The Student Senate will recognize a registered student organization or combination of the following:

• Misuse of funds and/or non-compliance by the Student Senate on allocations.

The University Judicial System Introduction

Responsibility for student discipline is vested in the President by the Board of Trustees. To exercise this responsibility, the President has established the University Judicial Council. Upon the recommendation of the University Judicial Council, the President has accepted the following document delineating the judicial system for students at SMU.

Section One:

Philosophy and Purpose

A university is a complex institution. It is distinctive from anything else in society and therefore, the focus of its norms is distinctive. Further, a private university is an elite institution. Admittance and attendance is a privilege granted on the assumption that the applicant shares the university's values and goals and is committed to its purpose.

The judiciary at SMU is a community judicial system established to insure a system of due process to provide protection to the accused individual, and to help induce maturity and learning by erring students while enforcing the behavior requirements deemed necessary to an academic institution. It also exists to protect the balance between the rights of the accused and those of the University community as a whole.

Because of the nature of SMU, the emphasis is on learning and behavioral change. For the same reasons, the judiciary is not an adversary system of antagonists striving to best one another. It is more in the nature of a community seeking to learn if error has occurred and if so, deciding how best to act so in the future there will be less error. Its watchwords are: serious in purpose, considerate in process, appropriate in response.

Judicial Code

Members of the University Judiciary, pledge themselves to the following code:

To insure that the policies of the University are maintained by conducting a fair hearing of violations of rules and policies of the University.

To provide an appropriate response and, as needed, penalize persons found guilty of violations of University regulations and policies.

Members of hearing boards shall maintain an impartiality about the matter and/or person under consideration. When unable to do so, they should readily withdraw from the consideration of that matter.

The Hearing Board shall not act as an advocate for the students nor for the University.

Members shall maintain confidentiality of all details pertinent to a matter and all actions related to a hearing. Similarly, they shall refrain from comment on the actions, or persons involved in a judicial hearing.

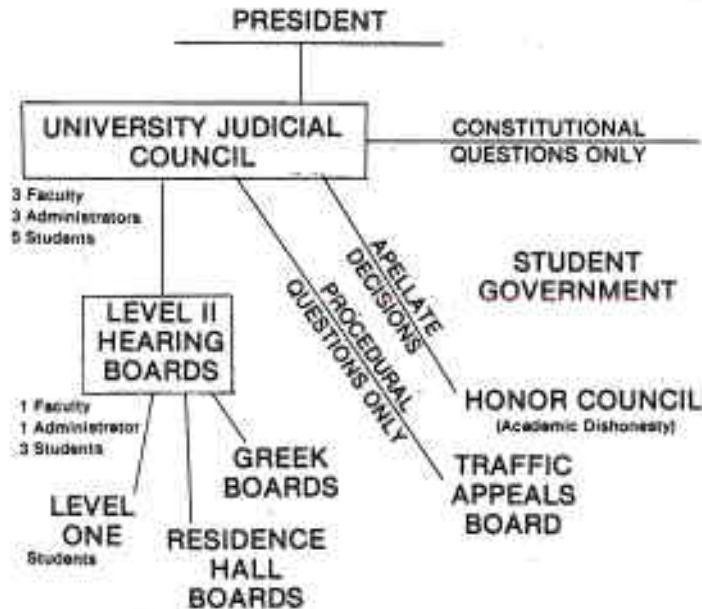

Members who may have been approached by other persons in an attempt to influence a judicial decision shall report such activity to the chair of the Judicial Council and the Dean of Student Life.

Board members who find they are unable to meet the requirements of the judicial system, shall inform the judicial officer and submit a letter of resignation to the Judicial Council.

Section Two:

Outline of the Judicial System

These outlines provide a basic overview of the judicial system and a quick guide to the responsibility of its various parts. For an accurate understanding of any part of the system, one must review the pertinent detailed text in the rest of this section.

The first two on the latter list, along with the first person on the other list, will constitute the hearing board for the first case assigned. The next case assigned to Level One will receive a board composed of the next two students on the students' list, and the second chairperson listed, and so on in rotation as each new case is assigned.

