty of 740 and assets of \$2.6 billion – including an endowment of \$1.5 billion (market value, May 31, 2015).

Offering only a handful of degree programs at its 1915 opening, the University presently awards over 100 baccalaureate degrees in more than 90 programs, with in five schools. The university also offers a variety of graduate programs in all of its seven schools.

Of the 11,643 students enrolled for the 2015 fall term, 6, 411 were undergraduates and 5,232 were graduate students. The full-time equivalent enrollment was 6,281 for undergraduates and 3,791 for graduate students.

Nearly all the students in SMU's first class came from Dallas County, but now more than 50 percent of the University's undergraduate student body comes from outside Texas. In a typical school year, students come to SMU from every state; from more than 100 foreign countries; and from all races, religions and economic levels.

Undergraduate enrollment is 50 percent female. Graduate and professional enrollment is 46 percent female.

A majority of SMU undergraduates receive some form of financial aid. In 2015–2016, 73 percent of first-year students received some form of financial aid, and 25 percent of first-year students received need-based financial aid.

Management of the University is vested in a board of trustees of civic, business and religious leaders – Methodist and non-Methodist. The founders' first charge to SMU was that it become not necessarily a great *Methodist* university, but a great *university*.

MEADOWS SCHOOL OF THE ARTS

Meadows School of the Arts, founded through the generosity of Algur H. Meadows, his family and the Meadows Foundation, is recognized as one of the nation's premier fine arts schools. In the SMU community, it offers intense specialized education in the performing arts, visual arts and communications and provides a rich variety of coursework for students from other disciplines exploring the arts as part of their liberal arts education.

In addition to working closely with a nationally renowned full-time faculty, Meadows students have access to eminent visiting professors, artists and the winners of the Meadows Prize, an arts residency awarded annually to up to two pioneering artists and creative professionals active in one of the Meadows School's disciplines. Recipients are expected to interact in a substantive way with Meadows students and collaborating arts organizations and to leave a lasting legacy in Dallas. Winners have included a Grammy-winning ensemble, a Tony-winning playwright and screenwriter, and the Public Theater's director of public works.

Meadows also offers one of the finest university complexes in the nation for instruction, performance and exhibition in art, art history, arts administration, music, dance, cinema-television and theatre.

Academic, Performance and Exhibition Spaces

The Owen Arts Center, home of Meadows School of the Arts, houses the Greer Garson Theatre (a classical thrust-stage design), the Bob Hope Theatre (a proscenium design), the Margo Jones Theatre (a black-box theatre), Caruth Auditorium, the Charles S. Sharp Performing Arts Studio, O'Donnell Lecture/Recital Hall, several other performance spaces, classrooms, studios and rehearsal areas. The Doolin Gallery in Owen Arts Center and the Pollock Gallery, housed in the Hughes-Trigg Student Center, are the exhibition spaces of the Division of Art. Student work is exhibited and critiqued in the Doolin. Exhibitions organized in the Pollock Gallery provide students, faculty, staff and the surrounding community with opportunities to experience a thoughtful and wide array of exhibitions representing diverse artists, time periods and cultures.

The Meadows Museum, located at the south end of Bishop Boulevard, exhibits one of the most comprehensive collections of Spanish art outside of Spain, including works of such masters as Velázquez, Ribera, Sorolla, Murillo, Goya, Picasso, Miró

and El Greco. The Elizabeth Meadows Sculpture Collection contains important works by such modern sculptors as Rodin, Maillol, Lipschitz, Henry Moore, Marini, Giacometti, Noguchi, David Smith and Claes Oldenburg.

In the last decade, Meadows School of the Arts has realized considerable expansion in academic, performance and exhibition spaces. Umphrey Lee Center houses state-of-the-art facilities for television, including a fully equipped studio. The Jake and Nancy Hamon Arts Library was completed as an addition to the Owen Arts Center. This four-story addition houses all arts library collections, a slide library, an audio/visual center and the Center for Instructional Technologies in the Arts. During the library expansion, the O'Donnell Lecture/Recital Hall, the Rosalie and Herman Taubman Family Atrium, a percussion studio, a music education and therapy suite, an electronic music studio, and numerous new office spaces also were built. The Greer Garson Theatre, completed in 1992, is a unique combination of historical stage design and a state-of-the-art technical theatrical environment. This addition to the Owen Arts Center also houses the Dean's Suite and the G. William Jones Film and Video Collection, as well as a screening room and a 3,800-square-foot refrigerated storage vault. With the completion of these projects, Meadows School of the Arts occupies approximately a half-million square feet of space.

The combined undergraduate and graduate programs of Meadows School of the Arts consist of 10 divisions, including two divisions that offer undergraduate programs only. The seven divisions that offer graduate programs include Advertising, Art, Art History, Arts Management and Arts Entrepreneurship, Film and Media Arts, Music, and Theatre. National Center for Arts Research

SMU's National Center for Arts Research, the first of its kind in the nation, acts as a catalyst for the transformation and sustainability of the national arts and cultural community. The center analyzes the largest database of arts research ever assembled and makes its findings available free of charge to arts leaders, funders, policymakers, researchers, students and the general public. NCAR's mission is to be the leading provider of evidence-based insights that enable arts and cultural leaders to overcome challenges and increase impact. The scope of this work requires the collaboration of national organizations such as the Cultural Data Project, the National Center for Charitable Statistics, the National Endowment for the Arts, the Theatre Communications Group, TRG Arts, IBM, the Nonprofit Finance Fund and the Boston Consulting Group. Additional information is available online at www.smu.edu/artsresearch.

Admission

The application for admission to the graduate Meadows programs is available at www.smu.edu/Meadows/Admissions/Graduate. For information concerning auditions or interviews, assistantships or fellowships, scholarships, and degree programs, students should contact Joe Hoselton, Office of Graduate Admissions, hoselton@smu.edu, 214-768-3765, Meadows School of the Arts, PO Box 750356, Southern Methodist University, Dallas TX 75275-0356.

The online application and all supporting documents – including official transcripts from all institutions previously attended, recommendations, and GRE and GMAT graduate school admission test scores and/or TOEFL English language proficiency test scores when required – should be filed with the Office of Graduate Admissions for the Meadows School of the Arts as early as possible. Some academic units make admission decisions as early as January 1.

Qualifications

Applicants holding a four-year equivalent degree from an appropriately accredited college or university are eligible to apply for admission to graduate studies. Graduates of colleges not accredited may be required to demonstrate their qualifications by submitting satisfactory scores on the GRE. Any student whose bachelor's degree preparation is not judged equivalent to the comparable baccalaureate preparation from SMU may be required to take additional coursework to make up the deficiency. In exceptional cases, unusually qualified applicants not holding degrees may be considered for admission.

Student auditions or samples of creative work are requested by certain academic units as part of the application process.

After the application and supporting documents have been examined, the student will be notified of an admission decision. No student is allowed to enroll unless notified of admission. All transcripts and letters of recommendation become the property of SMU. International applicants whose first language is not English are required to submit their scores for the TOEFL English language proficiency test.

Transfer of Credit

Policies for transfer credit are found under Transfer Credit in the Academic Regulations section of this catalog.

Academic Regulations

Master's Degrees

The Master of Arts degree assumes a goal of general cultural development in the arts, communications and humanities, while the Master of Fine Arts, Master of Sacred Music and Master of Music degrees suggest professional graduate training, with activities more concentrated in one area. The M.F.A. and M.M. degrees are normally predicated upon a bachelor's degree that has provided up to 65 credit hours in the major field of study. Consequently, a student who has earned a B.A. degree and enrolls for an M.F.A., M.S.M. or M.M. degree in Meadows School of the Arts may be handicapped by not having had sufficient undergraduate concentration in his or her particular field. It may be necessary for the student to extend graduate study to compensate for limited preparation.

Graduate Adviser

Each student will have a graduate adviser assigned by the appropriate department/division/institute chair or director of Meadows School of the Arts. Additional information is found in this catalog under the following headings: 1) Course Scheduling and Enrollment Cycles in the Enrollment Policies section and 2) Academic Advising in the Academic Advising and Satisfactory Progress Policies section.

Transfer Credit

Official college transcripts are required for all college-level work attempted, regardless of transferability. Military transcripts are also required for students receiving VA benefits; more information is available at www.smu.edu/registrar ("Veterans Affairs" link). Students are responsible for making sure a transcript of all transfer work attempted is sent to the University Registrar's Office immediately following completion of the work.

All credit for work transferred from another institution is subject to the approval of the department/division/institute. Unless special permission is granted by the dean of Meadows School of the Arts, no more than six credit hours of work from another institution may be counted toward a graduate degree at Meadows School of the Arts. (No credit is allowed for study by correspondence.) Courses taken as an undergraduate or as a special student at SMU will be regarded in the same way as transfer courses.

Thesis, Thesis-Equivalent or Recital

All candidates for the master's degree will be expected to complete at least one of the following, unless modified by the appropriate department/division/institute of the student's major study: 1) a written thesis, 2) a period of directed internship, 3) a creative project, 4) a recital or 5) a comprehensive exam.

A thesis that demonstrates original research may be offered in lieu of two to six credit hours. The student may elect to pursue a full- or part-time internship. Hours so earned are applied toward the total number of hours required for the degree.

Following initial enrollment for thesis, project or recital credit, graduate students are required to enroll each term until the thesis, project or recital has been completed and accepted.

For any term in which satisfactory progress has been made, but in which the thesis or project has not been completed, the student will receive a grade of *I* (Incomplete). Upon completion and acceptance of the thesis or project, the adviser may change up to six credit hours (three for project, two for recital) of a grade of *I* to letter grades, according to department/division/institute policy. A total of six credit hours (three for project, two for recital) with grades of *P* (Pass) or letter grades not below a grade of *C* must be accrued toward the thesis, project or recital to satisfy degree requirements.

If the student fails to enroll for thesis, project or recital credit in any term for which it is required, he or she must enroll for the equivalent number of credit hours upon filing an application for candidacy to graduate.

Course Load

Enrollment for nine credit hours of coursework per term is recognized as a full-time load for persons engaged in graduate study. Graduate students not enrolled for the required number of hours may be certified as full-time or part-time students if they are officially enrolled for at least one course and are recognized by their academic dean as meeting one of the following conditions: 1) he or she is enrolled in a music program requiring fewer than a total of 36 credit hours, 2) he or she is working on the completion of a required thesis, internship or performance recital requirement on a full-time or part-time basis, 3) he or she is a third-year theatre student working on the completion of a required series of production projects on a full-time or part-time basis or 4) he or she has a required instructor appointment as part of a teaching assistantship. Additional information is found under Term Hour Loads in the General Policies section of this catalog.

Credits

Candidates for a master's degree must have completed a minimum of 30–75 credit hours of graduate work, depending upon the degree or department involved. All courses attempted for credit must average a grade of *B* or better, with no grade lower than a grade of *C* (2.000) applying toward the degree. In studio art, all courses attempted for credit must average a grade of *B* or better, with no grade lower than a grade of *B-* (2.700) applying toward the degree. In art history, a graduate student who receives a grade of *B-* or less for a course or seminar taken for credit toward the Master of Arts degree will be placed on probation. A graduate student who receives a grade of *B-* or less for more than one course or seminar taken for credit toward the Master of Arts degree in art history will be suspended from the University.

Arts Management and Arts Entrepreneurship graduate students in pursuit of the Master of Arts/Master of Business Administration degree must maintain a cumulative GPA of 3.000 in their M.A. coursework and in their M.B.A. coursework, independently, to graduate from the program. If a student's cumulative GPA in either program falls below 3.000 for any term of study that student will be placed on academic probation. If the student fails to bring the cumulative GPA to 3.000 within the next term that student may be dismissed from the program.

In all courses attempted by graduate students, with the exception of a thesis or project, a grade of *I* may be changed to a grade of *F* (Fail) if not removed within one year after the grade is entered on the student's record.

Additional information is found under Academic Progress in the Academic Advising and Satisfactory Progress Policies section of this catalog.

Residence

A residence (enrollment in courses offered at SMU's main campus) of at least two full terms or the equivalent of this residence period in the summer is required. Most graduate programs will require more than the minimum. Work done in absentia will not be accepted, except in unusual conditions with the *prior* approval of the division chair.

World Language

A reading knowledge of a world language or languages will be required by those departments that deem it necessary for the student's research or creative project.

TEMERLIN ADVERTISING INSTITUTE FOR EDUCATION AND RESEARCH

Professor Steven Edwards, Director

Professors: Patricia Alvey, Willie Baronet, Steven Edwards, Alice Kendrick, Carrie La Ferle. **Assistant Professors:** Eunjin Kim, Sidharth Muralidharan, Hye Jin Yoon. **Lecturers:** Mark Allen, Cheryl Mendenhall. **Executive-in-Residence:** Peter Noble. **Adjunct Lecturers:** Belinda Baldwin, Amber Benson, David Hadelar, John Hall, Suzanne Larkin, Gordon Law, Alan Lidji, Bruce Orr, Jason Shipp, Marc Valerin, Alexandra Watson.

MASTER OF ARTS IN ADVERTISING

Advertising as a cultural force can have a powerful cultural impact on societies as well as brands. The rise of social media and the informed consumer has allowed advertisers to talk with (not at) consumers. Developing strategies for integrating consumers in branding decisions and developing long-term relationships with consumers are the keys to success. Therefore, the M.A. in advertising program provides training in global, social, cultural and technological sensitivity to give students the understanding needed to engage consumers in brand conversations. Strategic and conceptually rich creative messages are the conversation starters delivered to consumers using paid, earned and owned media. In addition to enhancing their understanding of traditional advertising theory and practice, students will learn about the use of social media, location-based targeting, cause marketing, viral messaging, adver gaming, product placement and branded entertainment as means to create meaningful brands for customers.

The Temerlin Advertising Institute (TAI), one of the nation's only endowed advertising institutes, invites each student to build a foundation of strategic communication principles, to develop a deep appreciation of the power of advertising and to join in an exploration of how advertising can be channeled for the betterment of a product or service for a client as well as for society. Students will explore responsibility issues within traditional advertising courses and experiential opportunities. Within the program, students may opt to follow an industry focus or a research/thesis emphasis.

Because the Temerlin Advertising Institute is located in Dallas, it enjoys a strong relationship with a vibrant advertising industry. DFW is the nation's fifth largest media market and the headquarters for major advertising agencies, national and global corporations, large U.S. media corporations, public relations firms, and film production companies. This location affords access to professionals who are of the highest caliber and who serve as class clients, guest lecturers, executives-in-residence, adjunct faculty and internship sponsors.

Individuals graduating from this program will go on to work, either domestically or internationally, in advertising agencies as account executives, art directors, copy writers, media strategists, research analysts or account planners. A graduate of the institute will also be attractive to media organizations, marketing firms, the event management field, branded entertainment, adver gaming, motion picture marketing and nonprofit organizations.

Admission

Applicants will be expected to have an excellent undergraduate record in advertising or a related field. Previous work experience is desirable. Applicants from other disciplines will be considered provided they can show a keen interest in pursuing a career in advertising. Applicants must demonstrate an acceptable undergraduate GPA and satisfactory scores on the GRE or GMAT graduate school admission/entry test, and they must complete and submit an application to the Temerlin Advertising Institute.

International students will be required to demonstrate English language proficiency through scores on the TOEFL or other equivalent tests.

In addition to the appropriate undergraduate degree, all students admitted to the program must have completed the following courses or their equivalent(s):

ADV 1300 Survey of Advertising

ADV 3303 Advertising Media

ADV 3304 Advertising Research (or a course on consumer research)

Students who have not completed these courses or their equivalent(s) will be required to complete the courses or pass TAI placement exams prior to, or while taking, their first term of graduate courses.

All applicants must submit acceptable references, and they may be asked to participate in a personal interview.

Degree Requirements

All students participate in courses that enhance understanding of practices necessary for future advertising leaders. The program offers students the ability to deepen their area of interest by pursuing elective coursework in the area(s) of their interest. Core courses are listed below.

Topics include the development of corporate images, racial and gender stereotypes, persuasive strategies, and international cultural differences. Highlights pertinent agencies, ideas, movements, events, and people from the past and present, as well as future trends. Using case studies from around the world, students consider the potential impact for good or bad that advertising can have on people and cultures, given the industry's power and influence.

