Source: Fall 2008 - 2012 Census Headcount File

* Beginning in Fall 2010 New Race/Ethnicity Categories are being used to match the IPEDS reporting categories for Race/Ethnicity.

¹ Prior to Fall 2003 Students counted in Education were included in the Dedman counts and beginning in Fall 2006 the Degree Seeking student are now in Dedman

NOTE: There may be some differences in the number of degree seeking students reported since some students can be enrolled in more than one program

and are only counted in one program for purposes of this report. For example Fall 2004 registrar reports show 6,082 degree seeking students verses the 6,090 shown here.

NOTE: Totals of Undergraduates and Graduates from any category or across the University will not total to complete total of students since only Degree Seeking Undergraduates are included in this table.