(2) Resident Hall Judicial Boards

Each individual freshman resident hall shall provide for a judicial board. Membership shall consist of four students from the hall who are to be chosen at random from the total hall population, and shall serve for one hearing. A fifth member of the freshman resident hall board will be drawn on a rotating basis from 10 members of the existing Level I Student Judiciary, and will serve as chairperson of the resident hall board.

The upperclass halls also have a residential judicial system based on this pattern. The North Quad Board is coordinated by the Vice President of the North Quad Residence Hall Association. The board consists of eight residents who are selected via a process supervised by the RHA Vice President and the Area Coordinator.

Appeals from Residential boards and the IFC board go to a Level II board.

(3) The Interfraternity Council Judiciary

The Interfraternity Council Judiciary Board shall be comprised of the Vice President of the IFC, who shall act as a non-voting Chair, five representatives from the 12 different fraternities and the President of IFC. This board shall hear cases involving rush violations and other incidents involving fraternities as may be assigned.

(4) Panhellenic Judicial Boards

The Panhellenic Judicial Board shall be comprised of the following members: the vice president of Panhellenic (ex-officio) serving as the non-voting chair, four voting members from the Panhellenic Executive board, two voting sorority alumnae members, and one voting member appointed by the University Judicial Council. This board shall hear cases involving rush violations and other incidents involving sororities as may be assigned.

(5) The Traffic Appeals Board

The President will name the chairperson and the University Judicial Council will appoint, in consultation with the chairperson, four faculty members, four students, and one administrator to serve each year. A hearing can be held by three of these members if both faculty and students are represented. This board will hear cases involving appeal of citation from the Traffic and Safety Office. This is the board of final appeal for traffic citations.

Level Two Hearing Boards

The University Judicial Council shall appoint 15 undergraduate students (three shall be designated as permanent chairpersons for Level Two boards), five faculty members, and five representative from the administration to serve on this joint board. They shall be listed alphabetically by surnames on two lists, one for the five chairpersons, the other ten remaining students; the faculty shall also be listed in alphabetical order, and the administrators shall be listed in the same manner. In alphabetical order, the first chairperson listed, the first two students, the first faculty member, and the first administrator shall constitute a hearing board of five members to hear the first case assigned.

Level Two hearing boards shall act as an appeal board for cases from Level One and as a hearing board for new cases assigned to them.

Level Two Interfraternity Council Judiciary

Shall be comprised of 3 fraternity presidents, 1 faculty member and 1 administrator. (The 12 fraternity presidents will alphabetically rotate by fraternity). The Vice President of IFC will serve as chairperson and a non-voting member.

Graduate Hearing Boards

The School of Law, the Perkins School of Theology, the graduate schools in Humanities and Sciences, Business Administration, SEAS, and Arts shall appoint each year hearing boards, as may be necessary and appropriate, composed of administrators, faculty and students to hear cases involving graduate students in their respective graduate schools.

The rosters of the persons appointed to these boards shall be sent to the University Judicial Council during the first month of the academic year.

As with all other hearing boards, the result of a graduate hearing board may be appealed to the Judicial Council.

The University Judicial Council

The Judicial Council, as the basic unit responsible for judicial action in response to student disciplinary problems, is accountable to the President to the University. This Council shall be composed of three administrators, five students, and three faculty (of whom at least one shall be from the School of Law).

Selection of student members shall be accomplished in the spring of the year and appointment shall be for the succeeding academic year. Student members, may, with the agreement of the other Council members, be appointed to succeed themselves. All applicants will be interviewed by the Council. Final selection of student candidates for the Council will be made in conjunction with two representatives of the Student Senate who shall participate as voting members with the Council. The roster of selected candidates will be sent to the President of the University for review and approval. The roster of student appointees to the Council will then be sent to the Student Senate for review and action. Approval may be a majority of senators sitting. Rejection must be by a 75% majority of the Senate. Failure to act within 10 days enacts automatic approval. Council members may not serve simultaneously on any other judicial body or on the Student Government.

Faculty appointments are for three years and shall be staggered, ordinarily one 3-year appointment is made each year. The appointment procedure shall parallel that used for selecting student members.