ADV 6372 (3). RESPONSIBILITY AND SOCIAL ENTREPRENEURSHIP. Topics for this seminar include identifying the agents of change in the industry and what sets them apart, defining responsibility and where and how it manifests itself in the field of advertising, and determining how responsible advertising evolves into an agent of cultural change. DIVISION OF ART

Associate Professor Noah Simblist, **Division Chair**

Professors: Michael Corris, Barnaby Fitzgerald, James W. Sullivan, Philip Van Keuren, Mary Vernon. **Associate Professor:** Noah Simblist. **Assistant Professors:** Brian Molanphy, Brittany Ransom. **Adjunct Professor:** Susan Kress.

FACILITIES

Facilities for the study of art include well-lighted studios, excellent supporting equipment for all media, including digital and video applications, and individual studios for graduate students. The Division of Art will provide every graduate student with dedicated individual or group workspace for his or her studies. Art students work broadly and as experimentally as they wish, surrounded by artists in dance, music, theatre, film and communications.

The Division of Art will provide every graduate student with individual workspace, unless the Division of Art chair decides otherwise. It is the responsibility of each student to make full and proper use of the space provided or lose the privilege. The division has no obligation to provide studio space for longer than two years.

Additional facilities include the Pollock Gallery, the art exhibition space of the Division of Art, located in the Hughes-Trigg Student Center. Exhibitions organized by the Pollock Gallery provide students, faculty, staff and the surrounding community with opportunities to experience a wide and thought-provoking array of exhibitions representing diverse artists, time periods and cultures.

SPECIAL PROGRAMS AND RESOURCES

The division offers two special programs of importance to graduate students: the New York Colloquium (a winter interterm program that fulfills a three-hour art history requirement) and a summer program at SMU's campus near Taos, New Mexico, for which a student can receive up to six hours of graduate studio credit. During the New York Colloquium, students visit a range of New York museums, galleries, artists' studios and other venues appropriate to the development of their critical and professional studies in art. SMU-in-Taos, the program at Fort Burgwin, near Taos, offers several approaches to independent and directed study each summer, including plein-air painting, an interdisciplinary studio workshop, sculpture, photography and printmaking.

The Dallas-Fort Worth area has a large artistic community with rich and varied resources. These include many internationally and nationally significant museums and contemporary exhibition spaces: the Dallas Museum of Art, SMU's newly designed Meadows Museum, the Nasher Sculpture Center, the Dallas Contemporary, the Crow Collection of Asian Art, the Latino Cultural Center of Dallas, the McKinney Avenue Contemporary, the Arlington Museum, the Kimbell Museum, the Fort Worth Museum of Modern Art and the Amon Carter Museum. There are also vibrant, artist-run alternative and cooperative galleries, and a growing commercial gallery system.

MASTER OF FINE ARTS IN ART

The Master of Fine Arts is the terminal degree in studio art. Students who earn the M.F.A. will be able to show a substantial body of work of uniformly high quality and distinct originality. The student will also have an intellectual grasp of the broad context, historical and current, within which the artist functions. The degree program is designed to comprise a two-year focused period of study, terminating with the M.F.A. qualifying exhibition and oral exam.

Graduate-level study is offered in painting, drawing, sculpture, printmaking, ceramics, digital/hybrid media, robotics, video and photography. These are not so narrowly defined as to preclude development between media or diverse experimentation within disciplines. A goal of the graduate program of the Division of Art is to encourage a wide range of thought in its students, primarily through open, studio-based investigation. It is expected that the student will clearly state the course of study he or she intends to pursue. Admission is based on the selection committee's estimation of the applicant's ability to succeed in the stated field of specialty. This plan may be altered should the work evolve in a manner that necessitates a change.

Admission

Graduate students are admitted into the M.F.A. program only in the fall term. Candidates for the program must complete the online application available at <http://www.smu.edu/Meadows/Admissions/Graduate>. Additionally, candidates must upload to SlideRoom (www.smu.slideroom.com) a portfolio including 20 selections of their work. **Portfolio submissions are due by February 1.** Students are encouraged, but not required, to seek an interview with the division's graduate adviser prior to application. Admission to the graduate program is selective. Only those individuals will be admitted in whom the Admissions Committee recognizes clear prospects for attaining the objectives of the program during the two-year period of graduate study. Admission also is based on the objectives and limitations of the department.

The applicant is required to have a Bachelor of Fine Arts degree equivalent to that offered at SMU (including 60 studio hours and 12 art history hours). In exceptional cases, unusually qualified applicants not holding this degree may be considered for admission. The ranked admission criteria are portfolio, statement of intent, transcript and recommendations.

In general, not more than six credit hours of transfer credit apply to the M.F.A. in art. However, if the applicant has an M.A. in studio art, up to 30 credit hours may be transferred to the SMU program with the approval of the faculty and the head of the graduate program. In any case, a minimum of 36 hours must be taken at SMU.

Scholarships and Financial Aid

Each year up to five Meadows Scholarships are reserved for incoming graduate students, awarded based upon artistic merit. These awards are for up to full tuition and fees remission and include teaching assistant stipends of up to \$3,000 per nine-month academic year. A number of other scholarship programs, including the Mary Cameron Bassett Jones Fund, offer significant funding for projects, materials and travel in support of creative research.

Graduation Requirements

With the approval of the graduate committee, each student will participate in the M.F.A. Qualifying Exhibition. The M.F.A. Qualifying Exhibition is a group show of all graduate student candidates wishing to receive their M.F.A. degree. Approval to exhibit must be obtained in the term prior to the exhibition. This approval usually is given at the critique at the end of the prior fall term.

The quality of this exhibition will be the primary determinant of whether the M.F.A. degree will be granted. Once approved for the M.F.A. exhibition, the student must enroll for ASAG 6301 M.F.A. Qualifying Exhibition and Exam course in the spring term with the chair of his or her graduate committee.

During the period of the graduate exhibition, the entire faculty will interview each student. This examination is to establish that the student's creative work is of sufficient maturity and that his or her general knowledge of critical and historical issues is at the level expected of an M.F.A. candidate. At this time, the student will be expected to present an oral defense or explanation of his or her work, a slide presentation explaining the nature of the creative process involved in the creation of his or her work, as well as the following: a written statement related to the issues represented in the work, 20 images of work produced during the graduate program, a current curriculum vitae, and a list of work in the graduate exhibition. This information should be presented in digital format. Students may not graduate unless this information is accepted and on file.

If the faculty finds the oral and written review to be unsatisfactory, the student will have the option for a single retake within 10 days of the first review. The student will not be eligible to receive his or her degree after a second failure. This oral review (ASAG 6301) may be repeated the following spring term. Once the exhibition and the faculty examination are accepted and the required materials are turned in, the student will receive his or her degree at the graduation ceremony at the end of the term.

Possession of Work

Meadows School of the Arts is entitled to retain as many as two pieces of work by each student. The intention is to honor the successful candidate and to provide evidence of student success in lieu of the usual formal thesis. These works enter the University art collection.

The division also requires submission of a Web page permission sheet allowing the division to display student artwork on the division website.

Degree Requirements

A minimum of 60 term-credit hours of coursework is required. All courses taken in the division must be numbered 5000 or above. A student may be directed by the faculty to take more than this minimum number of credit hours. Thirty-six to 42 credit hours are to be clearly related to the major field of study. Twelve credit hours of graduate-level art history or study in other academic departments are required. Approval for courses outside of art history must be obtained from the graduate adviser. All students participate in the Studio Graduate Seminar (ASAG 6300) each fall term.

Only grades of *B-* and above may apply toward the degree. Meadows School of the Arts ordinarily will approve no more than six credit hours of transferred credit.

Petitions for exceptions may be filed with the dean after the student is enrolled at SMU.

Upon entering the graduate program, candidates will be given, by the graduate adviser, a thorough outline of the expectations a graduate student will meet.

| <i>Requirements for the Degree</i> | <i>Credit Hours</i> |
|--|---------------------|
| Graduate Studio Course (ASAG) | 36 |
| Graduate Seminar (each fall term) ASAG 6300 | 6 |
| Art History | 12 |
| M.F.A. Qualifying Exhibition and Exam (ASAG 6301) | 3 |
| Elective (or additional ASAG course) | 3 |
| Total | 60 |

Notes:

- Courses at or above the 5000 level in individual disciplines may count toward the graduate studio course (ASAG) requirement.
- Study in other academic departments may be substituted. Approval for courses outside of art history must be obtained from the graduate adviser.

Graduate Committees and Critiques

With the exception of the graduate seminar and the required coursework in art history, graduate study proceeds primarily through individual tutorials with members of the faculty, guided by a three-person graduate committee. Upon entering the program, a student will be assigned a major professor by the graduate adviser to serve as the chair of the student's committee. The student will also select, in consultation with the major professor, two additional faculty members to serve with the major professor on his or her graduate committee. Graduate committees can change beginning with a student's second or third term. Membership on the graduate committee becomes permanent at the beginning of the student's second year except for substitutions for faculty who are on leave. Upon the return of a committee member who has been on leave, he or she will resume his or her place on the student's committee. The faculty reserves the right to appoint at any time one faculty member to serve on a student's committee.

This committee will critique the student at least once every month during each term in which he or she is registered for studio credit. These critiques are normally held the first week of each month, and it is the student's responsibility to arrange these critiques. Students will be expected to submit to the committee a brief written statement outlining their intentions and progress at each critique.

Graduate Reviews

At the end of each term, a selection of completed work and ongoing work and a written statement discussing the term's progress will be presented for review to the entire faculty of the division. Continuation in the graduate program is on a term-to-term basis and is determined by the graduate committee with the advice of the faculty at the critique at the end of the term.

THE COURSES

In registering for courses in art, the course number must be preceded by the appropriate subject code prefix for credit to be properly recorded. The ASAG sequence of seminars and independent study comprises the core of the graduate curriculum. MASTER OF ARTS IN ART HISTORY

Admission and Financial Aid

Admission to the graduate program is selective. Students are expected to have had substantial undergraduate work in the history of art. A minimum of 12 credit hours of undergraduate art history above the survey level or equivalent is required before a student may begin to accumulate hours for graduate credit. Students who have been admitted without adequate undergraduate preparation will be expected to take the requisite number of undergraduate hours before or during their first term at SMU. The applicant should have a reading knowledge of one world language. Applicants must take the GRE graduate school admission test or, in the case of non-U.S. citizens who are residents outside the U.S., have a previous degree from an English-speaking university. An interview with the art history graduate adviser is desirable.

Outstanding students are awarded tuition grants and teaching/research assistantships. These awards are based on merit. Students accepting the offer of a scholarship may not decline the accompanying assistantship. In addition, the division has funds available so that graduate students may travel to conduct research on their thesis topic.

Application for admission with financial aid must be filed in full by January 10 for the fall term. A graduate application for admission and information concerning assistantships, fellowships, scholarships and degree programs are available from the Office of Graduate Admissions and Records, Meadows School of the Arts, SMU, PO Box 750356, Dallas TX 75275-0356.

Degree Requirements

This is a 36-credit hour program. Thirty credit hours are required in coursework; each course is worth three credit hours. Twenty-one of the 30 credit hours must be of seminar standing – that is, ARHS 5303 plus six additional seminars. During the first term of graduate study, a student must enroll in at least two seminar courses. The final six credits must be taken in the form of a major research paper. This thesis must be approved by a committee of three faculty members at the conclusion of the student's M.A. work. Prior to enrollment in thesis hours, all students must pass a translation exam in a language related to the field of study and their graduate colloquium, which is generally scheduled at the beginning of their third term. If a student does not pass the colloquium, he or she has the opportunity to represent the work one final time. If unable to pass the second colloquium, he or she will be dropped from the program.

Each student will consult with the department's director of graduate studies upon arrival. Subsequently, students will select a permanent adviser and committee in their fields of special interest. Courses numbered 5000 or higher are graduate courses.

DOCTOR OF PHILOSOPHY IN ART HISTORY

In 2011, the Art History Department began enrolling students in an innovative Ph.D. program rooted in the fields of art history and visual culture studies. The program builds upon the strengths of a distinguished faculty who bring a renewed emphasis on historical and new media, visual technologies, architecture and the city, race and gender, and performance and ritual. Emphasizing spatial and well as visual culture, the program extends the department's commitment to the study of technologies of visual communication, while also advancing transnational scholarship in the arts of Latin America and Iberia.

Admission

All students admitted to the program will receive full fellowship support and close mentorship within a small-program setting. Candidates are ensured professional success through a program featuring

- Small seminars and ample options for tutorial studies.
- Fellowships for all doctoral candidates for five full years.
- Medical benefits, tuition waivers and professional travel support for doctoral students.
- Close mentoring from matriculation to graduation and beyond.

To be admitted to the Ph.D. program, an applicant must have obtained a B.A. or M.A. from a four-year accredited college or university.

Degree Requirements

The Ph.D. in art history requires up to 36 hours of coursework, as well as directed readings and dissertation hours. A student must pass a departmentally administered exam to demonstrate proficiency in at least two languages relevant to his or her course of study. Further requirements include oral and written exams and a colloquium in the third year; the fourth and fifth years are devoted to dissertation research and writing.

Students who leave the Ph.D. program after completing 30 hours and who have demonstrated proficiency in one language will be allowed to take an exam in order to receive the M.A. degree. Any student who has demonstrated language proficiency and achieves a GPA of 3.000 in 24 hours of coursework during the first year of study but who does not receive the positive recommendation of the advisory committee to continue on to Ph.D. candidacy will be allowed to fulfill the requirements for the M.A. by completing a thesis within the following 12 months.

(Temporalities pre- and post-1500)

ARHS 6334 (3). THE LOOK OF FREEDOM. This course investigates the visual history of freedom. The idea of freedom as a fundamental human right became prominent in the 18th century, during the same time “vision” became an essential tool in science, the main axis of politics, and the leading sensitivity in art and aesthetics. To complicate matters, both liberty and vision emerged at a time of heightened colonialism and the expansion of empire. Students investigate the manner in which different visual media facilitated, documented, and articulated debates regarding freedom. Particular attention is given to the representation of the body, as this exercise negotiated a range of specific aesthetic, artistic, and cultural concerns regarding the social and political world: To what extent is the idea of freedom, both in historical actuality and in the cultural imagination, determined by the colonial system? What is the political history of freedom? How is freedom coded visually? What are the political limits of freedom? The course readings are organized to consider a range of theoretical and methodological approaches that show the complex history of the concept of freedom in the West. Graduate students enrolled in ARHS 6334 must fulfill additional course requirements as specified by instructor.

ARHS 6337 (3). THE BAROQUE FROM A NORTHERN PERSPECTIVE. As arts organizations today face a changing environment that presents both unprecedented opportunities and increased financial and competitive pressures, there is a need for skilled and resourceful administrators, managers and leaders in the arts. The SMU M.A./M.B.A. program in business and arts administration is designed to address this need. It is based on the philosophy that a successful career in arts management requires a thorough knowledge of contemporary business practices coupled with both a deep understanding of the arts and the ability to recognize and seize opportunities. Global exchange opportunities provide students exposure to the world's diversity of arts models, trends and challenges. Students gain an international perspective through exchange opportunities and partnerships.

MASTER OF ARTS/MASTER OF BUSINESS ADMINISTRATION DUAL DEGREE

The SMU Meadows School of the Arts, in conjunction with the Cox School of Business, offers to a limited number of highly qualified candidates the nation's only concurrent dual degree graduate program in arts management. Through the Division of Arts Management and Arts Entrepreneurship, the M.A./M.B.A. program combines development of contemporary general-management skills with in-depth study of today's professional arts world.

The program is five successive terms, including summer. The curricula include instruction from distinguished arts and business professors, continuing seminars with nationally recognized arts administrators, and study abroad and internship components. During the first year, students take arts management seminars and the core required business curriculum, the basis on which to build for the variety of elective courses scheduled during mornings, afternoons and evenings of the second year. During the summer between the first and second year, students intern full time with a professional arts organization. In the first term of the second year, students study abroad at Bocconi University in Milan, Italy. Seminars and practica (part-time internships) in the arts tailored to the individual student's background, experience and career goals round out the education. The division office also assists graduates in their career objectives through guidance and assistance with their placement.

