WELCOME TO OP LIVE DALLAS

We are glad to have you at our inaugural esports event. Get ready for two action-packed immersive days—from competitions and meet & greets to informative talks and interactive quests.

OP Live is a collaborative effort between eAgency Global and SMU Guildhall. Our vision is to become the premier gaming event where fans, parents, and first-time attendees can share and experience our passion for gaming. We hope to inspire and educate the next generation of gaming professionals and their families through exciting and engaging events which highlight multiple aspects of the industry through practical, real-life applications.

We aim to showcase opportunities available to passionate gamers while providing a weekend to remember.

COLLABORATE: The video game industry isn't just about playing games. Organizations from all backgrounds are entering the scene, including software companies, nonprofits, hardware manufacturers, and more. At OP Live, we are bringing a variety of different partners and organizations together to show attendees that there are opportunities for higher education and career paths available which incorporate their passion for gaming.

COMPETE: Pros put in thousands of hours to get to a level of play that pushes the game and themselves. These dedicated individuals are invited to display their skills, interact with fans, and share their stories. Attendees get an opportunity to test their skills amongst their peers and claim the title of OP Live Dallas Champ. We want to give you a chance to prove that you're the next big up-and-coming esports star.

CREATE: In partnership with SMU Guildhall, the #1 video game development graduate school in the world, we will show attendees how students are producing incredible video games and building their portfolios to go on to create the next AAA titles. Visit the SMU Guildhall booth to see the games that are being made by the next generation of game developers!

OP LIVE APP
immerse yourself.

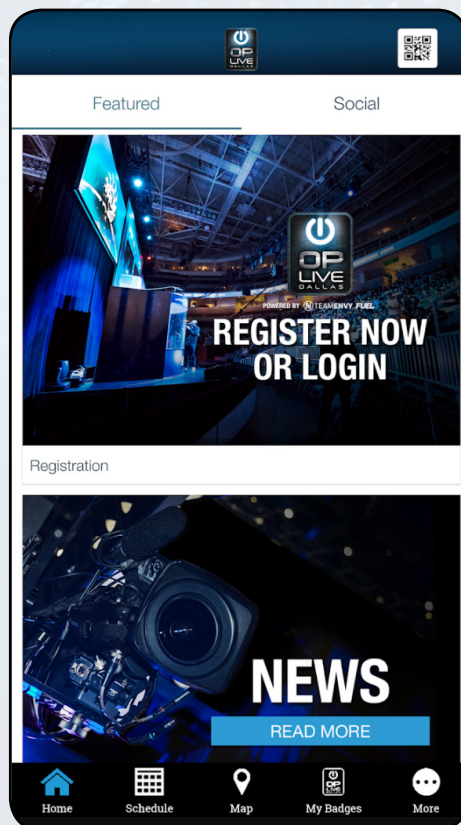

OP Live isn't just ABOUT games...
OP LIVE IS A GAME.

OP Live is an immersive, interactive esports event. Within the OP Live Dallas app, you'll find the OP Live Odyssey, which takes you on an adventure to unlock achievements and win exclusive prizes. Once you enter OP Live, volunteers and clues in the app will be your guides to complete quests and experience everything OP Live has to offer.

Can YOU reach 100% completion? Taking part is as easy as scanning a QR code with your smart phone. When you reach a milestone level, your app will notify you to head to the Odyssey Hub, where a Quest Giver will reward you.

Some quests will put even the most advanced gamers to the test. Need help with clues or assistance with the app? Ask a staff member on the show floor or visit the Odyssey Hub.

WILL YOU BE THE MOST OVER POWERED ATTENDEE WHO FINDS THE MOST HIDDEN QUESTS?

PLAY GAMES, HEAL KIDS

Extra Life started with a dream in 2008 that gamers could come together and help change the lives of sick and injured kids through video games.

We at OP Live Dallas want to continue the vision of Extra Life by donating and raising awareness at today's event.

Extra Life has raised more than \$40 million since it began and in 2010, the charitable organization became affiliated with Children's Miracle Network Hospitals. Children's Health is the second busiest pediatric health care provider in the nation and is a nationally-ranked Best Hospital in 10 specialties by U.S. News and World Report. Children's Health works tirelessly to provide the best level of care for every patient and family who walks through its doors. Along with its Children's Medical

Center locations in Dallas and Plano and Our Children's House specialty hospital, Children's Health also serves North Texas children at 18 specialty centers and through partnerships with UT Southwestern, CHRISTUS Trinity Mother Frances Health System and others. The organization also collaborates with 100 local schools to provide care through mobile units sent for onsite visits and its innovative telehealth initiatives.

**DO GOOD +

EXTRA LIFE + SMU GUILDHALL

SMU Guildhall is an ongoing supporter of Extra Life and hosts an annual charity game-a-thon to raise money for their local Children's Miracle Network Hospitals.

The annual SMU Guildhall Extra Life game-a-thon began several years ago under the vision and direction of one of the program's graduate students and has organically grown through enthusiastic student support every year since.

The 24-hour game marathons are student-led, and their 2017 Extra Life game-a-thon alone raised over \$15,000 to help local children.

BOUNTY ROYALE BRAWL

WHAT HAPPENS WHEN THE HUNTER BECOMES THE HUNTED?

DALLAS PRO LEAGUE FINALS 2017

OP Live Dallas is excited to introduce the Bounty Royale Brawl featuring *Fortnite*! On Sunday, Sept. 23rd, OP Live attendees will get the chance to face off against members from our invited pro teams, and aim for a spot in the final round by hunting and eliminating a pro (or getting a Victory Royale).

Meanwhile, pros compete to eliminate as many other players as possible, until the final round where they have to hunt each other... in the world's most popular game.

How does it work?

On Sunday, pro players will face off against 98 attendee duo pairs. Each round, new attendees will compete against a new pair of pros. Attendees who win a match or eliminate an invited player are automatically placed in the last round along with all of the invited players.

Attendee eliminates invited player:

Attendee is automatically seeded into the final game + small prize

Attendee gets Victory Royale:

Amateur is automatically seeded into the final round; amateur receives additional prizes

Pros will be competing against each other and will earn points per elimination, or if they get a Victory Royale. In the final round, eliminations against another pro & the Victory Royale will be worth more.

Finally, all players are rewarded based on placement in the last round. The winner gets the title of OP Bounty Hunter and the prize to go with it.

TOURNAMENT SIGNUPS WILL TAKE PLACE ON SATURDAY 9/22 AT THE OP LIVE ODYSSEY HUB