The terms of service for administrators are the same as those for the faculty. Administrators are recommended by the Council and appointed by the President.

Replacement of members leaving early will be for the balance of the current term.

The Judicial Council has four basic responsibilities:

1. **Administrative Body of the Judiciary:** As such, it is responsible for the establishment and maintenance of the judicial hearing boards and the operating procedures of the judicial system. These decisions are by a majority of members present.

2. **Level Three Hearing Board:** The members of such a hearing board are drawn from the University Judicial Council. All members (eleven) may serve at any hearing but an official quorum must consist of at least seven members which include at least one student, one faculty member, and one administrator.

This board convenes solely as an appeal to hear cases referred from Level II hearing boards, the Traffic Appeals Board, or the Honor Board (academic dishonesty). Appeals of cases from Level II will be reviewed by the University Judicial Council or its designates before an appeal is accepted for a hearing at Level III.

Appeals of Traffic Appeals Board decisions shall be limited to questions on procedure, regulations, or policy. Questions of fact shall be resolved by the Traffic Appeals Board and are not subject to appeal.

3. **Student Government Constitution:** Constitutional questions concerning the Student Government may be resolved by the Judicial Council. Such questions must be brought as a written petition to the Council for consideration. If the Council agrees to hear the question, it will meet as a Level III Board at which both sides will be represented and a binding decision will be rendered. Petition for such a hearing may originate from any Student Government Officer or Senator or by popular referendum.

4. **Special Investigative Authority:** The University Judicial Council has the power to name a Special Investigative Committee in cases in which an alleged offense presents a highly volatile context; e.g. group tensions, sex discrimination or an inter-racial situation. The powers of the Special Investigation Committee shall be defined at the time of its appointment by the University Judicial Council. Both the students who bring a charge and those accused shall submit to the Vice President for Student Affairs two names of persons within the SMU community, who are not involved in the incident, to serve on the Special Investigative Committee. The Office of the Vice President for Student Affairs shall appoint a fifth member to the Committee and shall select one of the five as chairperson. The Special Investigative Committee will act in an advisory capacity to the appropriate judiciary hearing board to which the case is assigned. Any of the parties involved may petition the University Judicial Council for the establishment of a Special Investigative Committee and the Council shall determine its necessity.

Section Three:

Basic Procedures

• **Delegation of Authority:** The Vice President for Student Affairs may delegate any part or all of his authority from time to time, to any person or several persons, wherever in these procedures the Vice President for Student Affairs is designated by the University Judicial Council.

• **Assignment of Case:** If the Vice President for Student Affairs designates determines that a violation has occurred, he shall assign cases to the hearing boards described in section two. Level I Boards fit one or more of the following: (1) the alleged offense is of narrow scope; (2) the alleged offense relates to rules of student organizations, or (3) the alleged offense is of narrow scope and is appropriate for one of the general policy, cases assigned to Level II Boards fit one or more of the following: (1) the alleged offense is major, (2) the alleged offense involves interference with the proceedings, or (3) the alleged offenses are unacceptable repeated offenses which infringe the rights of others.

These criteria serve as guidance for the Vice President for Student Affairs in determining the University's response to an alleged offense. The following types of offenses will not go through the hearing system and will not go through the hearing system: (1) homicides; (2) armed robbery; (3) rape cases; (4) aggravated assault on other persons or property; (5) felonies; (6) major or minor federal laws pertaining to drugs, alcohol, and weapons; and (7) major or minor federal laws pertaining to federal offenses. The University reserves the right to refer cases of academic dishonesty to their respective boards of jurisdiction.

It should be noted that the Vice President for Student Affairs shall evaluate the off-campus conduct to respond to it appropriately. This action does not constitute a hearing or judicial action. This action does not constitute a hearing or judicial action concerning double jeopardy.

• **Notice of Violation:** The Vice President for Student Affairs shall give notice of a violation to the student complained against him. Such notice shall include the facts constituting the violation, the place of hearing, and the parties involved. This delay may be waived if the accused and the Vice President for Student Affairs agree.

• **Guilty Pleas:** A student may plead guilty to a violation with which he has been charged. The Vice President for Student Affairs may agree on an appropriate punishment for the violation which will be reviewed at the end of each hearing.