Admission

The Admissions Committee seeks candidates who demonstrate outstanding academic achievement and potential, leadership qualities, and management potential. To assess these characteristics, the committee will look to the following elements to help identify a candidate's potential to succeed in the program: test scores (GMAT management/business graduate school admission test or GRE graduate school admission test required for all applicants; TOEFL or PTE English language proficiency test also required for international applicants), previous academic records, refer-

ences who can speak to the candidate’s professional performance and self-evaluation essays. (If a candidate has not earned a baccalaureate degree in an arts field, a degree in another field combined with significant academic, professional or personal experience in the arts is acceptable.) Personal interviews are conducted at the request of the Admissions Committee after a complete application has been received. Merit-based scholarships are available on a limited basis.

The applications for study in the M.A./M.B.A. program are accepted only for fall admission. Students must be accepted by both the Meadows arts management program and the Cox School of Business; however, candidates submit only the Cox M.B.A. online application and select M.A./M.B.A. as the degree choice. Students who matriculate into the M.A./M.B.A. dual program are required to complete concurrently both the M.A. and the M.B.A. requirements in order to graduate. Students cannot drop either part of the dual degree program nor fail to maintain a 3.000 GPA in each school independently as well as cumulatively.

Professors: Sean Griffin, Rick Worland. **Associate Professors:** Kevin Heffernan, Mark Kerins, Derek Kompare, Troy Perkins, David Sedman. **Lecturer:** Paula Goldberg. **Adjunct Lecturers:** Sally Helppie, Tearlach Hutcheson.

FACILITIES

The Division of Film and Media Arts is located in the Umphrey Lee Center, which houses faculty offices; classrooms; audio, video and film production areas; and media support areas. Computer labs with a full suite of editing, audio and graphics software are available to film and media arts majors seven days a week through ID card access. Other facilities include a recording studio, an audio mixing suite, storage and equipment checkout, a seminar room, and production classrooms. The division also has a screening classroom equipped for video projection in the Owen Arts Center.

MASTER OF ARTS IN POPULAR FILM AND MEDIA STUDIES

The M.A. in popular film and media studies prepares students for professional careers in the critical study of motion picture, television and related media industries. Through an intensive examination of aspects of popular film and media, students learn larger concepts required for professional success in the study of the sociocultural role of film, television and digital media, including advanced research methodologies, historical and aesthetic principles, and theoretical concepts. Graduates are prepared to enter Ph.D. programs in film and media studies, to plan careers teaching film/media in secondary education or to attain careers as analysts with the media industries. In addition, graduates have the knowledge to appreciate, as well as challenge and question, the creative accomplishments of film, video and digital artists around the world. The curriculum seeks to develop well-rounded, imaginative graduates who not only understand the historical development of popular media but also the requirements of the present-day media world, and who can adapt and contribute to the new forms of media scholarship and culture.

Admission and Financial Aid

To be admitted to the graduate studies program in the Division of Film and Media Arts, an applicant must have obtained a bachelor's degree from a four-year accredited college or university, must have achieved a *B* average (3.000 on a 4.000 scale) in her or his major during the last two years of undergraduate coursework, must submit recent GRE graduate school admission test scores with verbal score achievement of 450 and must have the approval of the division's graduate faculty. An applicant whose GPA or GRE score is below the required level may be admitted conditionally at the discretion of the division's graduate faculty.

Several types of financial assistance are available to help meet the needs of students admitted to the graduate studies program. In addition, guaranteed student loans and some grants may be available to students with demonstrated need.

Degree Requirements

The 30-hour program in popular film and media studies is designed to be completed during a three-term period. Within the course requirements, the program is divided into one-half required courses, one-half electives and a comprehensive exam.

At the end of every term, a committee of faculty within the division will evaluate the candidate's overall progress in the program.

These courses will not count in the degree plan, but are especially helpful in preparing students for advanced study in fields with which they may not be sufficiently familiar. Such courses must be passed with a grade of C or better.

Students desiring to enroll in the following courses for elective credit are required first to pass a basic production competency test administered by the division faculty: FILM 6301 Experimental Camera and FILM 6308 Editing.

Comprehensive Exam. Each M.A. candidate must pass a comprehensive exam that assesses a student's overall knowledge of film/media history and expertise in film/media theory. The exam will require the student to write two in-depth essays based on question topics drawn from her or his completed coursework; the essays will be evaluated by graduate faculty. If the graduate faculty judge the exam to be below acceptable standards, the student has the right to request an oral defense of her or his work, which must be scheduled and completed within one year of the exam. If the graduate faculty judge the exam to display sufficient depth and facility, the student will receive her or his degree at the end of the term.

To satisfy the graduate residency requirement, a student must complete a minimum of 21 credit hours of graduate coursework at SMU beyond the number of undergraduate hours required through coursework completed at SMU. Any coursework that overlaps for credit for both B.A./B.F.A. and M.A. degrees must be declared for dual credit before the last day to add/drop of the term in which the course is taken and must be taken at the graduate level.

Bachelor's Degree. All undergraduate degree requirements must be satisfied, with up to nine credit hours of graduate coursework applying toward satisfaction of those requirements.

Master's Degree. To receive a master's degree under the 4 + 1 program, the student must

1. Have a cumulative GPA of 3.000 in the M.A. degree coursework (including the graduate coursework applied toward the satisfaction of those requirements).
2. Satisfy all requirements for the bachelor's and master's degrees. The bachelor's degree requirements must be fulfilled prior to or at the same time as the master's degree requirements.

Concert performances are presented in Caruth Auditorium, a 490-seat concert hall; the 168-seat Robert J. O'Donnell Lecture–Recital Hall; and the Dr. Bob and Jean Smith Auditorium in the Meadows Museum. Opera productions are presented in the 392-seat Bob Hope Theatre. The Jake and Nancy Hamon Arts Library houses a collection of more than 110,000 books and scores, more than 31,000 audio and video recordings, and more than 100,000 items in special collections of research materials such as the Van Katwijk Music Collection.

Facilities available to music students include 45 newly renovated practice rooms in the Jeanne R. Johnson Practice Complex.

Student recitals and faculty and ensemble performances are digitally recorded in formats that are acceptable for auditions, competitions and archival purposes.

The Group and Individual Music Therapy Clinics, connected by an observation room, offer student therapists opportunities for clinical practicum experiences under faculty supervision.

The Division of Music maintains an inventory of 40 Steinway grand pianos, three harpsichords and eight pipe organs, including a celebrated three-manual 51-stop tracker organ built by C.B. Fisk located in Caruth Auditorium.

The Electronic Music Studio is a comfortable, multitrack, MIDI and digital audio facility featuring hardware and software on a Macintosh platform. The studio is well equipped to support algorithmic composition, interactive performance, synthesis,

sampling, sequencing, signal processing, video post scoring and digital recording with stereo, quad and 5.1-surround monitoring.

ADMISSION

Students seeking admission to the graduate programs of the Division of Music must have earned a Bachelor of Music degree (or the equivalent) from an accredited institution and must submit complete transcripts of previous college work, along with three letters of recommendation. Any student whose first language is not English must either present a minimum TOEFL paper-based score of 550 or an Internet-based score of 80.

Incoming graduate students are required to take the Graduate Music Diagnostic Examinations upon matriculation. The results of these examinations are used to identify any deficiencies in the area of music history/literature, music theory and aural skills. The results of these examinations will be used to help determine the program of study. Students found to be deficient in the areas of music history/literature, music theory and/or aural skills will be required to take appropriate review courses. Failure to pass required review courses in the first term of study will result in academic probation and a second-term continuation of review. Failure to pass the review courses during the second term will result in academic suspension from the degree program.

The standard required for admission is a cumulative minimum GPA of 3.000 (on a 4.000 scale) in all undergraduate work. Under rare circumstances, acceptance on probation may be granted to a student whose cumulative GPA is less than 3.000. In such instances, seven credit hours in approved coursework must be completed during the first term of residence and a GPA of 3.000 must be achieved. A student who does not meet these criteria will be dropped automatically from the University and may not enroll in the following term. The student may reapply after a lapse of one term.

No more than six credit hours of transfer credit may be applied to any degree program other than the Master of Sacred Music program. Such credits must have been earned in graduate-level courses and cannot have been taken in order to fulfill undergraduate degree requirements. The acceptance of transfer credits is subject to the approval of the student's adviser, the associate director for academic affairs and the chair of the department offering the comparable SMU course if it is a required course.

Applicants to the Master of Sacred Music program may apply up to nine credit hours of transfer hours of nonperformance music or theological study. Approval by the associate director for academic affairs of the Division of Music is required if such hours are in music and approval by the Perkins School of Theology Committee on Academic Procedures is necessary if such hours are in theology.

Applicants should consult the Meadows Graduate Admissions Office for material beyond the following guidelines:

- A performance audition is required in each field except music education, music composition, music theory pedagogy and music history. Applicants in these fields may elect to audition for placement in ensembles. Music history, music education, music theory pedagogy and music composition applicants are required to submit evidence of competency and creativity in the form of term papers, analyses or compositions. Music history majors are expected to

have a reading ability in at least one world language. Music education applicants are required to submit a sample term paper and video-recorded teaching examples, and to complete a personal interview with the music education faculty.

- Piano performance and pedagogy majors are strongly encouraged to audition and interview in person. In addition to a graduate performance audition, applicants to this program are required to present a live or videotaped teaching demonstration.
- Choral and instrumental conducting majors are required to submit a video recording of a recent conducting rehearsal. A video recording of a performance will be accepted if a rehearsal is not available. Video recordings should be DVD format.

Note: Information on admission to the M.S.M. program is found in the Master of Sacred Music section of this catalog.

ACT OF ENROLLMENT

When a student enrolls with the Meadows School of the Arts Division of Music for participation in a music course – whether as a music major, music minor or through elective study – by the act of enrollment and in consideration of the right to participate in such course, the student 1) acknowledges his or her willingness to accept and comply with the standards and policies set forth in the *Division of Music Handbook*, the *Graduate Supplement to the Division of Music Handbook* and all other University rules and regulations; 2) assigns to the University the exclusive right to use the proceeds from any curricular or extracurricular promotional, publicity or entertainment activities associated with the course, including but not limited to photographs, television, recordings, motion pictures, concerts and theatrical productions, and any right the student may have to receive any royalties and/or other sums that may be due to the student from such activities; 3) releases the University, its trustees, officers, agents, employees and assigns from any obligation to pay any proceeds, royalties and/or other sums that may be due to the student in connection with the course; and 4) agrees, on request of the University, to periodically execute all documents necessary to acknowledge the assignment and release set forth herein.

DEGREE REQUIREMENTS

Any required remedial work in music history/literature and/or music theory must be completed before students may enroll in graduate courses in those areas. MUHI 6335 Introduction to Graduate Studies should be taken during the first year of graduate study. Music education majors must take MUED 6340 Research in Music Education instead of MUHI 6335 Introduction to Graduate Studies. Piano pedagogy majors may take either MUED 6340 Research in Music Education or MUHI 6335 Introduction to Graduate Studies.

No electives outside of music or below the 5000 level will be counted toward the degree without prior written approval of the Meadows Academic Services Office. Such courses will be examined for their professional relevance to the student's course of study. Exceptions to this rule are world language courses.

During the first term of residency, each student must file a proposed course of study with the Meadows Academic Services Office. The proposal should be prepared in consultation with the student's adviser. It may be altered subsequently if circum-

stances warrant a change. To change a proposal, the student should make a written request, obtain the adviser's signature and submit the request to the associate director for academic affairs for approval.

All music performance majors, with the exception of guitar, piano and organ majors, are required to enroll in one large ensemble (wind ensemble, orchestra or choral ensemble) each term of residence. Wind and percussion students are required to enroll for both Meadows Symphony Orchestra and Meadows Wind Ensemble at the discretion of the directors. Exemptions may be granted by written approval of the ensemble director and the applied faculty in an area. Transfer students will not be exempted from the large ensemble requirement based on transfer credits. Exceptions for music education majors may be considered. A maximum of five credits of chamber ensembles, large ensembles and/or repertory classes will be accepted for graduate elective credit, with approval of the adviser.

Students may obtain two master's degrees by combining two major areas. This will result in a program of studies containing a minimum of 10 additional hours beyond the first degree. Master of Music students who have received the Artist Diploma or Performer's Diploma are required to complete a minimum of 20 credit hours for the Master of Music. Students who complete a Performer's Diploma or master's degree and wish to enroll in SMU's Artist Diploma program may petition to apply one year's work (10 credit hours) from the master's or Performer's Diploma to the Artist Diploma. In such cases, the Artist Diploma may be completed in one year.

No more than five credit hours in directed studies will be permitted for any degree program.

Specific courses of study leading to the Master of Music and Master of Sacred Music degrees will be determined by the results of the Graduate Music Diagnostic Examinations and the student's educational and professional objectives. Requirements for master's degrees are stated in terms of minimums.

The Division of Music requires attendance at all scheduled class meetings, lessons and ensemble rehearsals. In all instances, the instructor determines the extent to which absences affect a student's grade. Students should become thoroughly acquainted with the class attendance policy established by their teachers and ensemble directors. Instructors are not obligated to make special arrangements for the student to accommodate any absence. All reasons for absence should be submitted in advance to the instructor. Failure to do so may result in a student being dropped from a course with a grade of *WP* (before the calendar deadline to drop) or receiving a grade of *F* for the course.

GRADUATION REQUIREMENTS

All graduate degree programs require the completion of a graduate comprehensive review that may include a recital, composition, thesis, professional project and formal examination. A committee of no fewer than three faculty members will supervise and evaluate the work for this requirement. This committee must be appointed before work on the recital, composition, thesis or professional project has begun.

Specific guidelines for the preparation of a thesis or project may be obtained from the Meadows Academic Services Office. Following initial enrollment for thesis credit, graduate students are required to enroll for thesis each term until the thesis has been completed and accepted.

Required recitals must include a cross-section of the repertory in the student's major performance area. The performance of contemporary works is encouraged. Incomplete recitals require enrollment in private study during the term in which they are completed.

The policies and procedures regarding the graduate comprehensive review are outlined in the *Graduate Supplement to the Division of Music Handbook*. All graduate students are expected to have knowledge of the information presented in the *Graduate Supplement to the Division of Music Handbook* and the *Division of Music Handbook*, which are available on the Division of Music website. Students may not take their comprehensive exams before their last term of residency and all required review work has been completed successfully.

All courses attempted for credit must average a grade of *B* (3.000) or better, with no grade lower than a grade of *C* (2.000) applying toward the degree.

Candidates are required to complete all degree requirements within seven years of the initial date of matriculation.

DEGREE PROGRAMS

Graduate degree programs in music are designed to provide increased specialization in the major field beyond the baccalaureate level and, at the same time, to assure that students continue to develop the breadth of competencies required to function as well-rounded musicians. Although specific degree requirements will vary according to the major field pursued, all Master of Music degree programs include the following components in some demonstrable form: performance, research, pedagogy, music history and music theory. Detailed degree plans are presented on the following pages.

MASTER OF SACRED MUSIC

Program Director: C. Michael Hawn

Admission

Acceptance by both the Perkins School of Theology and the Division of Music is necessary for admission to the Master of Sacred Music program. The M.S.M. degree requires a concentration in one of the following seven areas: Choral Conducting, Organ, Keyboards, Composition and Arranging, Music Education, Worship Arts, or Liturgical Musicology. The first four of these are Applied, the last three Academic Concentrations. The Division of Music requires a cumulative grade point average of 3.000 on all undergraduate work and, in the case of the above Applied Concentrations, an audition or recent recording demonstrating proficiency in choral conducting, organ, or keyboard performance or submission of a composition portfolio respectively. Applicants to the Academic Concentrations must include a description of previous experience or written work that demonstrates the ability to pursue graduate work in the chosen concentration. Application detail are found at www.smu.edu/Perkins/FacultyAcademics/degrees/msm/MSMCourseofStudy.

Degree Requirements

A piano proficiency exam must be passed by the end of the student's third term. These skills and competencies may be developed through individual preparation or review courses (PERB 5107, 5108 Keyboard Skills for Choral Conductors). The review courses are remedial and do not count toward the degree nor are they funded by scholarship.

All M.S.M. students are required to take entrance exams in music history, music theory, and piano proficiency and score reading before beginning their first term of study. Students who do not pass a particular exam are required to take the following

course(s): MUTH 6000, 6100 Graduate Theory Review; MUHI 6000, 6100 Graduate Music History Review; PERB 5107, 5108 Keyboard Skills for Choral Conductors (recommended but not required).

