   Jason Zarin, *Keeping Up with New Legal Titles*, 106 LAW LIBRARY JOURNAL 110-11 (2014).
   Susan Ginsburg, *Book Review*, 2 JOURNAL ON MIGRATION AND HUMAN SECURITY 73-75 (2014).

   "With authoritative detail, this elegantly written and constructed book takes on an overlooked travesty of contemporary counterterrorism - easy use of the terrorist watch list to stop Americans from coming home. … A necessary read."
   – Susan Ginsburg, Sr. Counsel & Team Leader, 9-11 Commission

   This book is creative, interesting, and takes on a slice of the war on terror that no one else has systematically considered." **– Dale Carpenter, University of Minnesota Law School**

   "Despite an avalanche of writing about post-9/11 security policies, far too little attention has been paid to the increasingly important world of watchlists and their impact on the ability to travel. Jeff Kahn has filled this gap with a definitive account that deftly blends historical, legal, and policy analysis. And he has done it with real narrative flair. Mrs. Shipley's Ghost will be required—and thoroughly enjoyable—reading for anyone interested in the intersection of data, security, and liberties."
   – Robert M. Chesney, University of Texas School of Law

3. **FEDERALISM, DEMOCRATIZATION & THE RULE OF LAW IN RUSSIA. Oxford Univ. Press, 2002.**

   "... I have not seen a better account, or a more perceptive one, in any language. ... the best and the most thoughtful account available of the early experience."
   – William E. Butler, *Federalism or Federationism*, 100 MICH. L. REV. 1444 (2002)

   "It is indispensable for students of Russian political institutions and a valuable addition to the literature on comparative federalism." **– Pamela Jordan, 63 RUSSIAN REVIEW 359-60 (2004)**

   "[B]rings an exemplary combination of academic expertise to this meticulously researched and comprehensive analysis ...." **– Donald Hancock, 64 SLAVIC REVIEW 208-09 (2005)**
