GPA – GRADE POINT AVERAGE is computed by dividing the total number of grade points earned by the total number of grade point hours attempted at SMU (i.e., excludes transfer coursework). Grade point hours attempted include only those hours for grades identified by a YES in the Included in GPA column in the Grades Chart found at [Enrollment and Academic Records, Standards, and Rules](#) page on the Registrar's website (then click on Grade link).

FOR STUDENTS FOLLOWING THE UNIVERSITY CURRICULUM:

1. An asterisk (*) indicates the number of courses required rather than units.
2. The Second Language requirement will only display when there is earned credit. Two courses in one language are required. If the requirement is partially satisfied, a line will display for each language with earned credit. Once the requirement is satisfied in one language, only the satisfied line will display. See the DPR for more detail on Second Language.