● **Assignment of Case:** If the Vice President for Student Affairs or his designate determines that a rule or regulation has been violated, he shall assign cases to one of the several hearing boards described in section two. As a general policy cases assigned to Level I Boards fit one or more of the following criteria: (1) the alleged offense is of narrow impact and/or first offense, (2) the alleged offense relates to rules established by residence halls or student organizations, or (3) the alleged offense, although major, is appropriate for one of the Level One hearing boards. As a general policy, cases assigned to one of the Level Two hearing boards fit one or more of the following criteria: (1) the alleged offense is major, (2) the alleged offense has resulted in a substantial interference with the proceedings of the University, (3) the offenses are unacceptable repeated, or (4) the alleged offense caused an unacceptable infringement upon the personal or property rights of others.

These criteria serve as guidelines and the judgment of the Vice President for Student Affairs is the final determinant as to the University's response to any student behavior. Normally, the following types of offenses will be handled by the criminal court system and will not go through the University judiciary structure: (1) homicides; (2) armed robbery and/or abuse of firearms law; (3) rape cases; (4) aggravated assault; (5) DWI resulting in injury to other persons or property; (6) felony thefts with extenuating circumstances; and (7) major or habitual offenders of the state and/or federal laws pertaining to the use and possession of narcotics, dangerous drugs, and marijuana. In the preceding instances the University reserves the right to consider these cases in its judiciary as well as referring them to off-campus authorities. Cases of academic dishonesty and traffic citations are assigned to their respective boards of jurisdiction.

It should be noted that the University reserves the right to evaluate the off-campus conduct of its community members and to respond to it appropriately. Such a response can include judicial action. This action does not conflict with prevailing laws concerning double jeopardy.

● **Notice of Violation:** The Vice President for Student Affairs or his designate shall give notice in writing to the student of the complaint against him. Such notice shall contain the particulars with respect to the facts constituting the offense, the time and place of hearing, and the particular hearing board to which the case is assigned. This delay may be waived by the mutual agreement of the accused and the Vice President for Student Affairs or his designate.

● **Guilty Pleas:** A student may choose to plead guilty to the offense with which he has been charged; in which case, the student may agree on an appropriate punishment with the Vice President for Student Affairs or his designate. All such agreements reached will be reviewed at the end of each semester by the Judicial Council.

● **Vacation Periods and Emergencies:** The Vice President for Student Affairs or his designate may choose to hear a disciplinary problem in an "Administrative Hearing" during vacation periods, or in emergency situations which may arise during the school year. The term "emergency" implies an inability to convene a judicial hearing board within feasible time. Appeal may be taken by the student to Level III of any administrative hearing decision.

Conduct of the Hearing

● Commencement

No hearing shall begin until at least working three days have elapsed exclusive of the day of service of notice on the accused. This period may be waived at the mutual agreement of the accused and the Vice President for Student Affairs or his designate.

● Extension Time

The chair of the hearing board to which a matter is assigned may in his/her discretion grant extensions of time as may be reasonably necessary to permit the accused student sufficient time to prepare his/her defense. The chair may also in his/her discretion grant an extension to the complainant so that additional evidence may be made available to the hearing board.

If after the hearing has commenced the hearing board discovers the need for more preparation, the chairperson shall recess the hearing to a later time. The hearing board may then direct any further investigation necessary for its proper disposition of the case.

Inability to obtain witnesses shall not be justification for undue delay in commencing a hearing.

● Change in Allegations

Any change in the allegation against a student shall be regarded as a new complaint subject to the process for handling complaints in the first instance.

● Quorum-Level One and Two

All members of the hearing board shall be present throughout the hearing. If less than the required number are present at the opening of the hearing, the hearing shall be postponed until a full board can be convened. Should a vacancy occur during the hearing, the hearing shall recess until all members can be present. These requirements may be waived upon agreement of all parties. All members may vote, and all determinations shall be by majority vote. A failure to vote shall be registered as a not guilty vote.

