### **Admission**

#### **Application for Admission**

Applications should be submitted using the Law School Admission Council application service. **Applications must be submitted by March 1 to be considered for regular decision.** The applicant must file transcripts from all undergraduate institutions attended with LSAC's Credential Assembly Service.

*(updated 1/12/2023)*

## **Student Life and Housing**

### **Residence Accommodations**

The mission of the Department of Residence Life and Student Housing is to foster the foundational SMU experience where every student belongs, learns, and connects through their residential community. To this end, RLSH seeks opportunities to promote an intellectual culture in SMU's residential communities that complements an already flourishing campus social culture. RLSH is responsible for undergraduate residence halls, 10 SMU-owned Greek chapter houses and 22 graduate student apartments.

### **Housing Policy for Graduate Students**

Graduate students are not required to live on campus but may apply on a space-available basis.

### **Graduate Residence Applications**

The Department of Residence Life and Student Housing manages 22 apartment units designated for graduate students and undergraduate students over traditional age. Graduate students interested in availability should inquire with the Department of Residence Life and Student Housing, Southern Methodist University, PO Box 750215, Dallas TX 75275-0215; phone 214-768-2407; [housing@smu.edu](mailto:housing@smu.edu).

### **Special Housing Needs**

Students having special housing needs because of a disability should contact the SMU Office of Disability Accommodations and Success Strategies in order to establish eligibility for accommodations. When applying for housing, students should also submit information to RLSH regarding a request for accommodations. DASS and RLSH will work together with the student on their specific situation to make necessary accommodations.
