Mask up when testing at DASS

Masks will still be required in our testing room (217) as we consider it a classroom.

Our proctors will be wearing a mask and we ask that students respect our policies when they test here.

Enrolling for Spring

Enrollment for the spring semester begins in November.

Check my.SMU for your Enrollment Appointment time-this is the time and day that you can add your classes into my.SMU. Be sure you've seen your advisor before that day, and have your schedule planned out. Keep in mind the impacts of your disability as well as approved accommodations when selecting your courses.

Instructions for finding your Enrollment Appointment time in my.SMU <https://www.smu.edu/-/media/Site/OIT/Training/mySMU/SR/Enrollment/View-Enrollment-Appointment.ashx?la=en>

You should already have an appointment set with your advisor to plan your courses but if you don't, look at the bottom of an email from your advisor for the link to set that appointment.

Planning Fall Finals if scheduling at DASS

Now is the time to talk to your professor about finals. We encourage you to take your final with your professor, but if that is not feasible, you may be able to take your final at DASS.

11/1–12/1 is the 4 week window to schedule your final at DASS, using DASS Link. This will be your only opportunity to schedule.

More details to come and can be found on the DASS Test Proctoring webpage <https://www.smu.edu/-/media/Site/ALEC/DASS-docs/DASS-Further-Info-Sheets/Testing-at-DASS-for-Fall-2021-finals.pdf?la=en>