● Quorum-Level III Judiciary Board

At least seven members, including at least one student, one faculty member, and one administrator, shall be present throughout the hearing, only members who have been present throughout the hearing may vote and all determinations shall be by majority vote. A failure to vote shall be treated as a not guilty vote. On the question of guilt or innocence, a tie vote shall be treated as vote to acquit.

● **Disqualification:** Any member of a hearing board, upon considering any challenges from the accused concerning his/her impartiality, may withdraw voluntarily. In such cases, the accused may waive the quorum and the hearing proceed. If the accused chooses not to waive the quorum, the next person in rotation shall serve on that board and the hearing will be rescheduled.

● **Joinder and Severance:** Several students accused of participating in a common offense may be tried together; if a student wishes to be tried separately, he/she should request severance of his/her case during the initial meeting about hearing arrangements with the Office of Student Life. If denied by the dean he/she may appeal this decision to the chair of the University Judicial Council for a decision.

Open Hearings

In the interest of the university community and the assurance of a fair hearing for the accused, all hearings ordinarily shall be open but restricted to current members of the community. Other persons may be present only at the request of the accused or the Office of Student Life (Chair shall decide).

Either the accused or the Office of Student Life may request a closed hearing (i.e. limited to participants only) or speak to such a request. After hearing such a request, and the possible comments of the other party, the board in closed session shall decide. The hearing will remain open only if in the board's judgement, the community's need-to-know is greater than the accused's desire for privacy.

Reporting of Proceedings

1. Summaries of the results of judicial hearings shall be provided periodically by the Office of Student Life.

2. No publication of any individual report or summary of activity will carry personal names or other personally identifying details.

3. Nothing will be published about any judicial hearing until the final official disposition or appeal is resolved.

4. Should the accused and/or guilty party (parties) "go public" regarding a hearing, this action will free the University to comment on any such statements and/or the matter being discussed.

● **Right of the Accused to Have Companions-Level One and Two:** The accused may at his option have with him at the hearing two members of his immediate family and a friend. The friend, if selected, must be a student, faculty member or administrator from within the University community. Persons from outside the University may be permitted only with the mutual agreement of the University.

● **Representation by an Attorney:** The accused may not be represented by an attorney at any hearing.

At a Level III hearing, an attorney may be present for advice under the following conditions:

1) The Office of Student Life is to be notified of such intent as soon as the student is informed that an appeal has been granted and the name of the attorney must be filed with the Dean as soon as an attorney has been selected.

2) The attorney must contact the Office of Student Life at least 72 hours prior to the hearing for a review of the procedures and policies of the SMU Judicial System.

3) The Office of Student Life has the option of an attorney present.

● **Rules of Evidence:** Rules of evidence shall be informal, and the hearing board shall have discretion with respect to admissibility of testimony and documents. The standard of proof is that a conclusion of guilt shall be sustained by clear and convincing evidence, which is more than a mere preponderance of evidence but less than the strict criminal law standard of proof beyond a reasonable doubt.

● **Order of Testimony and Documents:** The parties shall present to the chair a list of witnesses and documents prior to the hearing. Ordinarily, the complainants shall proceed first with their case followed by the presentation of the accused.

● **Presence at the Hearing-Confrontation of Witnesses:** The accused shall have the right to be present during the entire hearing and shall have the right to question any witnesses as he/she may choose.

● **Decorum:** The chair shall maintain order for the proper conduct of the hearing. When necessary the chair may expel disruptive individuals or adjourn the hearing to a later time to assure the full development of the facts in a calm, deliberate setting.

● **Findings:** The hearing board shall conduct its discussions in executive session but shall announce its findings in open hearing. The findings shall be announced as either guilty or not guilty of the alleged offense, and if guilty, the penalty assessed.

Section Four: Records

The following policies concerning records and the release of information are in compliance with the Family Education Rights and Privacy Act of 1974 (the Buckley Amendment).

The records of hearings shall be prepared by the chair of the hearing board and filed by him/her in the Office of the Vice President for Student Affairs. These records shall be available to members of the various hearing boards which constitute the University Judicial system and may be made available to bonafide members of the University community upon request.