Notes:

- For United Methodist students pursuing deacon's orders, the 12 hours in theological studies may count toward the 24-hour requirement. It may be possible to use elective hours (bullet for organ concentration, below) to satisfy more of the 24-hour requirement.
- The prerequisite for course WO 6313, XS 6310 The Church in Its Social Context, is not required for the M.S.M. degree.
- The supervised practicum includes musical/liturgical leadership in a local congregation and work with a church music mentor.
- Placement exams in music history and theory will be administered during the week before classes begin in Meadows School of the Arts.
- For the organ concentration, students are encouraged to take CM 8201 Instruction in Conducting during a fall term as a part of their nine elective hours.
- All M.S.M. students not enrolled in the organ or keyboard concentrations must pass a keyboard proficiency examination before completing the degree. Information on the exam will be sent to all incoming students in the appropriate concentrations.
- Private vocal instruction for M.S.M. students will be offered only for those who have also been accepted into the Master of Music in voice major as a concurrent

degree program or by audition with the voice faculty. Private vocal instruction for M.S.M. students is subject to the availability of voice faculty.

- Choral conducting students with prior organ degree study may substitute one credit of private organ study for PERB 6111, with the permission of the instructor.

PERFORMER'S DIPLOMA AND ARTIST DIPLOMA

Performer's Diploma. The Performer's Diploma program is a two-year program for exceptional performers who already hold a minimum of a bachelor's degree or equivalent conservatory or professional qualifications and who are preparing for a career in performance. The Performer's Diploma is available in piano, strings, voice, organ, woodwind, brass or percussion. By their performance and credentials, applicants must demonstrate that they have the potential to become professional performers and are well on the way to realizing that potential. The program provides intensive studio instruction in performance along with ensemble, chamber music and repertoire coursework related to the major. The Performer's Diploma program normally encompasses a four-term residency. Extensions are rarely granted and funding is limited to four terms. A minimum of 20 credits is required for completion of the diploma. Any student whose first language is not English must either present a minimum TOEFL paper-based score of 550 or an Internet-based score of 80, or enroll in MUAS 6020 Language Skills. Students are required to enroll in MUAS 6020 and receive a passing grade in each term of residency until they pass the TOEFL English language proficiency test. Additional information is available by request.

Artist Diploma. The Artist Diploma program is a two-year program for a small number of extraordinary performers who already hold a bachelor's degree, master's degree or equivalent conservatory or professional qualifications and who are on the threshold of a solo career in performance. By their performance and credentials, applicants must demonstrate that they are in the final stages of preparation to enter major competitions and/or to begin a professional solo career. Candidates for the Artist Diploma must possess not only great talent, but also the ability and determination to realize that talent in the contemporary musical world. Students who apply are required to present an initial DVD recording of a recital and to provide a curriculum vitae and undergo an interview. If they are admitted to the final round, applicants must perform a recital at the Meadows School of the Arts for a faculty committee that governs admission standards. Any student whose first language is not English must either present a minimum TOEFL paper-based score of 550 or an Internet-based score of 80, or enroll in MUAS 6020 Language Skills. Students are required to enroll in MUAS 6020 and receive a passing grade in each term of residency until they pass the TOEFL English language proficiency test. Additional information is available by request. Assistantships for Artist Diploma students will consist of service as an artistic ambassador of the Meadows School. As such, an Artist Diploma student may be asked to perform without additional compensation in concert for special events, for donor events and/or in competition.

GENERAL INFORMATION

The Division of Theatre offers three-year specialized professional training programs in acting and stage design leading to the Master of Fine Arts degree. The graduate training programs are committed to professionalism in attitude and practice. Only students with a serious interest in the theatre as an art – those committed to self-development and prepared to work responsibly and collaboratively in their discipline – should expect to enter and continue in graduate study.

Instructional Facilities

The Division of Theatre is part of the Meadows School of the Arts, housed in the well-equipped facilities of the Owen Arts Center. These include the Bob Hope Theatre (a 392-seat proscenium theatre), the Margo Jones Theatre (a 125-seat “black box” theatre), the Greer Garson Theatre (a 366-seat theatre with a classical thrust stage), the Ruth Collins Sharp Drama Building, and the Jake and Nancy Hamon Arts Library.

The Division of Theatre presents an annual subscription season of full-scale public productions chosen for their suitability for training, timeliness and public appeal. All theatre students are considered members of the Division of Theatre, and practical experience is considered a vital part of the theatre-training program.

Admission and Financial Aid

The Division of Theatre observes a highly selective admissions policy in its graduate programs. The acting program admits eight students in alternating years. The design program admits approximately four students each year. Prospective students in all areas are strongly encouraged to visit the campus to gain a keener appreciation of the division’s training, the environment and the University.

Acting Interview: Audition

The acting faculty auditions applicants for graduate study in acting. Applicants can choose to audition in Dallas, at the University/Resident Theatre Association’s three venues or at a number of the division’s own national sites. Appointments for on-campus auditions can be made by contacting the Meadows Student Affairs Office. On-campus auditions require the preparation of two monologues: one taken from a classical play and one from a modern or contemporary play for a total of four minutes or less. Students may sing but are not required to do so.

Stage Design Interview: Portfolio Review

The design faculty interviews applicants for graduate study in scenery, costume and lighting design. Applicants can choose to interview in Dallas, at the University/Resident Theatre Association's three venues or at a number of the division's own national sites. Appointments for on-campus interviews can be made by contacting the Division of Theatre.

MASTER OF FINE ARTS IN THEATRE

Acting

The M.F.A. acting program balances the development of the actor's unique skills with the acquisition of technique. The program seeks to train actors of integrity, capable of artistic excellence in a variety of venues. The acting studios form the program's spine. First-year studio focuses on the actor's self, identifying habitual performance behaviors and reshaping the instrument to respond more organically and efficiently to psychophysical stimuli. Second-year studio emphasizes the development of classical technique through immersion in Shakespeare and other classical authors. The third year addresses the remaining and unique needs of each class and augments students' skills with classes in professional development. Comprehensive training in movement, voice, speech and textual analysis augments and enriches every term of the studio process.

Third-year students participate in showcase in New York. Additional professional outreach is provided by annual professional auditions, in which casting directors, agents and artistic directors from regional and summer theatres audition students in the graduate program. Internships, both formal and informal, with professional theatres in Dallas provide students with significant opportunities for professional growth.

Stage Design

The M.F.A. stage design program is committed to the philosophy of supporting the development of artists who will passionately embrace the interpretation of words into visual imagery. The program emphasizes the process of artistic collaboration, especially with directors; the pursuit of artistic skills, including drawing, painting and drafting, necessary for communication; the development of critical thought and the ability to articulate ideas; and the acquisition of professional standards that prepare the student for a meaningful and productive life in the theatre.

Training in design is based on a balance of classroom work and fully realized productions. The first year of study includes extensive classroom projects and the development of foundational artistic and collaborative skills, culminating in the design of the playwrights' New Visions, New Voices festival. All students acquire comprehensive skills in scenery, costume and lighting design. The second year will focus on the student as a theatre designer, drawing upon prestigious programs of excellence in the Meadows School of the Arts and including designing in the Theatre Division season. During the third and master year, the student prepares for the professional world with opportunities to exercise collaborative, artistic and management skills not only in the Theatre Division, but also at professional venues that include, but are not limited to, the Dallas Theater Center and the Shakespeare Festival of Dallas.

Degree Requirements

Residency

The Theatre Division normally expects graduate students to be in residence for six terms during the regular academic year. Since the program of study includes both classroom and production activities, graduate students must obtain permission through the division chair before engaging in any other study, production work or outside employment. The M.F.A. degree requires a minimum of 66 credit hours.

Graduate Review

At the end of each term, the faculty of the division evaluates the development of each graduate student. All aspects of the student's work come under scrutiny. The heads of the respective programs oversee and coordinate the review process, collating faculty evaluations into a review document.

The review process culminates in an assessment of the student's overall progress toward degree completion. Students who receive unsatisfactory reviews will be placed on probation. Failure to address the concerns raised in the review within the following term will result in the probationary student's dismissal from the program.

At the end of the first year, a faculty evaluation of the progress and potentiality of each student determines whether that student should continue into the second year.

Conferral of Degree

The faculty reserves the privilege of recommending candidates for the M.F.A. degree only when it has been satisfied that students have demonstrated unquestionable professional competencies in the area of study.

Professor: Ira Greenberg

The M.S.D.S. degree is an interdisciplinary program that combines courses from SMU's Dedman College, Lyle School of Engineering and Meadows School of the Arts. The program is delivered online to provide access to working professionals and students located around the world. The program gives students who are prospective data scientists an enriched background in computer science, statistics, strategic behavior and data visualization. Graduates will be able to form relevant questions, collect and analyze appropriate data, and make informed decisions regarding the question of interest. Course instruction includes oral and written communication skills and the basics of database structure, including building, maintaining and securing databases. The website (www.datascience.smu.edu) has additional information, and the academic calendar is at www.smu.edu/registrar ("Academic Calendars and Course Catalogs" link).

Admission Requirements

Applicants to the M.S.D.S. program must hold a bachelor's degree in statistics, applied mathematics, computer science, engineering or other quantitative discipline. An application fee is required. Additional requirements are as follows:

FINANCIAL INFORMATION

TUITION, FEES AND LIVING EXPENSES

A catalog supplement, the *Financial Information Bulletin*, is issued each academic year. It provides the general authority and reference for SMU financial regulations and obligations, as well as detailed information concerning tuition, fees and living expenses. The supplement can be accessed at www.smu.edu/bursar (“Policies and Forms” link).

Continuing students registering must ensure that payment for the full amount of charges is posted to their account by the payment due date showing on their bill. The due dates are also published on the Bursar website.

Billing notifications are sent to the student’s SMU email address and to the designated authorized payer(s) email address when a bill is generated. The billing notification will provide instructions on how to view the bill online through SMUpay. If notification is not received two weeks prior to the due date, the student and/or designated authorized payer(s) should contact the Office of the University Bursar.

Payments made in person or mailed must be received by the Office of the University Bursar, located on the first floor of the Laura Lee Blanton Student Services Building, no later than 4 p.m. on the payment due date. Payments made online via electronic check or credit card must be posted no later than 11:59 p.m. Central Standard Time on the payment due date. Students and/or those paying on behalf of students who pay online automatically receive an electronic confirmation of payment; students and/or designated authorized payer(s) paying through other methods can also verify receipt of payment online.

Students enrolling after the payment due date must pay at the time of enrollment. Students whose accounts are not cleared by the payment due date or at the time of enrollment are subject to a late payment fee of \$50 for balances between \$250 and \$999.99, and \$150 for balances between \$1,000 and \$5,000. Balances more than \$5,000 are charged 3 percent of the outstanding balance, not to exceed \$750. Also, after the monthly payment due date has passed, a 1.5 percent past due fee will be assessed on the unpaid student and/or miscellaneous account each month until the balance is paid. The enrollment of students whose accounts remain unpaid after the payment due date may be canceled at the discretion of the University. Students are individually responsible for their financial obligations to the University.

All refunds except federal parent PLUS loans, prepayment accounts, the SMU Monthly TuitionPay Payment Plan and international wires will be made payable to the student. A credit card payment will only be refunded to the student if federal student loans have been applied to their account. International wires will be refunded by wire to the originating wire account less a \$35 wire-processing fee. The PLUS loan borrower can request the refund to be processed to the student by submitting a Parent PLUS Release form, located on the Bursar website. If the refund is issued by check, the student may request, in writing, that the refund be sent to another party.

Any outstanding debts to the University will be deducted from the credit balance prior to issuing a refund. Any outstanding debts to the University that include Title IV funds must have an Authorization to Credit Account form and/or an Authorization to Credit Account Parent form on file in order to transfer funds to cover current award year debts. Students need to sign the ACA form and the federal parent PLUS loan borrower needs to sign the ACAP form.

Any outstanding debts to the University that do not include Title IV funds will be deducted from the credit balance prior to issuing a refund. All other debts should be paid directly by the student.

A student whose University account is overdue or who in any other manner has an unpaid financial obligation to the University will be denied the recording and certification services of the Office of the Registrar, including the issuance of a transcript or diploma, and may be denied readmission until all obligations are fulfilled. The Division of Enrollment Services may stop the registration, or may cancel the completed registration, of a student who has a delinquent account or debt, and may assess all attorney's fees and other reasonable collection costs (up to 50 percent) and charges necessary for the collection of any amount not paid when due. Matriculation in the University constitutes an agreement by the student to comply with all University rules, regulations and policies.

Arrangements for financial assistance from SMU must be made in advance of registration and in accordance with the application schedule of the Division of Enrollment Services, Financial Aid. A student should not expect such assistance to settle delinquent accounts.

During the registration process, students will be prompted to read and agree to the Student Rights and Responsibilities, which provides information regarding financial rights and obligations, SMU's Honor Code, the Code of Conduct, and the student appeals and complaints process.

Students who elect to register for courses outside of their school of record will pay the tuition rate of their school of record.

REFUNDS FOR WITHDRAWAL FROM THE UNIVERSITY

Note: No refunds are made without an official withdrawal. Policies for official withdrawal, including medical and mandatory administrative withdrawal, are found under Withdrawal From the University in the Academic Records and General and Enrollment Standards section of this catalog.

Reduction of tuition and fees is determined by the effective date of the withdrawal and is based on the schedule listed in the *Financial Information Bulletin*, which can be accessed online at www.smu.edu/bursar ("Policies and Forms" link).

Note: For students receiving financial aid (scholarships, grants or loans), when the withdrawal date qualifies for reduction of tuition and fees charges, the refund typically will be used to repay the student aid programs first and go to the student/family last. Further, government regulations may require that SMU return aid funds whether or not the University must reduce its tuition and fees (based on the *Financial Information Bulletin*); hence, a student whose account was paid in full prior to withdrawal may owe a significant amount at withdrawal due to the required return of student aid. Therefore, students who receive any financial aid should discuss, prior to withdrawal, the financial implications of the withdrawal with the Financial Aid Advising Office.

Medical withdrawals and mandatory administrative withdrawals allow a prorated refund of tuition and fees.

PAYMENT PLAN OPTIONS

SMU Monthly Payment Plan

The SMU TuitionPay Payment Plan administered by Higher One allows term charges to be paid in monthly installments. Students can enroll in a payment plan at www.tuitionpaymentplan.com/smu. Higher One consultants are available at 877-279-6092 to answer questions or help with the online enrollment process.

Annual payment plans are available in 12-month, 10-month and eight-month formats. Term payment plans are available in four-month, five-month and six-month formats. The summer payment plan is three months. Payment plan options are not available for intersession terms including JanTerm, MayTerm and August terms.

SMU Prepayment Plan

The SMU Prepayment Plan (a single payment up front for all terms) allows families to avoid the effects of tuition and fee increases by paying for two, three or four years in one single payment at the current rate of tuition and fees. Questions should be addressed to the Division of Enrollment Services, Southern Methodist University, PO Box 750181, Dallas TX 75275-0181; phone 214-768-2799.

GRADUATE AND PROFESSIONAL STUDENT AID

University grants, scholarships, fellowships and assistantships are awarded in the school or department in which the graduate student will enroll. Schools and departments that offer master's or Ph.D. degrees offer a significant number of tuition scholarships and teaching or research assistantships each year. For more information, students should contact the appropriate school or department.

Grants and loans for Texas residents, private and federal loans, and employment programs may be available by filing the Free Application for Federal Student Aid. The FAFSA may be completed online at www.fafsa.gov. The SMU Title IV school code number is 003613.

More information is available online at www.smu.edu/financial_aid.

MEADOWS GRADUATE PROGRAMS STUDENT FINANCIAL AID

Tuition scholarships and graduate assistantships are available in limited quantity. *No student with ability should hesitate to apply to Southern Methodist University and Meadows School because of financial need.* Information concerning these awards may be obtained by contacting Pam Henderson, pghender@smu.edu, Office of Scholarships, 214-768-3314, Meadows School of the Arts, PO Box 750356, Southern Methodist University, Dallas TX 75275-0356. All candidates for graduate awards are required to file the Free Application for Federal Student Aid. The FAFSA application may be completed online at www.fafsa.ed.gov. (International students on the F1 visa are exempt from this requirement.) For primary consideration, graduate applicants should file by March 1. In addition to awards offered through Meadows School of the Arts, student loans and grants for Texas residents may be available to students who meet the financial need requirements. To obtain additional information on need-based aid, students should contact Division of Enrollment Services, Southern Methodist University, PO Box 750181, Dallas TX 75275-0181, phone 214-768-3417, email Enrol_Serv@smu.edu.

