Southern Methodist University (SMU) will not discriminate in any employment practice, education program, education activity, or admissions on the basis of race, color, religion, national origin, sex, age, disability, genetic information or veteran status. SMU's commitment to equal opportunity includes nondiscrimination on the basis of sexual orientation and gender identity and expression. The Executive Director for Access and Equity/Title IX Coordinator is designated to handle inquiries regarding the nondiscrimination policies, including the prohibition of sex discrimination under Title IX. The Executive Director/Title IX Coordinator may be reached at the Perkins Administration Building, Room 204, 6425 Boaz Lane, Dallas, TX 75205, 214-768-3601, accessequity@smu.edu. Inquiries regarding the application of Title IX may also be directed to the Assistant Secretary for Civil Rights of the U.S. Department of Education.

AUGUST TERM 2025

Enrollment	Payment Due Date* *(Dates are subject to change.)*
All Other Graduate Programs	July 29

Dates are subject to change. All payments must be posted to the student's account by the scheduled due date. The enrollment of students whose accounts remain unpaid may be canceled at the discretion of the University.

Methods of Payment

Earning a degree from SMU is a joint investment among students, their families, and the University. SMU offers several payment options and extended payment plans that can help with expenses during the college years. Students and parents have the option of paying by check, money order, cashier's check, credit card (American Express, Discover, and MasterCard), VISA credit card (may only be used for payments made to the Student Account (Tuition/fees, room, meal plan, parking permit, mandatory health insurance, and payment plans), direct wiring of funds, or with the assistance of financial aid. In addition to state and federal sources of financial aid, SMU offers various financing plans, which are administered by the SMU Division of Enrollment Services.

SMUPAY

SMU provides a secure website through which you can make electronic check (eCheck) and electronic credit card (American Express, Discover, MasterCard and VISA) payments to your SMU accounts. VISA may only be used for payments made to the Student Account (Tuition/fees, room/board, parking permit, mandatory health insurance) and payment plans. A different payment profile that does not use VISA can be used for payments made to the Miscellaneous Account. Payments made online will be posted to the student and/or miscellaneous account at once. At the time of electronic payment, a receipt will be provided. Please visit smu.edu/bursar/smupay.asp to log into SMUpay.

Note: Credit card (American Express, Discover, MasterCard, and VISA) payments will be processed through NelNet Business Solutions, Inc. If you choose this option, a non-refundable service charge fee will be added for each transaction. The non-refundable service charge fee is 2.85 percent.

Make sure the pop-up blocker is off. SMUpay requires Microsoft Internet Explorer 8 or newer, Mozilla Firefox 17 or newer or Google Chrome 24 or newer with JavaScript, Cookies and Secure Sockets Layer (SSL) enabled.

CREDIT CARD PAYMENTS

Credit card (American Express, Discover, MasterCard, and VISA) payments will be processed through NelNet Business Solutions, Inc. VISA may only be used for payments made to the Student Account (Tuition/fees, room/board, parking permit, mandatory health insurance) and payment plans. A different payment profile that does not use VISA can be used for payments made to the Miscellaneous Account. If you choose the credit card payment option, a non-refundable service charge fee will be added for each transaction. Due to fee increases imposed on our third-party payment processor, Nelnet Campus Commerce, the non-refundable credit card service fee is 2.85%.

eCheck (Personal Checking or Savings) PAYMENTS

(no service charge fee)

You will need to provide your bank account's routing number and checking or savings account number. If you have questions about the correct numbers to use, please contact your financial institution. Keep in mind that some banks use different routing numbers for ACH transactions and wire transfers. The routing number you need to use for payment through an eCheck is the ACH routing number, which is typically found at the bottom of your check and is the left-most number, followed by your account number, and then by the number of the check. Do NOT use any numbers on your debit card.

Requirements for non-checking accounts: For savings account routing numbers, contact your financial institution. Deposit slips may not include the correct routing number. Not all payments from brokerage/investment accounts can be made online; please check with your account representative. Checks written from credit card accounts, commonly called convenience or credit advance checks, may not allow electronic transactions. Contact your financial institution to find out if ACH transactions are allowed.

STUDENTS

Begin processing by logging on to https://my.SMU.edu. Select Students tile, click on Student Dashboard, click on Financials on the left-hand side menu, click on SMUpay and select the account you are paying for on the View & Pay Accounts page.

FACULTY/STAFF

Begin processing by logging on to https://my.SMU.edu. Select Employees tile, select Employee Self-Service on the drop-down menu, click on the Financial Account tile, select a term, and click on an amount, click on SMUpay and select the account you are paying for on the View & Pay Accounts page.

AUTHORIZED PAYER (SMUPAY: VIEW BILLS AND MAKE PAYMENTS)

Students can add Authorized Payers on their SMUpay account. Authorized Payers can view a student's bills, statements and unbilled activity, as well as make payments. When students add an Authorized Payer, the added payer will receive an email that will have the User ID and URL needed to complete the Authorized Payer setup. The Authorized Payer will need to get the temporary password from the student. Parents and others can access a student's account once they have been added as an Authorized Payer. Students should visit smu.edu/bursar/smupay.asp and click on the Parents/Authorized Payers tab found at the bottom of the page for further instructions on adding an Authorized Payer. Instructions for resetting a login name and password can also be found on this website.

DOMESTIC AND INTERNATIONAL WIRE PAYMENTS

Convera (formerly known as Western Union) has partnered with SMU for International and Domestic wire payments. Through SMU's partnership with Convera, you can make domestic wire payments through your my.SMU portal or Authorized Payer account. Make Payment to the student account by selecting the Link in SMUpay and completing the process with Convera. Save on bank fees and exchange rates. Convera is worldwide. Provide current Student ID for payment to be applied correctly.

SMU has partnered with Flywire and Convera to provide our international students with easy and secure methods to send international payments through your my.SMU portal or Authorized Payer account.

Make Payment to the student account by selecting the Link in SMUpay and completing the process. Save on bank fees and exchange rates. You can make international wire payments to the student account by selecting the link in SMUpay and completing the process. Provide the correct Student SMU ID number for payment to be applied correctly. Be sure to follow the selected wire vendor's instructions to complete payment through your bank. The payment will be posted to your student account within 24 hours of the payment status being delivered to Flywire or Convera. Payments must be paid far enough in advance to be posted to your account by the due date.

529 COLLEGE SAVINGS PLAN AND STATE PREPAID COLLEGE PLANS

Many states and financial institutions offer college savings programs that enable families to save money for a child's college education. Each state and financial institution has separate rules and regulations that govern how funds may be used and how they are sent to SMU. Please contact your provider to decide how and when to request a release of funds, as well as what documents you will need to support your request.

