Extra Mile Award Nominations

Every spring during the Hilltop Excellence ceremony, our "Students for New Learning" (SNL) organization presents 2 or 3 instructors with **Extra Mile Awards**. If you have ADHD or an LD, and an outstanding SMU instructor helped and inspired you, pay them back and nominate them for an **Extra Mile Award!** Last year's winners were:

Professor Denver Brittain, in the Department of Computer Science in the Lyle School of Engineering

Professor Madhura Kulkarni, in the Marketing Department of Cox School of Business

Dr. Alejandro D'Brot, in the Department of Biological Sciences of Dedman College

If you want to nominate an instructor who inspired you and went the extra mile for you, just email David (dtylicki@smu.edu) the name and a few sentences about why you want them to be recognized by **Friday, March 17th**.