RESIDENCE ACCOMMODATIONS

The University prides itself on offering a full living and learning experience for its resident students. The mission of the Department of Residence Life and Student Housing is to advance the goals and objectives of the University by creating residential communities that empower residents to value learning, citizenship and leadership. To this end, RLSH seeks opportunities to promote an intellectual culture in SMU's residential communities that complements an already flourishing campus social culture. RLSH is responsible for residence halls, 11 Residential Commons and 10 SMU-owned Greek chapter houses. This responsibility includes making sure that facilities are well maintained and that students have opportunities to grow personally and excel academically.

HOUSING POLICY FOR ALL STUDENTS

All incoming first-year undergraduate students are required to live on campus during their first two years at SMU. Exceptions may be granted on the basis of a financial, medical or personal hardship at the discretion of the dean of RLSH to those students from Dallas/Fort Worth who live with a parent or legal guardian in the primary residence of the parent or guardian. For housing purposes, the *two years* means the first two years of college. Incoming transfer students who are over the age of 16 and under the age of 20 are required to live on-campus for their first year at SMU. For 2016–2017, upperclass and graduate students are not required to live on campus but may apply on a space-available basis.

Applications for Residence

New graduate students should submit the completed application and housing license agreement to RLSH with a check or money order for \$100 made payable to Southern Methodist University for the nonrefundable housing deposit. Notification of assignment will be made by RLSH. The housing license agreement is for the full academic year (fall and spring terms). Room charges for the fall term will be billed and are payable in advance of the term for students who register before August 1, and room charges for the spring term will be billed and are payable in advance of that term for students who register before December 1. Students who register after these dates must pay at the time of registration. Room charges for the full academic year will be due and payable should a student move out at any time during the school year. Accommodations for shorter periods are available only by special arrangement with RLSH before acceptance of the housing license agreement. It is important that applicants become familiar with the license agreement, as it is a legally binding document.

Graduate Residence Accommodations

The Department of Residence Life and Student Housing operates one apartment residence hall designated for graduate students. Hawk Hall, a one-bedroom-apartment facility, houses single graduate students and married students (graduate and undergraduate) with families. Families with no more than two children may be housed in Hawk Hall.

Special Housing Needs

Students having special housing needs because of a disability should contact the SMU Office of Disability Accommodations and Success Strategies in order to establish eligibility for accommodations. When applying for housing, students should also submit information to RLSH regarding a request for accommodations. DASS and RLSH will work together with the student on their specific situation to make necessary accommodations.

General Housing Information

Each apartment is equipped with a telephone, local telephone service, voice mail system and wireless Ethernet connections to the University's computer system. All residence halls are air-conditioned and some have individually climate-controlled rooms. Washing machines and dryers are located in all residence halls. Meal plans are not required in the graduate hall. For more information, students should visit www.smu.edu/housing or contact the Department of Residence Life and Student Housing, Southern Methodist University, PO Box 750215, Dallas TX 75275-0215; phone 214-768-2407; fax 214-768-4005; housing@smu.edu.

ACADEMIC RECORDS AND GENERAL AND ENROLLMENT STANDARDS

The standards herein are applicable to all students at the University and constitute the basic authority and reference for matters pertaining to University academic regulations and records management. Enrollment in the University is a declaration of acceptance of all University rules and regulations. A complete *University Policy Manual* is available at www.smu.edu/policy. Additional information regarding rules and regulations of the University can be found in this catalog. Undergraduate students must follow the University-wide requirements that are in effect for the academic year of matriculation to SMU. The applicable requirements of majors and minors are those in effect during the academic year of matriculation to SMU or those of a subsequent academic year. Students may not follow a catalog for an academic year in effect prior to their matriculation term. Students who are not enrolled for three or more years will return to SMU under the current catalog.

GENERAL POLICIES

Confidentiality of Education Records

The Family Educational Rights and Privacy Act of 1974 is a federal law that grants students the right to inspect, obtain copies of, challenge, and, to a degree, control the release of information contained in their education records. The act and regulations are very lengthy, and for that reason, SMU has issued its own FERPA-based guidelines that are available at the University Registrar's Office FERPA website www.smu.edu/FERPA. Policy 1.18 of the *University Policy Manual* also discusses this law.

In general, no personally identifiable information from a student's education record will be disclosed to any third party without written consent from the student. Several exceptions exist, including these selected examples: 1) information defined by SMU as directory information may be released unless the student requests through my.SMU Self-Service that it be withheld, 2) information authorized by the student through my.SMU Self-Service may be released to those individuals designated by the student and 3) information may be released to a parent or guardian if the student is declared financially dependent upon the parent or guardian as set forth in the Internal Revenue Code. Additional information is available at www.smu.edu/LegalDisclosures/FERPA.

Student File Number

The University assigns each student an eight-digit SMU identification number, which is used to verify each student's identity and is provided without additional charges. The student should furnish the SMU ID number on all forms when requested, as this number is the primary means the University has to verify the identity for each student's academic records and transactions related to the records.

Name Change

A student who has a change in name must provide to the University Registrar's Office his or her Social Security card or the form issued by the Social Security Administration. A valid passport may also be used to complete a name change. Enrollment or records services for the student under a name different from the last

enrollment cannot be accomplished without one of the above documents. All grade reports, transcripts and diplomas are issued only under a person's legal name as recorded by the University Registrar's Office.

Email and Mailing Addresses, Telephone, and Emergency Contact

Each student must provide the University Registrar's Office with a current home address, telephone number and local mailing address as well as the name, address and telephone number of a designated emergency contact. Students enrolling at SMU authorize the University to notify their emergency contacts in the event of a situation affecting their health, safety, or physical or mental well-being, and to provide these contacts with information related to the situation.

Students are expected to keep current all their addresses and telephone numbers, including emergency contact details, through my.SMU, the University's Web-based self-service system. Students may be prevented from enrolling if their information is insufficient or outdated. Changes to parent information should be reported by contacting records@smu.edu, and the email should include the student's full name and SMU student ID number.

The University issues all students an email address. Students may have other email addresses, but the University-assigned email address is the official address for University electronic correspondence, including related communications with faculty members and academic units.

Official University correspondence may be sent to students' mailing addresses or SMU email addresses on file. It is the responsibility of students to keep all their addresses current and to regularly check communications sent to them since they are responsible for complying with requests, deadlines and other requirements sent to any of their mailing addresses on file or to their SMU email.

Cell Phones

The University requests that students provide cellular telephone numbers, as they are one means of communicating with students during an emergency. Cellular telephone numbers may also be used by University officials conducting routine business. Students who do not have cellular telephones or do not wish to report the numbers should provide this information to the University through my.SMU Self-Service. Students may be prevented from enrolling if their cellular telephone numbers are not on file or if they have not declared "no cell" or "prefer not to report" in my.SMU.

Ethnicity

SMU requires that a valid ethnic group category be on file for all students. SMU's policies and the Family Educational Rights and Privacy Act of 1974 protect the confidentiality and privacy of this information. A student's ethnic group category can be viewed in my.SMU, Self-Service Student Center.

U.S. Citizens or Permanent Residents. Ethnicity is self-determined. Students of multiple ethnic backgrounds may select multiple ethnic group categories. If the ethnic group value is incorrect, the student should go to the University Registrar's Office in the Laura Lee Blanton Student Services Building and complete an Ethnic/Racial Category Update Form.

International Students Living in the U.S. While Attending School. Selecting an ethnic group category is not required unless the student becomes a U.S. citizen or permanent resident.

Transcript Service

A transcript is an official document of the permanent academic record maintained by the University Registrar's Office. The permanent academic record includes all SMU courses attempted, all grades assigned, degrees received and a summary of transfer hours accepted. Official transcripts and certifications of student academic records are issued by the University Registrar's Office for all students. Copies of high school records and transfer transcripts from other schools must be requested from the institutions where the coursework was taken.

Transcripts are \$12.25 per copy. Additional copies in the same request mailed to the same address are \$3.50. Additional copies mailed to different addresses are \$12.25 a copy. PDF transcripts are \$16.00 per email address and are available only for students who attended after summer 1996.

Note: No incomplete or partial transcripts, including only certain courses or grades, are issued.

Transcripts cannot be released unless the student has satisfied all financial and other obligations to the University. Instructions for requesting a transcript to be mailed or picked up on campus are available at www.smu.edu/registrar ("Transcript Requests" link). A student may request his or her official transcript through the online my.SMU Student Center. Requests are processed through the National Student Clearinghouse. Telephone and email requests are not accepted. Students or their specified third party can pick up their transcripts at the University Registrar's Office, 101 Blanton Student Services Building.

Transcripts may be released to a third party as specified by the student on the Student's Consent for SMU to Release Information to Student's Specified Third Party form accessible at www.smu.edu/LegalDisclosures/FERPA/Forms.

Note: Chapter 675, S.B. 302. Acts of the 61st Texas Legislature, 1969 Regular Session, provides as follows: *Section I.* No person may buy, sell, create, duplicate, alter, give or obtain; or attempt to buy, sell, create, duplicate, alter, give or obtain a diploma, certificate, academic record, certificate of enrollment or other instrument which purports to signify merit or achievement conferred by an institution of education in this state with the intent to use fraudulently such document or to allow the fraudulent use of such document. *Section II.* A person who violates this act or who aids another in violating this act is guilty of a misdemeanor and upon conviction is punishable by a fine of not more than \$1,000 and/or confinement in the county jail for a period not to exceed one year.

Veterans

The University Registrar's Office certifies veterans each term for their benefits under federal programs, including the Yellow Ribbon Program. Most academic programs at SMU qualify for U.S. Department of Veterans Affairs benefits, making an SMU education accessible and affordable. Veterans are required to provide specific documents before they can be certified with the VA's Veterans Benefits Administration. Specific information regarding the certification process is available from the University Registrar's Office at www.smu.edu/registrar ("Veterans Affairs" link).

Final Examinations

Final course examinations shall be given in all courses where they are appropriate, must be administered as specified on the official examination schedule and shall not be administered during the last week of classes. Exceptions to the examination schedule may be made only upon written recommendation of the chair of the department sponsoring the course and with the concurrence of the dean of that school, who will allow exceptions only in accordance with guidelines from the Office of the Provost.

Complaint Procedures for Students With Disabilities

The complaint procedures for students with disabilities are available in the Disability Accommodations & Success Strategies office and online at www.smu.edu/Provost/ALEC/DASS.

Credit Hour Loads

The unit of measure for the valuation of courses is the credit hour. Based upon the federal definition of a credit hour, each credit hour requires one hour of direct faculty instruction and a minimum of two hours of preparation on the part of students per week for approximately 15 weeks a semester. Most courses are valued for three credit hours, i.e., three contact hours per week and at least six hours of preparation. For three credit hour courses deployed via different course types, modes of delivery, or calendars, total number of direct contact hours should be equal to or greater than 45 hours with the total of out of class work total equal to or greater than 90 hours. Courses that deviate from this standard must provide documentation illustrating how the number of contact hours and/or work outside the course equate to this standard within the term in which the course is offered.

Enrollment for nine hours of coursework per term is recognized as a full load for students engaged in graduate studies. Individuals who enroll for fewer than these minimum hours are designated as part-time students.

A graduate student

- working on the completion of a thesis, dissertation or performance recital requirement on a full-time or part-time basis;
- enrolled in an internship or co-op program;
- enrolled as a third-year theatre major working on the completion of required production projects;
- or having an instructor appointment as part of a teaching fellowship, but not enrolled for the required number of hours;

may be certified as a full-time or part-time student if the student

- is enrolled officially for at least one course and
- is recognized by his or her director or academic dean or the dean for the Office of Research and Graduate Studies as working on the completion of the thesis, dissertation or internship requirement on a full-time or part-time basis.

In other special situations, a student not enrolled for the required number of hours may be certified as a full-time or part-time student if the student is officially enrolled for at least one course and is recognized by the academic dean or director as a full-time or part-time student, and if such recognition is approved by the provost.

Cautionary Note: Federal financial aid agencies and some other agencies require a minimum number of hours of enrollment for full-time status and do not make exceptions for internship, co-op or student-teaching enrollments. Students on financial aid should consult a Financial Aid Office adviser regarding minimum enrollment requirements for their situation.

Minimum and Maximum Course Loads. Minimum and maximum course loads allowed are based on the school of record.

Stop Enrollment/Administrative Withdrawal

Insufficient or improper information given by the student on any admission or enrollment form – or academic deficiencies, disciplinary actions and financial obligations to the University – can constitute cause for the student to be determined ineligible to enroll or to be administratively withdrawn.

Transfer Courses From Other Institutions

Policies for transfer credit are found under Transfer Credit in the Admission section of this catalog.

ENROLLMENT POLICIES

Course Scheduling and Enrollment Cycles

When students enter their school of record and into a specific degree program, they are assigned an academic adviser. Students should consult with the adviser for course scheduling, schedule changes, petitions, degree requirements and other such academic concerns. Advisers normally will have established office hours. The school's records office monitors progress and maintains official degree plans for all students in a school. Students should schedule conferences with their academic advisers and the school's records office upon admission to a school and prior to their final term to ensure that they are meeting all University and graduation requirements.

Each fall, spring and summer term has an enrollment period during which the formal process of enrollment in the University is completed. Prior to each enrollment period, the University Registrar's Office will publish enrollment instructions.

Each student is personally responsible for complying with enrollment procedures and for ensuring the accuracy of his or her enrollment. Students are expected to confirm the accuracy of their enrollment each term. Students who discover a discrepancy in their enrollment records after the close of enrollment for the term should immediately complete an Enrollment Discrepancy Petition. Petitions are to be submitted to the appropriate records office within six months of the term in which the discrepancy appeared; contact information for submission of an Enrollment Discrepancy Petition can be viewed on the University Registrar's Office website at www.smu.edu/EnrollmentDiscrepancy. Petitions submitted later than six months after the discrepancy may not be considered.

Schedule Changes

The deadline for adding courses, dropping courses without grade record and changing sections for each enrollment period is listed on the Official University Calendar (www.smu.edu/registrar). Students are encouraged to seek assistance from their advisers when considering whether to add or drop a course. A student may drop a course with a grade of *W* (Withdrawn) through approximately midterm by using the

my.SMU Self-Service Student Center. The specific deadline is listed on the Official University Calendar.

After the deadline date on the Official University Calendar, the student may not drop a class. All schedule changes must be processed by the deadline date specified on the Official University Calendar. **Note:** Schedule changes are not complete for official University record purposes unless finalized in the University Registrar's Office.

Student-Athletes. Students must consult with the Athletic Compliance Office prior to dropping a course. In the consultation, the student will review the effects the drop might have on his or her athletic participation and financial aid. After the consultation, the Athletic Compliance Office will update my.SMU to allow the student to process the drop, if necessary. The consultation is advisory; students are responsible for their enrollment. For assistance regarding scholarships or other aspects of being a student-athlete, students should contact the Office of the Assistant Athletic Director for Student-Athlete Development.

International Students. Students must consult with the International Student & Scholar Services office prior to dropping a course. If dropping a course will cause the student to be enrolled in fewer than the required number of hours to remain a full-time student, the student's immigration status could be affected. After the consultation, the International Student & Scholar Services office will update my.SMU to allow the student to process the drop, if necessary. The consultation is advisory; students are responsible for their enrollment.

Students on Merit or Need-based Financial Aid. Students should consult with their financial aid adviser prior to dropping a course. If dropping a course will cause the student to be enrolled in fewer than the required number of hours to remain a full-time student, the student's financial aid status may be affected. After the consultation, the student may drop a course through my.SMU Self-Service. The consultation is advisory; students are responsible for their enrollment. Questions regarding this procedure or financial aid should be directed to the Office of the Associate Financial Aid Director.

Withdrawal From the University

Policies on refunds for withdrawal from the University are found in the Financial Information section of this catalog and in the *Financial Information Bulletin*, which can be accessed online at www.smu.edu/bursar ("Policies and Forms" link). Online/distance students who reside outside of Texas should visit the SMU Right to Know Web page to learn about state-specific refund policies. No refunds are made without an official withdrawal.

Students should be aware of the difference between a *drop* and a *withdrawal* and remember that they have different deadlines and separate financial policies. The deadlines for each are posted each term on the Official University Calendar at www.smu.edu/registrar. A *drop* occurs when a student removes one or more courses from his or her schedule and remains enrolled in at least one credit hour for the term. A *withdrawal* occurs when removing the course or courses will result in the student being enrolled in **zero** hours for the term.