Payments should be mailed to:
Southern Methodist University
Student Financial Services
P.O. Box 750181
Dallas, TX 75275

Overnight/Courier:
Southern Methodist University
Student Financial Services
6185 Airline Rd.
Dallas, TX 75205

IMPORTANT: Providers must include the student's name and SMU ID number to ensure prompt processing. Please allow up to ten (10) business days from the date that your provider sends payment for receipt and processing by SMU.

TUITION REFUND INSURANCE

Tuition Refund Insurance can help refund your tuition, fees, room, and meal plan charges, up to the policy limits, if you are unable to complete the semester due to a covered medical reason such as an illness, accident, or mental health issue. This insurance program complements and enhances SMU's refund policy, and we believe families will benefit from this added protection. Please visit www.gradguard.com/tuition/smu to review the complete refund policy and for more information about Tuition Refund Insurance.

Tuition and Fees

Information held here on these pages, including charges for tuition, fees and living expenses, is subject to change without notice. Every effort has been and will continue to be made to include information that most accurately represents SMU, but it is subject to change based on actions of SMU and/or the federal and state governments.

FACTS ABOUT MEAL PLANS

- All resident students must have a meal plan. First-year and second-year residential students are required to have one of The Works meal plans. After completing the first two years, a resident student may select from The Works meal plans or Block 150 options.
- Resident students who are senior- or graduate-level may select the Senior Block 50 or any of the above listed meal plans.
- Each meal plan listed above is available to nonresident students.
- Meal plans may be used in Umphrey Lee Center, Arnold Dining Commons or in McElvaney Commons (Mac's Place) by using meal swipes.
- The Works and Block 150 meal plan both have 10 Guest Passes, per semester, which can be used for any guest, provided members are present at the time of transaction. Guests of members on a Block 50 meal plan are admitted by paying the door entry rate per guest from the member's Flex Dollars account.
- Flex Dollars are a stored-value, declining-balance program that works on the same principles as a debit card.
- Flex Dollars may be used to buy meals or commodities at any SMU Dining Services location on campus.
- Flex Dollar balances carry over from summer to fall to spring terms, expiring at the end of each academic year.

- Door rates for dining without a meal plan at the dining halls are: $10.42 (plus tax) for breakfast, $12.72 (plus tax) for lunch and $14.82 (plus tax) for dinner. Rates for continuous service periods between standard meal periods are calculated at the prior meal-period rate.
- A meal plan may be changed through the last day of add/drop, allowing one change per term for all plans. Unless a different meal plan is selected, students will be enrolled automatically in the spring for the same meal plan selected for the fall term.

Dr. Bob Smith Health Center

The mission of the Dr. Bob Smith Health Center is to provide quality, caring, cost-effective and convenient ambulatory healthcare services. Students also have access to healthcare education services that promote healthy lifestyles and enhance academic productivity. The healthcare services and university-wide education initiatives help students achieve a satisfying and rewarding college experience.

Beginning in fall 2013, a new fee for health services was charged to the student tuition account. The fee is mandatory for all undergraduate and graduate students enrolled at the Dallas and Plano campuses and is separate from any mandatory insurance costs.

For each term (fall and spring) the fee is:

- $127.50 per term for full-time (12 or more credit hours) undergraduates (not living in a residence hall)
- $65 per term for part-time (1 to 11 credit hours) undergraduates (not living in a residence hall)
- $110 for all graduate students (not living in a residence hall)
- no charge for Study Abroad
- no charge for Taos

Summer the fee is $60.

This fee is assessed only to students who do not live in a residence hall. Otherwise, this fee is incorporated in the student's rent.

The fee allows the University to enhance healthcare facilities and services for students, including increased access to specialists and mental health counselors. Note that students must also maintain health insurance to cover the costs of specialty care, prescriptions, emergency care, inpatient care, and other off-campus health services. This requirement can be met either by buying the Student Health Insurance Plan (SHIP) or an alternative insurance plan that has comparable benefits.

All SMU students paying tuition and fees, including the Health Center Fee, are eligible for the following services at no additional cost. These services are independent from those covered by SHIP or a student's private health insurance. Students who are in programs that do not charge fees, including the General Student Fee and the Health Center Fee, can pay at time of service.

Primary care medical services at the Health Center at no added cost, including:

- Medical appointments during weekday hours
- Access to a convenient pharmacy on premises
- Influenza vaccinations

Counseling and Psychological Services (CAPS), including:

- Psychological evaluation and short-term therapy
- Initial psychiatric medication evaluation
- 24-hour crisis on-call services

Health Education programs, including:

- Alcohol and other drug evaluation and education
- Nutrition counseling and education
- Sexual health and relationships consultation and education

Mandatory Health Insurance

SMU is committed to the health and well-being of all students. The Student Health Center is here to serve and provide students with medical care while attending the University. To ensure that students have proper healthcare coverage, a mandatory health insurance requirement was passed by the President's Executive Council in February 2008. This mandatory health insurance policy requires domestic students, both undergraduate and graduate, enrolled in nine or more credit hours to keep insurance coverage as a condition of enrollment. All international students enrolled in one or more credit hours must enroll in the Student Health Insurance Plan (SHIP), unless they receive a special waiver personally granted by the SMU Insurance Department. Optional Dental Insurance enrollment will be available via online enrollment through Academic Health Plans website at http://smu.myahpcare.com.

Financial Policies

Students are individually responsible for their financial obligations to the University. All students are charged tuition based on their primary academic career at the University.

A student whose financial account is overdue or who in any other manner has an unpaid financial obligation to the University may be denied the recording and certification services of the Office of the University Registrar, including the issuance of their diploma, and may be denied readmission until all obligations are fulfilled. The Division of Enrollment Services and Student Financial Services may stop the registration, or may cancel the completed registration, of a student who has a delinquent account or debt and may assess all attorney's fees and other reasonable collection costs (up to 50 percent of the delinquent balance) and charges necessary for the collection of any amount not paid when due. Matriculation in the university constitutes an agreement by the student to follow all university rules, regulations, and policies.

Once the outstanding debts are paid, the student will need clearance from a member of the Division of Enrollment Services and Student Financial Services before being allowed to register or receive a diploma from the university.

Applications for financial aid should be submitted well before registration following the recommended filing dates set forth by the Division of Enrollment Services, Student Financial Services. Applications received after the recommended deadline can expect a delay in application processing time due to the increased volume. This will delay disbursement of financial aid to the student account. Students and families are expected to clear all charges by the published billing due dates regardless of the status of their financial aid application. Funds that disburse to the student account after the payment due date has passed will be applied to the outstanding charges first.

