TEXAS’ HAZELWOOD benefit cannot be used at SMU as it is only offered through a public institution

I understand an overpayment of benefits may occur if I change the number of hours enrolled, withdraw from the University, or receive a grade of F for nonattendance. I am responsible for repaying the Dept. of Veteran Affairs and/or Southern Methodist University the balance of any resulting debt.

GI Bill/VA awards are estimates of the anticipated payment SMU expects to receive. Veteran Affairs payment or non-payment turnaround is not controlled by SMU. Non-payment notifications may be months or longer from the original award date for this reason.

I recognize that it is my responsibility to pay Southern Methodist University the sum of the aggregate unpaid balance in the event funds from Veterans Affairs are not received or payment does not cover the tuition and fees balance in full.

- I acknowledge and agree to SMU’s policy regarding Veteran Affairs funding.**