If a student removes all courses from his or her schedule **prior to the first day of the term**, the transaction is considered a *cancellation* and does not result in financial penalty or impact the student's transcript.

A student who wishes to withdraw (resign) from the University before the end of a term or session must initiate a Student Petition for Withdrawal form and secure approval from his/her school's records office. The records office will then submit the form to the Office of the University Registrar. The effective date of the withdrawal is the date on which the Student Petition for Withdrawal is processed in the University Registrar's Office. Discontinuance of class attendance or notification to the instructors of intention to withdraw does not constitute an official withdrawal.

The enrollment of students who withdraw on or before the fifth day of regular classes as listed on the Official University Calendar will be canceled. Courses and grades are not recorded for canceled enrollments; however, the student will owe a portion of his/her tuition and fees. Additional information is available in the *Financial Information Bulletin*, which can be accessed online at www.smu.edu/bursar ("Policies and Forms" link). A student who withdraws after the fifth class day will receive the grade of *W* in each course in which he or she enrolled.

Medical withdrawals and mandatory administrative withdrawals allow a prorated refund of tuition and fees and have conditions that must be met prior to re-enrollment at SMU. Medical withdrawals can only be authorized by a licensed physician or psychologist counselor in the SMU Memorial Health Center. Mandatory administrative withdrawals can be authorized only by the vice president for student affairs. As a matter of University policy, and in compliance with federal regulations, retroactive medical withdrawals cannot be granted. The last day for a medical withdrawal is the last day of class instruction for the term from which the student is withdrawing.

Withdrawing students living in SMU housing must check out of the residence halls with the Department of Residence Life and Student Housing per established procedures.

Audit Enrollment (Course Visitor)

Individuals desiring to audit (visit) a class, including those concurrently enrolled for regular coursework, are required to process an Audit Permit form. Audit Permit forms must be completed, approved and received in the University Registrar's Office no later than the last day to enroll for the term. Forms are available at www.smu.edu/registrar ("Forms Library" link). Space must be available in the class. The following regulations are applicable:

1. Classroom recitation and participation are restricted; availability of course handouts, tests and other materials is restricted; no grade is assigned and no credit is recorded; no laboratory privileges are included.
2. The individual's name does not appear on class rosters or grade rosters.
3. Regular admission and enrollment procedures are not conducted for auditors.
4. The audit fee is nonrefundable.
5. If credit is desired, the course must be enrolled for and repeated as a regular course, and the regular tuition must be paid.

No-Credit Enrollment

Enrollment for no credit is accomplished in the conventional manner of enrollment, with regular admission and enrollment procedures being required. The student pays the regular tuition and fees, participates in class activities, and receives the grade of *NC* upon completion of the coursework. The student must indicate in writing no

later than the 12th day of classes (the fourth day of classes in summer sessions; the second day of classes in intersession terms) that he or she wishes to take a course for no credit. Permission of the instructor or department is required for this type of enrollment, and the student is listed on class rolls. This enrollment is different from audit enrollments, for which no enrollment or grade is recorded.

Class Attendance

Regular class attendance is required. The instructor of each class announces at the beginning of the course policies regarding the effect of class attendance on the student's standing in the course. These policies may include dropping a student from the course for nonattendance after a certain number of absences. All reasons for absence should be submitted at once to the instructor.

The satisfactory explanation of absence may release a student from disciplinary action but does not relieve a student from responsibility for the work of the course during his or her absence. A student who misses an announced test, examination or laboratory period in a regular course of study and has the permission of the instructor may be given an opportunity to make up the work at the instructor's convenience. The instructor determines in all instances the extent to which absences and tardiness affect each student's grade.

Students may be dropped by a course instructor or academic dean for nonattendance or tardiness with a grade of *W* until the calendar deadline to drop. After the deadline, students must remain enrolled in the course.

Students may also be dropped by a course instructor for inappropriate classroom behavior. The instructor must submit the request by the University deadline to drop. After the deadline, the student must remain enrolled in the class and receive a final grade of *F*.

Absence Due to Illness

SMU's Memorial Health Center does not provide documentation for granting excused absences from class. If students are absent for illness, they should talk to their professors about how they might catch up with the material missed. If students are seriously ill and require hospitalization or an extended absence, students should talk to their professors and the Office of Student Life to decide how to deal with the interruption in their studies

Interpretation of Course Numbers

Each SMU course has a four-digit course number. The first number indicates the general level of the course.

| | |
|-----------|--------------------|
| 1000–1999 | First-year |
| 2000–2999 | Sophomore |
| 3000–3999 | Junior |
| 4000–4999 | Senior |
| 5000–5999 | Senior or Graduate |
| 6000–9999 | Graduate |

The second digit specifies the number of credit hours; exceptions are noted below.

| <i>Digit</i> | <i>Credit Hours</i> |
|--------------|---------------------|
| 0 | 0, .5 or 10–15 |
| 1 | 1 or 1.5 |

The third and fourth digits are used to make the course number unique within the department.

GRADE POLICIES

A student's grades are available to him or her through my.SMU Student Center.

Grade Scale

The grade of a student in any course is determined by the instructor of the course. The following grades are authorized for recording on the student's official graduate academic record maintained by the University Registrar's Office.

| <i>Grades</i> | <i>Description</i> | <i>Grade Points per Term Hour</i> |
|---------------|---|-----------------------------------|
| A | Excellent Scholarship | 4.000 |
| A- | Excellent Scholarship | 3.700 |
| B+ | Good Scholarship | 3.300 |
| B | Good Scholarship | 3.000 |
| B- | Good Scholarship | 2.700 |
| C+ | Fair Scholarship | 2.300 |
| C | Fair Scholarship | 2.000 |
| C- | Fair Scholarship | 1.700 |
| D+ | Poor Scholarship | 1.300 |
| D | Poor Scholarship | 1.000 |
| D- | Poor Scholarship | 0.700 |
| F | Fail | 0.000 |
| P, CR | Pass, Credit | * |
| I | Incomplete | * |
| NC | No Credit Received | * |
| X | No Grade Received in Registrar's Office | * |
| WP/W | Withdrawal Passing/Withdraw | * |

Note: Asterisks denote grades not included in a student's GPA.

Grade of F, D or W

Failing is graded *F*. If the student's work is incomplete, poor quality and not acceptable, a grade of *F* will be given. After such a grade, credit may be obtained only by repeating the course.

The grade of *D* represents performance below average expectations. Students receiving a *D* in a course that is a prerequisite to another course should consult with their advisers about repeating the course so that they will be adequately prepared for work in the following course. Courses passed with a grade of *D*, *D-* or *D+* will generally not count toward major or minor requirements.

The grade of *W* cannot be recorded unless completion of the official drop or withdrawal process has occurred by the applicable deadline *during the term of enrollment*. Only the grade of *W* may be recorded if the student has officially dropped courses from the schedule or withdrawn (resigned) from the University for the term. The grade of *W* may not be revoked or changed to another grade because the act of officially dropping/withdrawing is irrevocable.

Grade of Incomplete

A student may temporarily receive a grade of Incomplete (*I*) if a substantial portion of the course requirements have been completed with passing grades, but for some justifiable reason acceptable to the instructor, the student has been unable to complete the full requirements of the course.

The grade of *I* is normally changed to a final grade within one year but no later than the time of graduation.

At the time a grade of *I* is given, the instructor must stipulate in my.SMU the requirements and completion date that are to be met and the final grade that will be given if the requirements are not met by the completion date.

The maximum period of time allowed to clear the Incomplete is 12 months. If the Incomplete grade is not cleared by the date set by the instructor or by the end of the 12-month deadline, the grade of *I* will be changed to the grade provided by the instructor at the time the Incomplete was assigned or to a grade of *F* if no alternate grade was provided.

The grade of *I* is not given in lieu of a grade of *F* or *W*, or other grade, each of which is prescribed for other specific circumstances.

The grade of *I* in a course does not authorize a student to attend or enroll in the course during a later term. Graduation candidates must clear all Incompletes prior to the deadline on the Official University Calendar. Failure to do so can result in removal from the degree candidacy list and/or conversion of the grade of *I* to the grade indicated by the instructor at the time the grade of *I* was given.

Grade Point Average

A student's grade point average (cumulative GPA) is computed by multiplying the credit hours of each course attempted by the grade points earned in the particular course and then dividing the total number of grade points by the total number of hours attempted, excluding those hours for which grades are shown with an asterisk on the grade chart. The GPA is truncated, not rounded, at three decimal places.

Grade Changes

Changes of grades, including change of the grade of *I*, are initiated by the course instructor and authorized by the academic chair and by the academic dean of the school in which the course was offered. If a student requests a grade change, the instructor may ask the student to provide the request as a written petition, which may become an official part of any further process at the instructor's discretion. Changes of grades may be made only for the following authorized reasons: to clear a grade of *I*, to correct a processing error or to reflect a re-evaluation of the student's original work. A change of grade will not be based on additional work options beyond those originally made available to the entire class.

Changes of grades of *I* should be processed within a calendar year of the original grade assignment unless the grade is for thesis work. Other changes of grades must be processed by the end of the next regular term. No grade will be changed after 12 months or after a student's graduation, except in cases where a grade is successfully appealed – provided that written notice of appeal is given within six months following graduation – and in extenuating circumstances authorized by the academic dean and approved by the University Registrar's Office.

Grades for Repeated Courses

Students will be allowed to repeat courses according to the following rules: Both the initial and the second grades will be recorded on the student's permanent academic record (transcript). Both grades will be included in the calculation of the student's cumulative GPA and in the determination of academic probation, suspension, dismissal, honors and graduation. Only the repeated course and not the initial credit hours count toward the number of hours needed for graduation.

Pass/Fail Option

Students should consult with their advisers before declaring the pass/fail option for any course, as some courses may not be taken pass/fail.

Grade Appeals

A student who feels that an assigned grade is other than the grade earned must first discuss the matter with the course instructor to determine if the discrepancy is caused by error or misunderstanding. At the time of the initial discussion, the student may be asked to provide a written petition requesting the change of grade.

A student who is not satisfied by the instructor's decision on a request for a grade change, and who maintains that the original grade was capriciously or unfairly determined, may appeal to the chair of the department in which the course was offered (or, in the case of a nondepartmental course, to a faculty agent designated by the dean of the school offering the course). After discussing the matter with the student, and bearing in mind that the final authority in matters of academic judgment in the determination of a grade rests with the course instructor, the chair (or faculty agent) will consult with the course instructor, who will subsequently report to the student the disposition of the appeal.

A student who is not satisfied by the disposition of the appeal may appeal the decision to the dean of the school offering the course. The dean will take action as he or she deems appropriate. A student may appeal the dean's decision to the provost. In their actions, the dean and the provost must respect the principle that the determination of a grade rests with the course instructor.

ACADEMIC ADVISING AND SATISFACTORY PROGRESS POLICIES

Academic Advising

For an effective advising relationship, the student must be prepared when meeting with the adviser. The student must initiate the advising appointment. The adviser will give assistance to the student, but the student has the final responsibility for the accuracy of the enrollment, the applicability of courses toward the degree requirements, and his or her academic performance.

Students are assigned an academic adviser by their academic dean's office, records office or major department. A student who enrolls without first meeting with his or her assigned academic adviser may be subject to sanctions including, but not limited to, cancellation of the term enrollment and restriction from the self-service enrollment functions.

Leave of Absence

A leave of absence is a temporary leave from the University – a kind of “timeout” – that may be necessary during an academic career. Students may elect to take leaves of absence for a variety of reasons, including 1) medical reasons due to accident or illness, 2) family crises or other personal situation that requires an extended absence from school, 3) financial issues that may take time to resolve, and 4) academic difficulties that may best be handled by taking time to refocus on college work.

Typically, a leave of absence is for one term or one academic year. A student may extend a leave of absence by contacting his or her academic department representative. The process to return to SMU after a leave-of-absence period can be an easy one, especially if the student has gone through the steps to file for a leave of absence and planned ahead for the return. Following SMU's leave-of-absence guidelines helps 1) assure that the degree requirements per the catalog of record when the student initially matriculated at SMU still apply upon return, 2) assist with financial aid processing, and 3) provide the support needed to return to SMU and successfully finish the degree.

The SMU Leave of Absence Policy provides students with a formal process to “stop out” of SMU for either voluntary or involuntary reasons. Typically, a *leave of absence* is for a temporary departure from the institution; however, *intended permanent withdrawals* from SMU will also be processed under the Leave of Absence Policy.

The first step to effect a leave of absence is for the student to arrange an appointment to meet with his or her academic adviser, who will then assist the student with the process.

Academic Progress

Failure to meet established minimum acceptable standards of academic or disciplinary performance can result in probation, suspension or dismissal. Information regarding disciplinary action can be found under Code of Conduct in the Student Affairs section of this catalog.

Graduate students must maintain a cumulative GPA of 3.000. If in any term the student falls below this cumulative GPA, the student will be placed on probation for one regular term. If at the end of the term of probation the cumulative GPA is not up to 3.000, the student may be removed from the program at the discretion of the dean's office or records office.

Definitions: Academic Probation, Academic Suspension, Academic Reinstatement and Academic Dismissal

Academic Probation. Academic probation is a serious warning that the student is not making satisfactory academic progress. A student on academic probation is still eligible to enroll and is considered in good standing for enrolling in classes and for certification purposes. Academic probation is not noted on the permanent academic record; however, a student on academic probation may be subject to certain conditions during the period of probation and will be subject to academic suspension if he or she does not clear academic probation.

Academic Suspension. Academic suspension is an involuntary separation of the student from SMU. Academic suspension is for at least one regular term. The term of suspension might be for a longer period depending on the policy of the school of record or the terms of the individual student's suspension.

The status of academic suspension is recorded on a student's permanent academic record. While on academic suspension, a student is not in good academic standing for certification purposes and is not eligible to enroll at SMU. Students who have served their suspension and who are eligible to return may not enroll for any intersession terms without permission from their school of record.

Credits earned at another college or university during a term of suspension may not be applied toward an SMU degree. A grade point deficiency must be made up through enrollment at SMU.

Academic Reinstatement. A student who has been on academic suspension once may apply for reinstatement to SMU. If reinstated, the student may enroll in classes, and he or she is considered in good academic standing for purposes of certification. A student who is reinstated remains on academic probation until the conditions of academic probation are satisfied.

Academic Dismissal. A second suspension results in an academic dismissal from the University. Academic dismissal is final, with no possibility of reinstatement or readmission to the University. Academic dismissal is recorded on the student's permanent academic record.

Academic Petitions and Waivers

Petitions and/or requests for waivers concerning University requirements, graduation requirements and the evaluation of transfer work should be submitted to the student's school of record office.

Transfer Coursework

Policies for transfer credit are found under Transfer Credit in the Admission section of this catalog.

GRADUATION POLICIES

Apply to Graduate

Students must file an Application for Candidacy to Graduate with their school's records office no later than the last day of the first week of the term in which they will complete all degree requirements. Applications are filed through my.SMU Self-Service Student Center by the deadline date on the Official University Calendar.

Students who file an application after the published deadline may be required to pay a nonrefundable late fee. Late applications may be denied after the start of the next term, and the Application for Candidacy to Graduate applied to the next con-

ferral date. Students taking coursework at another institution and transferring the course(s) back to SMU are responsible for ensuring that the University Registrar's Office receives their official transcript in order for their degree to be conferred for the anticipated graduation term.

SMU has three degree conferral periods for most programs: fall (December), spring (May) and summer (August). In addition, students who complete their degree requirements during a Jan Term (January), May term or August term will have their degrees conferred at the conclusion of the intersessions.

Commencement Participation

An All-University Commencement Convocation is held in May for students enrolled and on schedule to complete degree requirements during the spring term. Students enrolled and on schedule to complete all degree requirements during the following summer session may also participate in the University Commencement Convocation, although their degrees will not be conferred until August. Students may also participate in departmental or school ceremonies following the University commencement according to the policies of the departments or schools.

An All-University December Commencement Convocation is held each year for students completing degree requirements during the fall term. Students who completed degree requirements during the previous summer session may also participate. Students on schedule and enrolled to complete all degree requirements during the following Jan Term (January) intersession may also participate in the December ceremony, although their degrees will be conferred in January.