Payment of Accounts

Payment of tuition, fees, housing, meal plan, and all other charges are completed online through the SMUpay option in my.SMU.edu. Students and/or Authorized Payer(s) can select the method of payment (Electronic check (eCheck) (no service charge) or credit card (with a non-refundable 2.85% service charge) - Amex, Discover, and MasterCard (All Accounts), VISA (Student Account (Tuition/fees, room/meal plan, parking permit, mandatory health insurance) and payment plans ONLY). Convera (formerly known as Western Union)-international and domestic wires, Flywire-international wires only). A service fee may apply.

A check returned dishonored, or a credit card payment returned as a chargeback will constitute nonpayment of account and must be replaced by a cashier's check or money order. This nonpayment may result in withdrawal from the university and the requirement that the student's account payment for future terms be made by cashier's check or money order before enrolling. A $30 charge will be assessed each time a payment is returned.

Students registering must ensure that payment for the full amount of charges is posted to their account by 11:59 pm central time on the payment due date showing on their bill. The initial term payment due dates are also published on the Student Financial Services website. Billing notifications to view the bill are sent to the student's SMU email address and to the designated email address of the Authorized Payer(s) when a bill is generated. The billing notification will provide instructions on how to view the bill online through SMUpay. If the notification has not been received two weeks prior to the due date, the student and/or designated Authorized Payer(s) should contact Student Financial Services. Payments made in person or mailed must be received by Student Financial Services, located on the first floor of the Blanton Student Services Building, no later than 4 p.m. central time on the payment due date. Payments made online via electronic check or credit card must be posted no later than 11:59 p.m. central time on the payment due date. Students and/or those paying on behalf of the students who pay online automatically receive an electronic confirmation of payment; students and/or designated Authorized Payer(s) paying through other methods also can verify receipt of payment online. Students enrolling after the payment due date must pay at the time of enrollment.

If proceeds from state and federal loans are to be used to pay a student account, the funds must be posted to the student account in the Office of Student Financial Services by the payment due date.

Schedule Changes

A student who drops a course during the scheduled add/drop period, but stays enrolled in other courses, will not be charged tuition and fees for the dropped course. (Undergraduate students pay the same tuition for 12-18 credit hours.) There will be no reduction in tuition charges for any course(s) dropped after the scheduled add/drop period. A student who drops all courses will be canceled or withdrawn, depending on the date of the transaction.

As of Fall 2017, all careers will have an extended time to drop a course or withdraw from the University without academic record. This deadline is the 10th class day of the term. This extended drop/withdrawal date applies to the fall and spring terms only. NOTE: Tuition is NOT reduced for courses that are dropped after the last day to add/drop. (See Academic Calendar for specific dates.) A student who drops all courses by this date will be canceled from all courses; however, the Withdrawal Refund Schedule applies.

Past Due Payment Fee

After the monthly payment due date has passed, a 1.5 percent past due fee will be assessed on the unpaid student and/or miscellaneous account each month until the balance is paid. The enrollment of students whose accounts are unpaid after the payment due date may be canceled at the university's discretion.

SMU Bookstore Direct Charge Policy

SMU allows students to have purchases from the SMU Bookstore charged directly to their miscellaneous student account. Charges are billed monthly and are due on the date specified on the bill. Students with outstanding balances on their miscellaneous account will be charged 1.5 percent monthly on the past due balance. Students who have an outstanding balance during their tenure at SMU may lose the privilege to use direct charge from the SMU Bookstore. Students with repeated delinquencies on the account and/or returned checks will lose the privilege for the rest of their matriculation at SMU.

Student Refunds

If the proceeds from student loans have been received by SMU prior to the first day of class and the student is eligible for a refund, Student Financial Services will automatically begin processing refunds at the time the proceeds are posted to the student's tuition account. Federal regulations state the earliest date a refund can be processed, if the funds are disbursed to the tuition account, is 10 calendar days prior to the first day of class. Additionally, federal regulations require SMU to process refunds within 14 calendar days from the first day of class of a student's primary academic career. If loans are received after the first day of class, students need to allow up to 14 calendar days from the date the proceeds are applied to the tuition account for a refund to be processed.

Any outstanding debts to the university that include Title IV funds must have an Authorization to Credit Account form (ACA) and/or an Authorization to Credit Account Parent form (ACAP) on file in order to transfer funds to cover current award year debts. Students need to complete the ACA form and the federal parent PLUS borrower needs to complete the ACAP form. Any outstanding university debts that do not include Title IV funds will be deducted from the credit balance before issuing the refund.

SMU has signed a contract with Heartland ECSI Refund Select. Students can sign up for an electronic refund by logging into my.SMU, selecting the "Financial Account" tile and clicking on the MyRefundSMU link on the left-hand menu. In creating your profile, please note that your selected username must begin with a letter and cannot have spaces or special characters. Once you have created your account, select "Direct Deposit" as your preferred method for refunds to receive your refund promptly. You must be eligible to enroll to access RefundSelect.

Refunds are continuously processed throughout the year as financial aid is applied to student accounts. Students may call or visit Student Financial Services in the Division of Enrollment Services to check on the status of a refund 14 calendar days after funds have been applied to the tuition account.

Withdrawals from the University

Withdrawal Information

Students wanting to withdraw from the university should visit the University Registrar's website for specific information about the withdrawal process: www.smu.edu/EnrollmentServices/Registrar/Enrollment/

Medical Withdrawal
Students wanting to withdraw from the university due to medical reasons should visit the University Registrar's website for specific information about the medical withdrawal process: www.smu.edu/StudentAffairs/HealthCenter/FrontDesk/MedicalWithdrawals.

Withdrawals and Financial Aid
Students receiving financial aid should contact Student Financial Services prior to starting the withdrawal process.

Housing and Meal Plan

The Housing Agreement is made for fall and spring terms or for one or both five-week summer sessions. Should a student move from the residence hall at any time, the rest of the rent for the term(s) or five-week summer session(s) will be due. For more specific information, read the Housing Agreement form or consult with the Department of Residence Life and Student Housing. A percentage of meal plan charges may be refunded based on the date of official withdrawal from the University.

TUITION AND FEES SCHEDULE FOR CANCELLATION/WITHDRAWAL

A student who officially cancels his or her enrollment or withdraws from the University is charged only a portion of their tuition and fees based on the effective date of the cancellation or withdrawal.

Special Schedule
IEP career follows summer schedule for May term and Summer.
Graduate Cox programs follow Fall/Spring schedule for Fall/Spring/Summer terms.
Graduate & Advanced Studies program follows the same schedule for Fall/Winter/Spring/Summer terms.
SMU Abroad programs have a "NO REFUND" policy after the start of the program and follow refund schedule on application.
SMU-in-Taos programs follow the refund schedule on applications.

