SPRING FINALS @ DASS

Dates to schedule finals: **April 1 to April 27th.**

Final exams may not be booked before or after these dates.

- ◆ Before an exam is scheduled at DASS, the student must meet and discuss **the testing arrangement with their professor. Test with your professor if possible.**
- ◆ If your professor needs you to test at DASS, book the test in DASS Link;
<http://www.smu.edu/Provost/ALEC/DASS/DisabilityAccommodations/TestProctoring>
- ◆ Students' exams should be **scheduled as close to the time of their class final**. If a student schedules a final that is not the same day and time as the class, **we will need the professor** to approve the time/date change. The communication of the change must be sent to the **DASS e-mail for confirmation**. Designate the **test is a "final" when scheduling in DASS Link**.
- ◆ There is **limited seating in a testing room**. So it is important for students to **arrange for their exam at DASS as early as possible. Don't Wait !!**
- ◆ **Cox students and grad students** might make arrangements within the department— see your professor ASAP for guidance.