A student may participate once in either the All-University Commencement Convocation in May or the All-University December Commencement Convocation for a given degree, but not both.

To participate in a ceremony, a student must apply online and file with their school's records office an Application for Candidacy to Graduate or Intent to Participate Form.

Statute of Limitations for Degree Plans

A student who has been readmitted to the University following an absence of more than three years will be expected to meet all current requirements for graduation.

MEADOWS GRADUATE PROGRAMS POLICIES AND PROCEDURES

Concurrent Enrollment

A student who wishes to enroll concurrently in another college or university should first obtain written approval from the dean of graduate studies that the courses taken will be transferable.

Approved Courses

Normally all graduate-level courses are numbered 6000 and above. Graduate students may take courses numbered below 6000 if they are part of the program of study or with the approval of the faculty adviser. For the 6000 level or above, the general prerequisite, in addition to admission to graduate studies, is 12 credit hours of advanced work in the department, or six credit hours in the department and six in a closely related program approved by the major department and the dean for the Office of Research and Graduate Studies. If other specific prerequisites are needed, these are stated in departmental listings of courses.

Readmission

Students already matriculated into a program who were not enrolled in the previous term must file a readmission application. This form must be received in the graduate office **no later than three weeks before the enrollment date** for the desired term of re-entrance.

Thesis/Praxis/Dissertation

Several master's degree programs require theses for completion; several others leave theses as an option. Dissertation is required of all Ph.D. programs.

Students submit a final copy of the thesis/praxis/dissertation electronically as partial fulfillment of degree requirements. The final thesis must be uploaded to the UMI dissertation website in PDF format. Additionally, each candidate is required to submit one bound copy of the thesis for circulation in the Jake and Nancy Hamon Arts Library. These may be ordered and purchased through the UMI website (www.dissertations.umi.com/smu). A microfilm copy will be housed in the University's library and can be copied and made available to the University community, and to other individuals and institutions upon request, all at the discretion of the Central University librarian at Southern Methodist University.

EDUCATIONAL FACILITIES

SMU LIBRARIES

www.smu.edu/libraries

SMU libraries are one of the greatest assets of the University. The SMU libraries comprise the largest private research library in Texas and rank third in the state with over four million volumes. Service to Southern Methodist University students, faculty and staff is the primary goal of all libraries at SMU. The University's library system is divided into a number of different units:

1. Central University Libraries: www.smu.edu/cul.
2. Underwood Law Library: www.library.law.smu.edu.
3. Bridwell Library: www.smu.edu/bridwell.
4. Business Library: www.cox.smu.edu/bic.

LABORATORIES AND RESEARCH FACILITIES

The University provides laboratories and equipment for courses in accounting, advertising, anthropology, art, biology, chemistry, communication studies, creative computation, languages, Earth sciences, film and media studies, journalism, psychology, physics, health and physical education, dance, music, theatre, and statistics, as well as civil, computer, electrical, environmental and mechanical engineering. The University is also home to a number of centers and institutes.

MUSEUM

The **Meadows Museum**, founded by the late philanthropist Algur H. Meadows and located at 5900 Bishop Boulevard, houses one of the finest and most comprehensive collections of Spanish art in the world, as well as selected masterpieces of modern European sculpture, from Rodin and Maillol to David Smith and Claes Oldenburg. The permanent collection of more than 670 objects includes paintings, sculpture, decorative arts and works on paper from the Middle Ages to the present. Artists represented include El Greco, Velázquez, Ribera, Zurbarán, Murillo, Goya, Picasso and Miró. The Meadows Museum hosts a regular program of loan exhibitions each year in its temporary exhibition galleries and sponsors an active program of public lectures, tours, films, concerts and symposia, as well as children's art programs and family days throughout the year. Museum collections are often used by SMU faculty in their courses. The museum membership program includes exhibition previews, tours of private collections and opportunities for travel. Docent tours of the collection are available to school, University and adult groups. The Meadows Museum, in addition to its collection, houses a museum store and special event rooms. Additional information is available at www.meadowsmuseumdallas.org.

OFFICE OF INFORMATION TECHNOLOGY

The Office of Information Technology is responsible for providing computing and communications services to support academic and administrative needs of students, faculty, staff, alumni and patrons of the University. These services include an SMU email account, access to enrollment and financial data online, Internet access, telephone services, Web-based services, technical support, and a variety of software and hardware discounts.

SMU offers high-speed network connections throughout campus. Students can take advantage of both wired and wireless connections throughout all areas of the residence halls. Wireless coverage also extends throughout the campus in most classrooms, libraries, common areas and several outdoor locations. In addition to on-campus Internet connections, OIT provides off-campus access to resources via a virtual private network connection.

All students receive an SMU email account, which remains active after graduation. The email account may be accessed online via Office 365 (office365.smu.edu). In addition, students have access to a variety of Web-based services, e.g., my.SMU, personal Web space, unlimited network storage space (OneDrive and Box) and academic applications such as the Canvas Course Management System. All academic information, including grade history, financial information, transcripts and class registration, is available through the my.SMU system.

The IT Help Desk, located in Fondren Library West, provides technical support for most computing issues Monday through Friday 8 a.m.–8 p.m., Saturday 9 a.m.–5 p.m. and Sunday noon–6 p.m. Phone or in-house support is available for on- and off-campus connectivity issues. The Help Desk also offers phone support for the Microsoft Office Suite and other common applications. In addition, the OIT website (www.smu.edu/oit) provides information, step-by-step instructions and answers to many frequently asked questions.

Although most students have their own computers, there are a number of public computer labs available for use. Almost all of the labs contain both Mac and PC workstations and support a variety of programs.

Discounts on technology purchases are available throughout the year. More information can be found on the OIT website.

For additional information on services provided by IT, students should visit www.smu.edu/oit or call the Help Desk (214-768-HELP or 214-768-4357). Technology news and updates are available on Twitter (@smuoit) and the IT Connect blog (blog.smu.edu/itconnect).

UNIVERSITY ACADEMIC PROGRAMS

ENGLISH AS A SECOND LANGUAGE PROGRAM

www.smu.edu/esl

Students whose first language is not English may encounter special challenges as they strive to function efficiently in the unfamiliar culture of an American university setting. Dedman College offers the following ESL resources to students from all schools and departments of SMU. Students may apply on the ESL website.

More information about the ESL Program is available on the website or from the director, John E. Wheeler (jwheeler@smu.edu).

The Courses (ESL)

ESL 1001 (0). ESL COMMUNICATION SKILLS. The goal of this course is to improve ESL students' oral and aural interactive skills in speaking, giving presentations, pronunciation, listening, and American idiomatic usage so that they may become more participatory in their classes and integrate more readily with their native English-speaking peers. It is designed to meet the needs of undergraduate and graduate students who may be fully competent in their field of study yet require specialized training to effectively communicate in an American classroom setting. The course is free of charge, noncredit bearing, and transcribed as pass or fail. *Prerequisite:* ESL Program approval required.

ESL 1002 (0). ESL COMMUNICATION SKILLS II. Building on skills developed in ESL 1001, students make use of their knowledge and practice to explore various aspects of American studies. In addition to speaking and presentation skills, reading and writing are also exploited as a means for students to gain a deeper understanding of American culture, customs, attitudes, and idiomatic use of the language. The course is noncredit and no-fee, and is transcribed as pass or fail. ESL 1001 is recommended as a precursor but is not a prerequisite. *Prerequisite:* ESL Program approval required.

ESL 20XX (0). INTENSIVE ENGLISH PROGRAM. All 2000-level ESL courses are exclusive to the Intensive English Program. This multilevel, yearlong program is designed to prepare students and professionals for academic success at the university level. The course of study consists of English for academic purposes, TOEFL-related skills, and American culture. It is open to currently enrolled and newly incoming students, as well as to those not affiliated with SMU. On-campus housing and meals are available during the 6-week summer term. This is a noncredit, nontranscribed program, and separate tuition fees are charged. *Prerequisite:* ESL Program approval required.

ESL 3001 (0). ADVANCED GRAMMAR FOR WRITERS. This course helps students develop their grammar and writing skills within the context of academic readings. Problem areas of English grammar and style are explored through periodic assignments, research documentation methods, and a final research project. The course is free of charge, noncredit bearing, and transcribed as pass or fail. *Prerequisite:* ESL Program approval required.

ESL 3002 (0). ADVANCED ACADEMIC WRITING. Building on principles of grammar and style covered in ESL 3001, this course helps students further improve the writing skills needed for their particular academic careers, using academic texts as a basis for out-of-class writing assignments and a final research project. The course is free of charge, noncredit bearing, and transcribed as pass or fail. *Prerequisite:* ESL Program approval required.

ESL 4001 (0). ESL PRONUNCIATION SKILLS. Students improve their pronunciation by focusing on sentence stress, rhythm, intonation, and body language while learning to mimic American speech patterns. With the instructor's assistance and extensive individual feedback, students develop personal strategies and exercises to become more aware of their own weak-

nesses. The course is free of charge, noncredit bearing, and transcribed as pass or fail. *Prerequisite:* ESL Program approval required.

ESL 6001, 6002. SEMINAR FOR INTERNATIONAL TEACHING ASSISTANTS. Graduate students who speak English as a second language prepare for their teaching responsibilities with undergraduate students taking University Curriculum courses. The main components include language skills needed as international teaching assistants, ITA-related teaching methodology, cross-cultural communication within the American classroom, and presentation skills. Also, examination of case studies, microteaching demonstrations, and periodic out-of-class individual consultations on the student's language and pedagogical skills. The course is free of charge, noncredit bearing, and transcribed as pass or fail. *Prerequisite:* ESL Program approval required.

Conversation Buddy Program

At the beginning of each term, all students are notified via campus email of the opportunity to practice their language skills in an informal, one-on-one setting outside the classroom for one to two hours a week.

ESL Self-Study Lab

A collection of materials is available for self-study use at the Fondren Library Information Commons. Students will find materials to help them improve their pronunciation, listening, vocabulary and grammar skills.

SMU-IN-PLANO

www.smu.edu/plano

SMU's campus in Plano's Legacy Business Park extends SMU's resources to meet the educational needs of residents in Collin County and beyond, and makes enrollment in graduate-level programs more convenient for working professionals in North Texas. The campus collaborates with area businesses by offering programs to serve the training needs of their employees and by providing corporate meeting space.

Conveniently located about 1 mile south of the intersection of state Highway 121 and the Dallas North Toll Road, SMU-in-Plano features 16 landscaped acres and four buildings with nearly 200,000 square feet of classroom space.

SMU-in-Plano serves more than 800 adult students each year through several full-time, evening and weekend programs leading to master's degrees and/or professional certificates in counseling, dispute resolution and video game technology (SMU Guildhall). In addition, numerous noncredit certificates and professional development programs are offered in Plano, including paralegal studies, certified financial planner, social media and digital communications, best practices in supervision, and project management.

During the summer, more than 2,000 children participate in a variety of programs designed to enhance their academic skills. The campus also provides important outreach services to the surrounding Collin County communities; these services include the Mediation and Arbitration Center and the Center for Family Counseling.

More information is available online or through the SMU-in-Plano office: 5236 Tennyson Parkway, Building 4, Plano, TX 75024, 972-473-3400.

STUDENT AFFAIRS

The mission of the Division of Student Affairs (www.smu.edu/studentaffairs) is to develop, with others in the University, opportunities for students to become productive citizens through the creation of challenging environments that contribute to students' intellectual, spiritual, physical, social, cultural, moral and emotional growth, and, in so doing, engage them with the widest range of persons within the University and beyond. The vice president for student affairs oversees programs, services and activities that complement students' academic pursuits and promote their development, success and cocurricular learning.

Concern for and realization of the full development of each student in and out of the classroom constitutes one of the major goals of the University. Consequently, the division's programs are designed to support and supplement SMU's formal academic work. Many departments exist to provide services for the benefit and convenience of SMU students. The Division of Student Affairs encompasses a broad range of programs and services dealing with housing and residential matters, physical and mental wellness, personal and career counseling and testing, recreational sports and intramurals, religious affairs, multicultural student programs, as well as student conduct and community standard matters, new student orientation, leadership programs, volunteer opportunities and women's programs.

ACADEMIC INTEGRITY AND CODE OF CONDUCT

The Honor Code of Southern Methodist University

Intellectual integrity and academic honesty are fundamental to the processes of learning and of evaluating academic performance, and maintaining them is the responsibility of all members of an educational institution. The inculcation of personal standards of honesty and integrity is a goal of education in all the disciplines of the University.

The faculty has the responsibility of encouraging and maintaining an atmosphere of academic honesty by being certain that students are aware of the value of it, understand the regulations defining it and know the penalties for departing from it. The faculty should, as far as is reasonably possible, assist students in avoiding the temptation to cheat. Faculty members must be aware that permitting dishonesty is not open to personal choice. A professor or instructor who is unwilling to act upon offenses is an accessory with the student offender in deteriorating the integrity of the University.

Students must share the responsibility for creating and maintaining an atmosphere of honesty and integrity. Students should be aware that personal experience in completing assigned work is essential to learning. Permitting others to prepare their work, using published or unpublished summaries as a substitute for studying required material, or giving or receiving unauthorized assistance in the preparation of work to be submitted are directly contrary to the honest process of learning. Students who are aware that others in a course are cheating or otherwise acting dishonestly have the responsibility to inform the professor and/or bring an accusation to the Honor Council.

Students and faculty members must share the knowledge that any dishonest practices permitted will make it more difficult for the honest students to be evaluated and graded fairly and will damage the integrity of the whole University. Students

should recognize that their own interests and their integrity as individuals would suffer if they condone dishonesty in others.

The Honor System

All SMU undergraduate students and graduate students enrolled in the Dedman College of Humanities and Sciences, Lyle School of Engineering and Meadows School of the Arts are subject to the Honor Code and as such are required to demonstrate an understanding of and to uphold the Honor Code. Honor codes for the Cox School of Business, Dedman School of Law, Perkins School of Theology and Simmons School of Education and Human Development are explained in their graduate catalogs.

In support of the Honor Code, the Honor Council has the responsibility to maintain and promote academic integrity. The Honor Council is composed of a minimum of 27 members selected through an application and interview process organized by the Honor Council Executive Board.

Academic dishonesty includes plagiarism, cheating, academic sabotage, facilitating academic dishonesty and fabrication. Plagiarism is prohibited in all papers, projects, take-home exams or any other assignments in which the student submits another's work as being his or her own. Cheating is defined as intentionally using or attempting to use unauthorized materials, information or study aids in any academic exercise. Academic sabotage is defined as intentionally taking any action that negatively affects the academic work of another student. Facilitating academic dishonesty is defined as intentionally or knowingly helping or attempting to help another to violate any provision of the Honor Code. Fabrication is defined as intentional and unauthorized falsification or invention of any information or citation in an academic exercise.

Suspected cases of academic dishonesty may be handled administratively by the appropriate faculty member in whose class the alleged infraction occurred or referred to the Honor Council for resolution. Suspected violations reported to the Honor Council by a student or by an instructor will be investigated and, if the evidence warrants, a hearing will be held by a board composed of a quorum of four members of the Honor Council.

Any appeal of an action taken by the Honor Council shall be submitted to the University Conduct Council in writing no later than four calendar days (excluding school holidays) after notification of the Honor Council's decision.

Code of Conduct

The following are University procedures and standards with which every student must become familiar. The University considers matriculation at SMU an implicit covenant and a declaration of acceptance on the part of the student of all University regulations. The Student Conduct & Community Standards Office, website www.smu.edu/studentconduct, promotes community, scholarship and civility by holding students accountable to the Student Code of Conduct and the Honor Code.

Standards of conduct are established through faculty, student and administrative efforts and are under continuous evaluation by the entire University community in order to assure reasonable and fair limits. At SMU, the student is assumed to have a high degree of loyalty and responsibility to the University and its well-being, as well as to himself or herself in personal, social and intellectual pursuits; the student's behavior both on and off campus is evidence of this.

Students at SMU will discover that they are encouraged to exercise a great amount of personal freedom as well as accompanying responsibilities. Through their personal capacities for intelligent thought and action, mature students understand that there are situations in which certain behavior must be modified for the benefit of others. The University stands firm in its commitments to the rights and freedoms of students, expecting in return the same respect and concern.