Please refer to the following tables for the schedule:

FEDERAL AID POLICY ON FULL CANCELLATION OF CLASSES AND TOTAL WITHDRAWAL FROM THE UNIVERSITY

Return of Federal Student Aid Funds

The Higher Education Amendments of 1998 establishes the principle of "earned aid/unearned aid" for administration of federal student aid. A student "earns" federal aid in proportion to the percentage of the term completed. Students withdrawing from the University before completing 60% of the term will be subject to the Federal Return to Title IV (R2T4) calculation. The R2T4 calculation is used to determine the amount of aid a student has earned during a term. Any student that completes 60% of a term is considered to have earned 100% of their financial aid funds for that term. Students who do not complete at least 60% of the term may be required to return the "unearned" portion previously disbursed financial aid. For example, a student who completes 30 percent of the term has "earned" 30 percent of their federal aid eligibility for that term; however, SMU and/or the student may have to return the "unearned" 70 percent of aid. Students who complete 60 percent of a term are considered to have earned 100 percent of their aid for that term.

A student who receives a refund of financial aid funds for educational expenses that are not billed directly (books and supplies, transportation, living and/or personal expenses) may be required to return the unearned portion of that refund. Federal regulations require all schools to notify the U.S. Department of Education of any student who is required to return an unearned portion of financial aid funds received. The student is ineligible for additional federal aid, at any institution, until repayment is made in full.

STUDENT FINANCIAL SERVICES POLICY ON TUITION REVERSAL FOR A FULL CANCELLATION OF CLASSES AND TOTAL WITHDRAWAL FROM THE UNIVERSITY

Tuition charges will be adjusted based on the following schedule for students who totally withdraw from the University.

Withdraw Date	*Percentage of Tuition Reversed*
Prior to 1st day of term	100%
1st through 5th day of term	90%
6th through 10th day of term	50%
11th through 15th day of term	25%
16th through 20th day of term	10%
After 20th day of term	0%

Per Federal Regulation, a credit balance resulting from a withdrawal calculation MUST be returned to the Federal Financial Aid programs first. Once all required reductions in financial aid programs have been completed, any remaining funds will be refunded to the student.

Attribution of Refunds to Aid Programs

- Unearned funds must be returned to the funding source(s) in accordance with federal, state, and institutional policies.
- Federal aid programs must be returned in the following priority sequence: Federal Direct Unsubsidized Loans, Federal Direct Subsidized Loans, Federal Direct PLUS Loan, Federal Pell Grant and Federal SEOG.
- Any portion of the unearned financial aid not attributed to federal Title IV programs will be returned to non-federal funding sources in the following priority sequence: state grant, SMU gift aid, private gift aid, private loan, and student/parent.
- In no case will funds returned to a source exceed the disbursement for that payment period made from the source.

Payment Options

SMU offers a variety of payment options and plans to aid its students while they are in college. These payment options include cash, check, eCheck*, money order, cashier's check, electronic credit card (American Express, Discover, MasterCard, and VISA), direct wiring of funds and financial aid. In addition to the above payment options, SMU provides payment plans to aid in college expenses administered by the Division of Enrollment Services. A list of institutional, state, and federal sources of financial assistance can be found in the following sections: Loans, Guidelines for Need-Based Assistance, Grants, and SMU Satisfactory Progress Policy.

*Contact your financial institution to determine if ACH transactions are allowed.

SMU MONTHLY PAYMENT PLANS

Objective: Pay term charges for tuition, fees, room, and meal plan in monthly installments with no interest charges.

Payment Plan Options: The SMU monthly payment plans are available on a term basis. Payment plans **do not** automatically renew. For each term you wish to make monthly payments, you must enroll in a new payment plan. Payment plans are available for Fall, Spring and Summer Terms. Plans are not available for Jan, May, August, and Winter Terms. An open balance from a previous term cannot be added to a current payment plan and payment plans cannot be applied to Miscellaneous account charges.

Refer to www.smu.edu/paymentplans for detailed payment plan information.

Term Payment Plans include:

- **6-Month Payment Plan:** The 6-Month Payment Plan runs July 5 through December 5 for fall and January 5 through June 5 for spring, with a $50 per term nonrefundable enrollment fee and an enrollment deadline of August 10 for fall and January 20 for spring.
- **5-Month Payment Plan:** The 5-Month Payment Plan runs August 20 through December 20 for fall and January 20 through May 20 for spring, with a $65 per term nonrefundable enrollment fee and an enrollment deadline of September 30 for fall and February 28 for spring.

Term Payment Plans include:

- **Summer Tuition Payment Plan**: The Summer Payment Plan consists of 3 installments: May 20, June 20, and July 20, with a $75 nonrefundable enrollment fee and an enrollment deadline of June 10. Please note that this plan may overlap with the fall and spring plans, so please plan accordingly should you decide to enroll.

Enrollment

A student or an "Authorized Payer" can enroll in one payment plan per term. Multiple payment plans per term are not allowed. The student or Authorized Payer who creates the payment plan will become the "Plan Owner". Changes to the payment plan can be made by the student, Authorized Payer, SMU, and Nelnet Campus Commerce. Only the Plan Owner can change the payment method (current bank account or credit card used for scheduled payment plan payments).

Automatic payment is required to enroll into a payment plan. Payments must be made via automatic deduction (ACH) from a regular United States checking or savings account or via credit/debit card (American Express, Discover, MasterCard, and VISA). ACH payments are free of charge. Credit/debit card payments will be assessed a non-refundable 2.85 percent service fee per transaction (charged by Nelnet Campus Commerce). ACH payments are processed on the 5th or 20th of the month, depending on which payment plan you select. When the 5th or 20th falls on a weekend or holiday, ACH payments are processed the following business day. Dates and plan terms may be subject to change without notice.

For help with your payment plan, please contact Nelnet Campus Commerce at 888-470-6014 from 7 am - 9 pm Monday - Friday CST and 8 am - 2 pm on Saturdays CST. You can also contact SMU Student Financial Services via email at manedesk@smu.edu or by phone at 214-768-5555 from 9 am - 4 pm Monday, Tuesday, Thursday, and Friday and 10 am - 4 pm on Wednesdays.

Additional Information

Please consider one of these payment plans or make full payment directly to SMU by the payment due date in order to avoid a late payment fee. Charges exceeding your financial aid should be resolved by paying in full or by enrolling in a plan by the due date. A down payment will be required if you enroll in a payment plan close to or after the first installment is due. More financial information can be found on the Student Financial Services' website at smu.edu/enrollmentservices/sfs. You can meet with a Student Account Advisor in the Blanton Student Services Building or call 214-768-5555 for assistance.

SMU PREPAYMENT PLAN (One Single Payment Up Front for All Terms)

SMU allows a matriculated undergraduate full-time (12 - 18 credit hours) student to prepay a minimum of two years and up to four years of tuition and general student fees at the current year rate. It covers fall and spring terms only.

The prepayment amount is due on the payment due date for the fall term; or, if the current fall term has already been paid in full by the payment due date, the remaining terms must be fully paid by the last day of October of the current school year.

Scholarships and grants may not be used to reduce the prepayment amount.

If the student withdraws or is dismissed from SMU, the unused credit in the prepayment account will be refunded to the signatory on the enrollment form, after the student's account has been paid in full.

For information on the SMU Prepayment Plan, please contact Student Financial Services at manedesk@smu.edu.

TAX EXCLUSION

Gift Tax Exclusion

Under the Internal Revenue Code, Section 2503(e)(2)(A), a direct transfer of funds to an educational institution such as SMU to be applied to cover the present and/or future costs of tuition for a college or university student does not count as a "gift" for federal gift tax purposes. Please contact your personal tax adviser for more information.

Estimated Expenses - Cost of Attendance

Cost of Attendance Information

The purpose of the **Cost of Attendance (COA), sometimes referred to as the "student budget",** is to provide an estimated cost to attend SMU for a single academic year consisting of two terms (fall and spring) or nine calendar months (September to the following May). The COA is updated annually. The following information should be used as a guide when planning educational finances for the academic year.

The COA not only helps students with understanding some of the potential costs associated with attending college, but it is also used to determine a student's maximum eligibility for most types of financial aid including federal, state, and institutional need-based aid, scholarships, as well as loan eligibility. It is important to understand that the Cost of Attendance, as it relates to your financial aid, is the estimated cost for most students in a specific degree program and includes an allowance for housing, meal plan, transportation, books, supplies, and miscellaneous expenses as well. It is NOT the actual amount that will be owed to the University.

Direct Costs vs. In-Direct Costs:

- **Direct costs** are those billed directly by the university such as tuition and fees, along with housing and meal plan for students who are living on campus.
- **In-Direct costs** are educationally related expenses not billed by the university. For example, students who live off campus are expected to pay rent and utilities such as electric, water, and internet service. These are all expenses related to their education but may not be billed directly by SMU. They are "in-direct costs". These expenses may vary significantly depending on a student's choice in housing, neighborhood, utility, service plans, etc.

Again, the information below is estimated. Amounts may vary depending on the individual student's degree plan, number of hours enrolled, choice of housing, and specific program of study. It should only serve as a point of reference for students and their families to decide how much it may cost to attend SMU. It is NOT the amount you will be required to pay.

2024-2025 Cost of Attendance Information for Graduate & Professional Programs

Graduate tuition rates and fees vary per program. The information provided below will guide you through determining the estimated costs of attendance for your specific program of study.

The following assumptions are made when calculating the cost of attendance for a graduate program.

- Anticipated enrollment in the fall & spring terms
- Enrollment of six or more credit hours each term during the standard academic year
- Off-Campus housing

Direct Costs *(Billed directly by SMU)*

Tuition	See Tuition and Fees for your specific program
Student Fees	See Tuition and Fees for your specific program

In-Direct Costs *(Estimated expenses not billed by SMU)*

Allowance for Off-Campus Housing, Meals, Books, Supplies, Loan Fees, Transportation, other Misc. expenses	$27,237**

In-Direct Costs for online programs such as Data Science are $24,387.

***Allowances are estimated based on off-campus housing. Expenses for living off-campus are specific to the individual student and will vary significantly depending on the type of housing, choice in neighborhood, home leasing/rental rates and the number of occupants. Each of these should be considered when evaluating your housing options.*

Loans

SMU and other investment partners offer your family several loan options featuring low-interest rates and long-term payments. Some loans are awarded based on documented financial need, others on creditworthiness and income. All loans must be repaid; they are not considered gift aid.

FEDERAL DIRECT SUBSIDIZED LOAN

- **Funding Partner:** U.S Federal Government
- **Eligibility:** Awarded based on financial need shown by the Free Application for Federal Student Aid (FAFSA).
- **Amount:** Up to $3,500 for the first year; $4,500 for the second; $5,500 for subsequent junior and senior years.
- **Interest Rate:** Fixed 6.53 percent for Undergraduate loans disbursed on or after July 1, 2024, and before July 1, 2025. Interest accruals are subsidized by the Federal government until the loan enters repayment.
- **Repayment:** Begins six months after student ceases attending at least half-time (6 hours). Student is the borrower. Interest begins accruing the month after graduation.

FEDERAL DIRECT UNSUBSIDIZED LOAN

- Similar to the Federal Direct Subsidized Loan, with two exceptions: Demonstrated financial need (as determined by the FAFSA) is not required, and interest accruals, which begin at the point of disbursement, are the responsibility of the borrower. Undergraduate students may borrow $2,000 annually, at an interest rate of 6.53 percent annually. Graduate students may borrow $20,500 annually, at an interest rate of 8.08 percent for loans first disbursed on or after July 1, 2024, and before July 1, 2025.

FEDERAL DIRECT PARENT PLUS LOAN

- **Funding Partner:** U.S. Federal Government
- **Eligibility:** Borrower creditworthiness; FAFSA record on file with the school.
- **Amount:** Cost of attendance minus other financial aid.
- **Interest Rate:** Fixed 9.08 percent for loans first disbursed on or after July 1, 2024, and before July 1, 2025.
- **Repayment:** Begins immediately after final disbursement of the loan for the year, usually March; parent is the borrower; payment may be deferred up to six months after student graduation or if the student falls below half-time enrollment status (6 hours).

FEDERAL DIRECT GRAD PLUS LOAN

- **Funding Partner:** U.S Federal Government
- **Eligibility:** Borrower (student) creditworthiness, FAFSA record on file with the school.
- **Amount:** Cost of attendance minus other financial aid.
- **Interest Rate:** Fixed 9.08 percent for loans first disbursed on or after July 1, 2024, and before July 1, 2025.
- **Repayment:** Begins immediately but can be deferred with half-time enrollment.

COLLEGE ACCESS LOAN (www.hhloans.com)

- **Funding Partner:** Texas Higher Education Coordinating Board.
- **Eligibility:** Verified Texas resident; creditworthy co-signer needed.
- **Amount:** Up to cost of attendance minus any other financial aid.
- **Interest Rate:** Fixed 5.85 percent for loans certified on or after July 1, 2023. Interest is not capitalized.
- **Repayment:** Loans have a six-month grace period from the date a borrower ceases to be continuously enrolled as at least a half-time student at an eligible institution. Principal balances under $30,000 have up to a ten-year repayment period with minimum monthly payments of $50. Principal balances of $30,000 or more have a repayment period up to 20 years.
- Postponements of loan repayment and income-sensitive or graduated repayment schedules are available.

Guidelines for Need-Based Assistance

SMU follows the philosophy that financing an education is a "shared investment" between government, schools, and families. We believe that both parents and students have a primary responsibility to contribute toward educational expenses to the extent that are reasonable. Consideration for each need-based financial aid program is based on specific criteria as required by the funding source.