Due respect for the entire University community, faculty, staff and one's fellow students is always expected. The University expects all students to be responsible citizens and to abide by all federal, state and local laws. The University Code of Conduct applies to students both on and off campus. It is the University's expectation that students will avoid behaviors such as, but not limited to, the misuse of drugs and alcohol, dishonesty, gambling, hazing, or behavior that endangers or threatens to endanger the health and safety of any person.

Students are required to identify themselves when asked by a properly identified faculty or staff member, or by another student serving as a University staff member. Persons who are not members of the University community and without business on campus may be asked to leave.

Conduct Review Process

Clear disciplinary procedures are an important part of the mission of SMU as an educational institution. The intent of the system of due process at SMU is to be educational and not merely punitive for students. The goal continues to be to produce quality citizens. The purpose of the conduct review process is to encourage personal responsibility.

Depending on the degree of misconduct, a student may be subject to sanctions ranging from an informal warning to expulsion from the University. In addition, a student may be assigned educational sanctions designed to promote personal growth and development. Should a student be asked to leave the University, he or she should do so in an expeditious and peaceful manner. The student should remain off campus until he or she receives written permission from the Office of Student Conduct & Community Standards to return to campus. In the event of such separation, a student is still responsible for University financial obligations.

To ensure fairness and due process for all students in the conduct process, the student is granted an impartial hearing and the right to appeal to the University Conduct Council. A student who is appealing a sanction may remain in school until the decision and penalty are reviewed, unless otherwise determined by the Dean of Student Life, the Vice President for Student Affairs, or their designee. All actions related to the conduct review process are subject to presidential review.

Having voluntarily enrolled as students at Southern Methodist University and assumed a place in the University community, all students are presumed to be knowledgeable of, and have agreed to abide by, the rules and regulations set forth in the Student Code of Conduct, as outlined in the *SMU Student Handbook*, which is available online at www.smu.edu/StudentAffairs/StudentLife/StudentHandbook.

HOUSING

The Department of Residence Life and Student Housing supports the goals of the University by creating residential communities that empower residents to value learning, citizenship and leadership in comfortable, well-maintained facilities. The

department is responsible for the campus residential community, including all residence halls, SMU-owned apartments and SMU-owned Greek chapter houses.

Career Express Drop-in Hours. The Career Center offers 15-minute sessions to drop-ins on a first-come, first-served, basis. In these sessions, students can discuss career options or get help editing a resume. Additional information is available on our website at www.smu.edu/career.

Counseling Appointments. The Career Center also provides opportunities for counseling appointments with a staff member. These longer sessions can help students navigate the more complex issues of career development including, self-understanding, goal creation and career strategies.

Peer Mentors. Peer Mentors are highly trained student leaders who help fellow students navigate the career development process, including assisting with drop-ins, editing cover letters and resumes, and representing Hegi at campus events.

Career Development Ambassadors. CDA is a student organization designed to provide career development opportunities on the SMU Campus. CDAs organize events for the SMU community, which inspire engagement in the career development process, develop students' career tools, and provide networking opportunities.

Experiential Learning. Want to learn more about an industry, company or specific job? Experiential learning is the best way to do so. Below are some easy ways to get connected:

- **Coffee Chats:** Meet an employer in an informal setting to learn about their career journey.
- **Mentors:** Connect and develop a relationship with an SMU alum who is in a career you are interested in.
- **Externship:** Shadow an SMU alum for the day and learn about their career path and what they do on a daily basis. The SMU Connection program is a partnership with Alumni Relations, which provides students exposure to today's competitive and ever-changing job market.
- **Informational Interview:** Have a conversation with an alum and/or employer for an hour to learn out their education and career path.

Employer Events. Our Office cultivates meaningful relationships with organizations and employers who are invested in networking with dynamic, talented and skilled students across SMU's liberal and communication arts communities. Throughout the year, the Career Center hosts 2-4 Career and Internship Fairs, along with a host of Employer Industry Panels, Company Information Sessions and Industry Training and Development Workshops. These events offer students an opportunity to work with employers and alumni and to learn the skills necessary to be successful in the workplace.

STUDENT LIFE

The Office of the Dean of Student Life (www.smu.edu/studentlife) educates students and the SMU community by providing purposeful opportunities for learning, growing, clarifying values, and developing decision-making and other skills that promote responsible citizenship and well-being. Located in the Hughes-Trigg Student Center, the office is a resource for students to consult when they need general information and assistance. The dean serves as a primary liaison for students and parents who have concerns about any aspect of their SMU experience.

Student Activities

www.smu.edu/orgs

The mission of the Department of Student Activities is to advise and support student organizations and to encourage student development through involvement. Involvement outside the classroom is a tradition at SMU. Research shows that students who get involved outside the classroom tend to be more successful during their college experience. The department supports more than 200 extracurricular opportunities for SMU students through academic and professional associations, campus programming councils, community service coalitions, fraternities and sororities, governing boards, nine honor societies, multicultural organizations, political clubs, club sports, religious organizations, and special-interest groups. Higher-education professionals advise and support specific areas of involvement, including diversity, programming and governance, and are available to answer student's day-to-day questions about getting involved.

The Student Activities Office is located on the third floor of the Hughes-Trigg Student Center, Suite 315. Additionally, Suite 300 is the hub of activity for several SMU student organizations. Many out-of-class programs planned and implemented by students are considered co-curricular in that they are designed to complement a student's educational experience. These student groups and their committees provide many opportunities for students to become involved as leaders or participants.

Additional information is available online, including organization interests or type, membership requirements, contact information and event calendars. The department can also assist students in forming a new organization.

Eligibility Requirements. Campus activities and organizations are an integral part of the developmental experience for SMU students. Leadership skills and interpersonal, social and cultural enhancement are some of the benefits associated with out-of-class participation. Students who hold office in a student organization or represent the University as a member of a sponsored campus group (Mustang Band, University Choir, etc.) must be matriculated in a University degree-granting program and may not be on academic probation.

Student Government

Through SMU's system of representative governance, students participate with faculty and administration in the University's decision-making process. The primary voice of students in this process is the student-elected Student Senate. The Student Code of Conduct in the *SMU Student Handbook* is reviewed and updated annually in conjunction with the Student Senate and contains the student code of rights and responsibilities.

Student Center

www.smu.edu/htrigg

The Hughes-Trigg Student Center supports the University's mission by serving as the hub of student life and student activities. The Student Center serves as the "living room" of the university and provides services, conveniences, amenities and programming designed to enhance the student experience on campus. Editors, writers and photographers of the *SMU Campus Weekly*, SMU's independent newspaper, work together with directors and videographers of SMU-TV, the student-run broadcast journalism program, to share content and produce timely and compelling packages for a shared news website at www.smudailycampus.com. SMU student media opportunities also include the student yearbook, *Rotunda* (www.smurotunda.com), which has chronicled the life and times on The Hilltop since 1915.

Veterans Services

The Division of Student Affairs provides a coordinator of veteran support and services through the Office of the Dean of Student Life and Well-Being. The coordinator helps veterans navigate the campus community and connect with available resources on campus and in the greater Dallas community. A chartered student organization, U.S. Military Veterans of SMU (SMU MilVets), meets regularly to provide support to fellow veterans and to participate in fundraisers, care package drives, tailgating on the Boulevard during football games and other activities during the school year. The Veterans Center, in Hughes-Trigg Student Center, Suite 323, provides coffee, a refrigerator and microwave, printing, meeting and study space, and a relaxed setting for interacting with fellow veterans. The University Registrar's Office certifies veterans each term for their benefits under federal programs and the Office of Financial Aid works to provide individual aid packages. More information regarding services and benefits for veterans is available at www.smu.edu/veterans.

Women & LGBT Center

www.smu.edu/womenandlgbtcenter

The Women & LGBT Center empowers students within the university to increase awareness and understanding of gender equity issues by eliminating barriers, diminishing prejudices and creating a supportive climate and space for all. Through advocacy, information, referral services and leadership experiences, the center provides a safe haven for students struggling with issues of injustice and oppression. Student organizations advised here include the Women's Interest Network; Campus YWCA; Women in Science and Engineering; and Spectrum, the lesbian, gay, bisexual, transgender and ally organization. Also housed in the center is the SMU Women's

Symposium (www.smu.edu/womsym), which is part of the Education of Women for Social and Political Leadership series, established in 1966. The center provides an informal, homelike atmosphere where members of the SMU community can meet.

Health Services

www.smu.edu/healthcenter

The Health Center has achieved accreditation by the Accreditation Association for Ambulatory Health Care.

Outpatient Medical Services. SMU provides a convenient, cost effective, state of the art medical clinic for diagnosis and treatment of illness and injury, as well as for immunizations and continuation of treatment such as allergy injections. The clinic is staffed by physicians, registered nurses, and medical assistants. Physicians are available by appointment 8:30 a.m.–4:30 p.m., Monday through Friday. For appointments and health information, students may call 214-768-2141 or go online www.smu.edu/healthcenter.

Acute/After Hours Care. For emergency care after clinic hours, it is recommended that students call 911 or go to a hospital emergency room. Students should refer to the Health Center website (www.smu.edu/healthcenter) for information about urgent care facilities and local hospitals.

Costs. Undergraduate and graduate students pay a health center fee each term that covers routine medical care and counseling services at the Health Center. Laboratory tests, x-ray procedures, immunizations, pharmacy prescriptions, medical supplies, and specialty care are available to the student for an additional charge.

Mandatory Health Insurance Policy. SMU requires all domestic students, both undergraduate and graduate, taking nine or more credit hours, to have health insurance through either an individual/family plan or the University-offered plan. All international students taking one or more credit hours must enroll in the University-offered plan unless they have a special waiver personally granted by the Health Center staff.

Students are required to provide documentation of current insurance coverage or to enroll in the Student Health Insurance Plan by the add/drop date each term. A domestic student with private health insurance coverage must waive SHIP coverage to avoid automatic enrollment into the plan and thereby have the semiannual premium charge applied to his or her bursar account. Information and instructions are available online at www.smu.edu/healthinsurance. Students who elect SHIP for the fall term are automatically re-enrolled for the spring term unless they expressly waive coverage. **Note:** Health insurance is separate from the student Health Center fee and is paid separately.

Pharmacy. A full service pharmacy is conveniently located in the Health Center and is open to all currently enrolled students from 8:30 a.m. to 5 p.m., Monday through Friday. Prescriptions from the Health Center, as well as outside providers, are accepted. The Pharmacy accepts most insurance plans.

Immunizations. All students (undergraduate, graduate, part-time and full-time, to include international and IEP/ESL students) are required to have an SMU medical history form on file in the SMU Health Center before registration. To comply with SMU policy, all students must also submit to the Health Center immunization records that provide proof of immunization against measles, mumps and rubella.

These MMR immunizations must be documented by a physician, public health record, military health record or school health record. Students will not be allowed to register without immunization compliance.

Texas state law requires all new students under the age of 22 to provide proof of immunization for bacterial meningitis. The meningitis vaccine or booster dose must have been received during the five years prior to enrollment and at least 10 days before the start of classes. Students seeking exemption from this requirement due to health risk or conscience, including religious belief, should see the second page of the SMU medical history health form. More information is found under Final Matriculation to the University in the Admission to the University section of this catalog.

Students are encouraged to check their my.SMU account for immunization status. Immunizations are available at the Health Center. Health history forms are available on the Health Center's website (www.smu.edu/healthcenter).

Class Absence Due to Illness. The Health Center does not issue excuses from classes for illness. Please refer to the Class Excuse Policy on the Health Center website (www.smu.edu/healthcenter).

Notification of Parents. The Health Center staff may not speak to parents without the student's permission. Parents or guardians are notified in cases of life-threatening illnesses.

Health Service Records. All student-patient health information is confidential. A copy of medical records may be released to a physician only with a written release by the student. Records are not made available to parents, SMU administrators, faculty or staff without the student's written consent.

Office of Health Education and Promotion. This office serves as a resource for health information on campus. It promotes programs and activities that focus attention on health-related issues affecting college students. Students can get involved with health education on campus through the Peer Advising Network. More information is available from the Health Center (telephone: 214-768-2393; website: www.smu.edu/studentaffairs/healthcenter/healtheducation).

Counseling Services. CS provides psychiatric evaluation, crisis intervention and group/individual/couples psychotherapy for students. All interviews are conducted on a voluntary and confidential basis. There is no charge to students who have paid the University health fee. Students can seek confidential help for concerns such as anxiety, depression, relationship issues, career/life planning, sexual identity, eating/body image concerns and sexual assault/sexual harassment matters. Alcohol and drug prevention is a free and confidential source of help and information to the SMU community, covering issues related to substance abuse and addiction. Any laboratory tests or pharmaceuticals ordered will be charged to the student. For more information regarding scheduling appointments, students should call 214-768-2277 between 8:30 a.m. and 5 p.m., Monday through Friday, or visit www.smu.edu/counseling.

Testing Services. Testing Services offers fee-based testing to the Dallas-area community. These services include on-campus administration of national testing programs such as the LSAT, MPRE, GRE and others. Other testing offered includes credit by exam (CLEP), and correspondence examinations for local distance learners enrolled in other universities. VALUES AND COMMUNITY

Office of the Chaplain and Religious Life

www.smu.edu/chaplain

The Office of the Chaplain and Religious Life offers resources of pastoral care and theological reflection that nurture spiritual and vocational development as well as the moral and ethical vision and character of students, faculty and staff. Dr. Stephen W. Rankin is the chaplain and minister to the University community. Chaplain Rankin leads and preaches at Underground, an ecumenically Christian, all-University service of worship, in Hughes-Trigg Theater each Wednesday during the term. Students, faculty and staff are invited to participate in this service through music, scripture readings or other expressions of worship. Other services, including the University Service of Memory, Ash Wednesday Service and memorial services as needed, are also planned and implemented by the Office of the Chaplain.

Presently, there are more than 30 religious life organizations. Alongside the Christian groups aligned with denominations, local Dallas-area congregations or national parachurch ministries, SMU also has an active Hillel chapter for Jewish students, a bustling Muslim Student Association and other faith groups of various traditions. A large number of undergraduate, graduate and professional students, as well as many of SMU’s faculty, staff and administrators, participate in these dynamic religious communities.

In cooperation with the Department of Residence Life and Student Housing, the Office of the Chaplain places in each residential commons a residential community chaplain who provides a pastoral presence and help for students navigating the sometimes confusing concerns of life.

Additionally, the Office of the Chaplain partners with faculty members across campus to direct the Faith and Learning Scholars, an initiative involving a cohort of students who want the experience of integrating their faith with their academic pursuits. Similarly, the Civil Rights Pilgrimage, founded in 2004, is an eight-day

spring break journey through the South whereby students encounter shrines of freedom and meet heroes of the civil rights movement. This collaboration with Dedman College offers students a transformative opportunity while earning academic credit.

Chaplains are available for personal counseling and spiritual direction with students, faculty and staff during office hours. The Office of the Chaplain is located in the Hughes-Trigg Student Center, Suite 316. Adjacent to this office is the Quiet Place, a setting for meditation, prayer and reflection for all faiths. The Quiet Place is open daily and available with no prior reservation needed.

Community Engagement and Leadership

www.smu.edu/cel

The Community Engagement and Leadership Center, a department in the Division of Student Affairs, develops student leaders through educational and transformational experiences that equip them to have a positive impact on social change. CEL advises and supports two student-run service-based organizations, Alternative Breaks and Mustang Heroes, which provide students the opportunity to participate in service trips in Dallas and throughout the United States. CEL also hosts the annual Stampede of Service and MLK Day of Service.

The leadership programs available to students include the Emerging Leaders First-Year Leadership Development Program, the Crain Leadership Summit, the Mustang Intersections Leadership Retreat for Diversity and Social Change, and the Lonestar LeaderShape Institute. CEL also supports student leadership development through the Caswell Leadership Program, a grant opportunity for a group of selected students to develop projects focused on sustainability leadership, faith-based leadership, community-based leadership, educational leadership, or culturally competent leadership.

Multicultural Student Affairs

The Office of Multicultural Student Affairs works collaboratively with the campus community to provide support for students of color and to create an environment that fosters inclusivity and a deeper understanding of diversity. The office focuses on holistic development, advocacy and comprehensive student success. In addition, the office sponsors diversity and social justice education programs such as INTERSECTIONS and Real Talk to provide opportunities for the exchange of ideas and experiences that enhance student perspectives, and offers various leadership opportunities through culturally based student organizations, peer dialogue leader positions and the CONNECT Mentoring and Retention Program.