SMU FUNDED NEED-BASED AID

SMU considers an undergraduate student to be dependent upon their families. To be considered for SMU need-based funds, each family must submit the Free Application for Federal Student Aid (FAFSA) and the College Board's CSS/PROFILE® application each academic year.

Per federal regulations, a student is classified as "dependent" unless they satisfy one or more of the following requirements. If the answer is yes to any of the following, the student is classified as "independent."

- The student is an orphan or a ward of the court.
- The student is a U.S. military veteran.
- The student provides more than half of the financial support for a dependent other than a spouse.
- The student is married.
- The student turns 24 years of age before December 31 of the academic year for which aid is sought.
- The student was in foster care after age 13.
- The student was an emancipated minor by the court in the student's state of legal residence.
- The student was under legal guardianship as determined by a court in the student's state of legal residence.

The university reserves the right to alter the combination of gift funds and self-help funding (student loan and work programs) from year to year based on a family's demonstrated financial need as determined through the FAFSA and CSS/PROFILE® applications, along with the availability of funds, current university policies approved by the SMU Board of Trustees, and federal/state legislation. Typically, the amount of self-help will increase as a student advance toward graduation.

STATE AND FEDERAL ELIGIBILITY GUIDELINES

To be eligible for federal and/or state financial aid, a student must meet the following criteria:

- Be in good standing with the university.
- Meet or exceed the minimum standard for Satisfactory Academic Progress (SAP) in an approved, degree seeking or certificate program.
- Not be in default on any federal or state student loan or have borrowed more than the loan limits
- Not be flagged for a previous federal or state grant overpayment
- Be a U.S. citizen or an eligible non-citizen for federal aid programs
- Be a Texas resident as defined by State of Texas for state aid programs

FEDERAL VERIFICATION REQUIREMENTS

Students may be selected for verification by SMU (Institutional selection) or by the U.S. Department of Education (Federal selection). If selected, students and their families must submit any and all documents requested by the university to confirm and verify the accuracy of data submitted on the FAFSA. Supporting documentation may include, but is not limited to, signed copies of 1040 income tax returns, official tax transcripts from the U.S. Internal Revenue Service, W-2's, household size documentation, legal marriage and/or divorce documentation including child custody and support decrees, and non-custodial parent financial information. All required documentation should be submitted within the time limit provided at the time of notification. Funds may not be disbursed until the verification process is complete.

Grants

GRANTS AND NEED-BASED AWARDS (GIFT-AID)

Grants are typically awarded based on demonstrated financial need. Amounts may vary each year depending upon the information provided on the Free Application for Federal Student Aid (FAFSA) and CSS/PROFILE® applications. Both applications, (FAFSA and CSS/PROFILE®) must be filed each academic year.

FEDERAL PELL GRANT

- **Awards:** Amounts vary based on number of enrolment hours.
- **Funding Source:** Federal government.
- **Eligibility:** Determined by the U.S. Department of Education based on analysis of a student's completed FAFSA; awarded to students with high financial need.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (SEOG)

- **Awards:** Up to $4,000; vary in number depending on allocation to SMU. Funds are extremely limited.
- **Funding Source:** Federal government.
- **Eligibility:** Priority given to Pell Grant recipients; awarded as part of aid "package" to those who meet federal and SMU criteria.

TEXAS TUITION EQUALIZATION GRANT (TEG)

- **Awards:** An award amount may vary depending on allocation to SMU and date of application. The standard amount is $3,873. Students who meet the state guidelines for exceptional financial need may receive up to a maximum of $5,810 if funds are available.
- **Funding Source:** State of Texas.
- **Eligibility:** Must demonstrate financial need and meet the Texas State Residency requirements as defined by the Texas Higher Education Coordinating Board. Must maintain an enrollment status of three-quarter time. Awards are based on the availability of funds as determined by the Coordinating Board.
- **Renewal Requirements:** Must maintain Satisfactory Academic Progress (SAP) as defined by SMU, must successfully complete a minimum of 24 per academic year, must successfully complete at least 75 percent of hours attempted, and maintain a cumulative GPA of 2.500 or higher.

SMU OPPORTUNITY AWARD

- **Awards:** Vary annually based on a family's finances as demonstrated by the CSS/PROFILE®.
- **Funding Source:** SMU.
- **Eligibility:** Awarded based on financial need demonstrated by the CSS/PROFILE® as part of an aid "package" after self-help and other gift aid is offered.

Employment

National studies show that college students who work part-time find it beneficial to supplement finances and learn skills such as time management. They also stay in school at a rate significantly higher than non-working students, according to a U.S. Department of Education survey. Earnings for the following employment programs are paid biweekly to the student and are not applied to university invoice costs. For information on current job openings, visit the Financial Aid Student Employment Office website at smu.edu/enrollmentservices/financialaid/typesofaid/studentemployment.

FEDERAL WORK-STUDY PROGRAM

The Federal Work-Study (FWS) program offers on- and off-campus community service along with on-campus work opportunities to eligible students.

- **Funding Source:** Federal funds matched by SMU.
- **Eligibility:** Must file a Free Application for Federal Student Aid (FAFSA) as part of the application process for FWS aid, awarded as a part of a need-based financial aid package.

ON-CAMPUS STUDENT EMPLOYMENT

On-campus employment is available to students based solely on the desire to work on campus.

- **Eligibility:** SMU students.

Academic Scholarships for International Students

SMU offers a limited number of undergraduate academic scholarships to students who are citizens of foreign countries and who have outstanding academic records.

In the Department of Homeland Security (DHS) regulations, international students are allowed to work only on campus while attending school in the United States. Students must be enrolled as full-time students and can work a maximum of 20 hours per week. Between periods of enrollment (summer, winter, etc.), a student may work 40 hours per week. Inquiries concerning financial assistance for graduate study should be sent to the graduate division of the SMU school in which the student hopes to enroll.

SMU Satisfactory Progress Policy

SMU SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY

(Federal, State and Institutional Financial Aid)

As of July 2011, SMU has updated their Satisfactory Academic Progress (SAP) policy to accommodate the changes to the Federal Satisfactory Academic Progress requirements under the Program Integrity Regulations of 2010.

Federal regulations require students to meet specific Satisfactory Academic Progress (SAP) requirements to maintain eligibility for financial aid. Students are evaluated annually, prior to the start of the summer term, to verify academic progression. The following information describes various measurements used to determine satisfactory academic progress and the minimum SAP requirements to keep eligibility for federal, state, and institutional financial aid programs.

NOTE Most SMU merit-based scholarships require a minimum GPA of 3.000 or higher. For more information on the retention requirements for your specific academic scholarship, please refer to your academic adviser or academic catalog.

Standards of Measurement:

Cumulative GPA (Qualitative Measurement)
All careers & academic programs are measured at the end of the spring term each year (unless otherwise noted). Measurement is based on the following.

- **Undergraduate Students** – Minimum cumulative GPA of 2.000 or higher.
- **Graduate Students** – Minimum cumulative GPA of 2.000 for all programs unless otherwise required by the academic department or graduate program of study. Academic departments may require a minimum cumulative GPA greater than 2.000 for all students enrolled in a specific program of study. The GPA used to determine SAP for any specific program will be stated in each school's academic catalog. If there is no GPA requirement listed for the school or program, a GPA of 2.000 will be used.

Degree Completion Rate (Quantitative Measurement)
Schools must ensure that students are progressing toward completing their degree at a reasonable rate. The rate of completion is measured as follows:

Completion rate = Total number of earned hours ÷ Total number of hours attempted.

- **Undergraduate** - Required completion rate of 75%.
- **Graduate** - Required completion rate of 60%.

Program/Time Limits

- **150% Hour Limit** – The total number of hours attempted by students, both undergraduate and graduate, cannot exceed 150% of the total number of hours required to earn the degree. Students exceeding 150% are not eligible to receive federal, state, and institutional aid.
    - **Changing Majors** – A student who has attempted 150% of the hours needed to earn his/her degree because the student has changed majors, is an example in which professional judgment can be used to allow additional hours to be attempted.
    - **Transfer Hours** – Hours transferred to SMU from other institutions that meet the degree plan course requirements and are accepted for transfer credit will be included in the 150% calculation.

- **Maximum Term Limits**
    - Undergraduate students are limited to 12 terms or six academic years.
    - Graduate students are limited to the time determined by the specific academic program. Information on program length can be found in the course catalog for your program of study. Maximum term limits for Doctoral programs are evaluated on a case-by-case basis with advisement from the academic department.
    - Students attending less than full time will be allowed extra terms to complete their degree.

SAP Status

- **Meets** – Students who meet the minimum standards previously mentioned are given a satisfactory status of **"Meets SAP"** and will remain eligible to receive Federal Title IV and state financial aid funding for the upcoming academic year.
- **NOT Meets** – This unsatisfactory status will be assigned to any student who does not successfully pass all required measurements for their program of study. Students failing one or more of the required measurements will be flagged as "**Not Meets SAP**" and immediately notified that they are no longer eligible to receive financial aid funding. Any financial aid awarded for upcoming terms will be canceled. SAP notification is sent via SMU email. A hard copy letter may be sent as a follow up if a student has not responded.
    - An **SAP Notification** letter notifies the student that they are no longer eligible to receive Title IV funds based on the standards of satisfactory academic progress. It also explains why they are failing SAP and gives instructions on how to re-establish eligibility.
- **Approval on Appeal with Probation (APPB)** – Assigned by the financial aid adviser as part of successful SAP appeal. Appeal documentation will be kept in the student's file. APPB is for one-term only and allows students to receive aid for only one term. At the conclusion of the probationary term, SAP will be measured again to determine if the student has met all required measurements. Students who successfully meet the minimum requirements will remain eligible to receive aid. The SAP status will be updated to "**Meets SAP**". Failure to meet all measurements will have the student ineligible for financial aid and the SAP status updated to "**Disqualified**". Students who do not meet all required measurements but have shown considerable progress toward meeting the minimum requirements may be instructed to meet with the academic adviser to determine if the student has shown a measured improvement toward meeting SAP. Based on the academic adviser assessment, students may submit a second appeal with a multi-term academic plan that will achieve the minimum requirements for SAP. If approved, the SAP status is changed from APPB to APPL (Approved with an Academic Plan).
- **Approved with an Academic Plan (APPL)** – Assigned by the financial aid adviser because of a successful SAP appeal designed specifically for the student by the academic advisor. An academic plan is a multi-term agreement between the student and the academic advisor that must show consistent, progressive improvement over multiple consecutive terms until the student is once again maintaining satisfactory academic progress Once placed on an academic plan, SAP is measured at the conclusion of each term for improvement based on the adviser approved academic plan. Eligibility for financial aid will be approved on a term-by-term basis. Students who do not show measurable improvement toward meeting the minimum SAP requirements will be disqualified for financial aid funding.
    - If the student is following the established academic plan, the student will be awarded aid for the next term.
    - If the student is not following the established agreement, the student will be allowed to appeal one more time for aid. The appeal documents will be sent electronically to the student. Aid will be awarded if the appeal is approved by the Financial Aid Appeals Committee. Students whose appeal is denied will be contacted electronically by the financial aid adviser and will be given a detailed plan on how to regain eligibility for aid.
    - A Financial Aid Hold blocking enrollment may be placed on students with an academic plan.
- **Approved per Professional Judgment (APPJ)** – Assigned by the financial aid adviser due to a successful SAP appeal. Appeal documentation will be kept in the student's file. This status is typically used for students enrolled in doctoral programs or during terms when students may be working on a dissertation where progression cannot be measured by GPA or Enrollment. Recommendation is given by the academic adviser.
- **Disqualified** – Assigned by the financial aid adviser when a student has exhausted all appeals and is no longer eligible to receive financial aid funds.

THE SAP APPEAL PROCESS

Students who fail any of the SAP measurements resulting in the loss of eligibility may submit an appeal for an extension of eligibility directly to the Office of Financial Aid. Each appeal is reviewed on a case-by-case basis. Final approval will be decided by the committee.

Elements of an SAP Appeal

- A personal letter/email from the student to **Financial Aid Services** is required. The letter should explain the student's mitigating circumstances. Mitigating circumstances prevents the student from completing the required measurements as mentioned. Some examples of mitigating circumstances are student illness, family illness, other family problems, emotional upsets, interpersonal problems with other students, problems adjusting to college life, balancing school, work, etc. (Financial Aid Services has the responsibility, using professional judgment, to decide if other circumstances documented by the student can be considered.)
- Signed statement from the Academic Adviser confirming that they have met and discussed the SAP issue and worked with the student to develop a plan to improve academic standing. A detailed course plan, signed by the academic adviser, is required for students with a GPA of less than 1.8 and/or a completion rate of less than 70%.

Appeal Decision

- **Appeal approved** – Financial Aid Adviser will send a notification to the student via email. The student will also receive an electronic notice when their financial aid has been awarded.
- **Appeal denied** – If the appeal is denied, the Financial Aid Adviser will notify the student via their SMU email account.

Financial Aid Services handles reviewing and approving an appeal. At Financial Aid Service's discretion, the appeal may be submitted to the Appeals Committee, a committee which consists of various staff members within the Division of Enrollment Services. The Appeals Committee meets weekly.

Withdraws/Repeats/Incompletes/Failures – All hours attempted and earned will count toward the quantitative measure of 150% of hours a student may attempt when working toward a degree.

- **Course withdrawals and failures** – Hours from a course with a final grade of "W" or "F" will be included as attempted hours but not earned hours for SAP measurements.
- **Transfer hours and consortium hours** – Hours are included in attempted and earned hours. They are not counted in the cumulative GPA.

Repeated Classes and First Year Repeat – A course with a with a final grade of A, B, C, or D is considered successfully completed. A course with a final grade of F, W, or I is considered unsuccessfully completed. A successfully completed course may be repeated once when using financial aid funds to cover the course. A course that is unsuccessfully completed may be repeated no more than two times while using financial aid funds to cover the repeat hours. Once a course is successfully completed, a student can repeat the course only once and keep eligibility for financial aid funds.

Each time a course is attempted, regardless of the grade, the hours are included in the total attempted hours. Courses that are successfully completed (initial and repeat) with a passing grade are included in the total number of hours earned.

- **Grade of "F"** – Counts toward GPA and attempted hours. They will not count as earned hours and could affect the progression rate percentage.
- **Incomplete Courses** – Count toward attempted hours and if never completed, the student is assigned a failing grade. The grade of "F" counts toward GPA. Once an incomplete course is completed, the hours will count toward attempted and earned hours and GPA.
- **Summer Hours** – Count toward attempted and earned hours and GPA.
- **Pass /Fail Courses** – A passed course counts toward attempted and earned hours (but are not counted in GPA). A failed course is counted in attempted hours but not earned hours.
- **Non-Credit or Remedial Courses** – SMU does not offer Federal Financial Aid to students who enroll in non-credit or remedial courses, or to those students who attend the University in the summer for probationary or remediation status before the first year (Upward Bound Program, Athletes and Academic Prelude).

Additional SMU Programs

SMU Abroad

The SMU Abroad Office serves the SMU community by developing and coordinating international programs and providing support services during and after the abroad experience. Students at SMU can participate in a wide range of January, May, summer, and semester abroad programs where they study, intern and research to build global experience and intercultural competence.

For January, May and Summer abroad programs, non-refundable commitment fees are due from each student after acceptance into a program and are payable to SMU Abroad through the online application system.

Tuition is payable to SMU Division of Enrollment Services following regular university billing procedures. Deadlines are listed by term on the Student Financial Services website at https://www.smu.edu/EnrollmentServices/Bursar/DueDates.

For Term-time abroad programs (Fall and Spring), a deposit is paid directly to the program provider on a deadline set by the provider. Housing is paid directly to the program provider on a deadline set by the provider.

The balance of all other tuition and fees is payable to SMU Division of Enrollment Services following regular university billing procedures and deadlines for term-time. Deadlines are listed by term on the Student Financial Services website at https://www.smu.edu/EnrollmentServices/Bursar/DueDates.

SMU-in-Taos

SMU-in-Taos is a 423-acre SMU satellite campus on the beautiful mountains of Northern New Mexico. In this unique setting, SMU-in-Taos provides opportunities for experiential learning and an intimate community that fosters academic and personal growth. Students can fulfill major, minor, and/or CC requirements by taking classes in Taos during focused January and summer terms. Diverse course offerings allow students of all majors to participate. Students apply to the Taos program during the fall or spring term immediately preceding the Taos term and are helped with enrollment and travel preparation by the SMU-in-Taos office.

The SMU-in-Taos program offers the same undergraduate tuition rate as the main campus. Students attending SMU-in-Taos will pay room and meal plan rates that are competitive with those on the main campus in Dallas. Existing SMU scholarships and financial aid may apply to Taos tuition at a prorated amount. Students seeking further aid can also apply for the Friends of Taos scholarship and student worker positions. Students plan and pay for their own travel arrangements. Tuition, course fees, and room and board charges are payable to SMU Division of Enrollment Services, Student Financial Services or online at my.SMU.edu. Cancellation and refund policies and dates can be found at smu.edu/taos.

For more information on SMU-in-Taos programs, visit smu.edu/taos, email smutaos@smu.edu, or call (214)-768-3657.

Intersession Programs on the Dallas Campus

Jan Term 2025

In-person courses:
January 6 – 16, 2025 (8 class days)
Jan Term Online courses:
December 19, 2024 – January 17, 2025

May Term 2025

May 15 – 30, 2025 (11 class days)

Summer Sessions 2025

June Session (Sum 1): June 2 – July 1, 2025 (22 class days)
June A Session: June 2 – June 16, 2025 (11 class days)
June B Session: June 17 – July 1, 2025 (11 class days)

July Session (Sum 2): July 7 – August 5, 2025 (22 class days)
July A Session: July 7 – 21, 2025 (11 class days)
July B Session: July 22 – August 5, 2025 (11 class days)

Combined Session (Sum 3): June 2 – August 5, 2025

SMU offers students opportunities to take additional courses in a smaller class setting during the winter and summer breaks. In Jan Term, students complete one course in just 8 class days; in May Term students complete one course in just 11 days. The June and July intersessions are either 11 class days or 22 class days in length. Some online courses are also available in Jan Term and in the summer, each approximately one month in duration. A few courses run all summer long in a Combined 10-week session. Students may take up to 14 credit hours during the summer term but should not take more than 7 credit hours in June and 7 credit hours in July.

Whether the goal is to get ahead of the curve, explore new interests, or stay on track for graduation, Intersessions let students customize their experience and make the most of their time at SMU. Some 70 courses in a variety of subjects are offered during each of the January and May intersessions, and more than 200 courses are offered over the June and July sessions. Courses fulfill Common Curriculum (CC), major, minor, or elective requirements. Any SMU student is eligible to enroll in Intersessions through my.SMU. It may also be possible for non-SMU students to attend intersession courses after being admitted as visiting students.

Intersessions tuition comes at an added cost to Fall/Spring. No general student fees are assessed for Intersessions, though course-specific costs such as lab/studio fees or travel/accommodation fees may be associated with some courses. Most SMU merit-based and need-based financial aid is available in pro-rated amounts. Federal and state funds are not available for Jan Term and May Term but may be available for Summer if a student maintains enrollment in 6 or more credit hours.

Students living in SMU Residential Commons in both Fall and Spring terms who wish to remain on campus during Jan Term may stay in their current room at no additional charge. Students in residence and staying for May Term are eligible for on-campus housing by application, but those accepted will be moved to a single May Term commons and additional charges will apply. On-campus housing is available to any student attending June and July by application, space permitting; additional housing charges will apply. All housing arrangements and fees are administered by SMU Residence Life and Student Housing (RLSH) and SMU Dining Services.

For more information about SMU intersessions, please visit our website, smu.edu/intersessions. Email us at intersessions@smu.edu or call 214-768-1009.