Records of the Office of Student Life shall contain all information; data, correspondence, findings and records of official action concerning student discipline.

a) A judiciary case will remain on record until erased approximately three years after graduation.

b) If a case originates at Level I and involves a Level I offense, the information will stay within the University community.

c) If a case originates at Level II and involves a Level II offense, the case will remain a part of the student's record until destroyed three years after graduation. This information is used to answer recommendation forms where questions related to disciplinary action are asked.

Appeals

All statements will be included in the appeal board as a matter of record. Students wishing to exercise their right to appeal shall file their appeal with the Office of Student Life in their decision.

Appeals

Level One Hearings

All cases heard by Level One hearing boards may be appealed by the accused to Level Two where the matter shall be heard *de novo* in the same manner as those cases heard in the first instance by the Level Two hearing boards. A request for an appeal to a Level Two hearing board must be submitted in writing via a "Reason(s) for Appeal" form available in the Office of Student Life. This appeal form must be completed and submitted to that office within 72 hours of the original hearing. Summary statements will be included in the findings of the original hearing board as a matter of record for the appeal process. Therefore, students wishing to exercise the appeals alternative should use discretion in their decisions.

Traffic Appeals Board

The Traffic Appeals board will hear cases involving appeal of citations from the Traffic and Safety Office. Appeals must be made to the Chair of the Board, through the Traffic and Safety Office, within 15 days after issuance of the citation.

Level Two Hearings

All cases heard by Level Two hearing boards may be appealed by the accused student to the University Judicial Council where, if the appeal is granted, the matter shall be heard *de novo* in the same manner as those heard in the first instance by the Level One and Level Two hearing boards.

Honor Board Hearings

Appeals are to be filed in writing with the Dean of Student Life who shall decide. If an appeal is granted, it will be heard by a Level III Hearing Board.

Level Three Hearings—Finality of Decision

All appeals for a Level Three hearing are reviewed by an appointed group of Judicial Council members. If the appeal is granted, a Level Three Appellate Board (see Item 2, Judicial Council) will hear the case *de novo*. This Board may assess its own penalty and it serves as the board of final appeal.

At a Level Three appellate hearing, the accused may bring an attorney for advice during the hearing, (see section Three, Basic Procedures) however, the accused must present his own case.

Rehearings

At the urging of the accused or upon presentation of significant new evidence, the Dean of Student Life, after consultation with the chair of the board, and the chair of the University Judicial Council, may order a case to be reheard. The rehearing will be at the same level as the original hearing. After such a rehearing, the accused shall be entitled to the same rights of appeal as in any case.

The accused may request a rehearing. If a student has been charged and tried and found not guilty, the individual may not be retried for the same incident at any future date.

THE HONOR CODE OF SOUTHERN METHODIST UNIVERSITY

Intellectual integrity and academic honesty are fundamental to the processes of learning and of evaluating academic performance, and maintaining them is the responsibility of all members of an educational institution.

As well as being fundamental to the processes of education, the inculcation of personal standards of honesty and integrity is a goal of education in all the disciplines of the University.

The faculty has the responsibility of encouraging and maintaining an atmosphere of academic honesty by being certain that students are aware of the value of it, that they understand the regulations defining it, and that they know the penalties for departing from it.

The faculty should not only actively encourage student honesty, but should also scrupulously discourage dishonesty, and insofar as is reasonably possible, should assist students in avoiding the temptation to dishonest actions. Such steps as carefully defining the limits set on cooperative assignments are among the ways in which the faculty can help.

Students too, must share the responsibility for creating and maintaining an atmosphere of honesty and integrity. Students should be aware that personal experience in completing assigned work is essential to learning. Permitting others to prepare their work, using published or unpublished summaries as a substitute for studying required materials, or giving unauthorized assistance in the preparation of work to be submitted are directly contrary to the honest process of learning.

Students who are aware that others in a course are cheating or otherwise performing dishonestly have the responsibility either to warn the accused student or to bring an accusation directly to the Honor Council. Further, students must inform the instructor, not necessarily in such terms as to accuse the dishonest, but in order that the instructor may know that he or she has not sufficiently assured an environment of academic honesty and can correct the situation.

Students and faculty must mutually share the knowledge that any dishonest practices permitted will make it more difficult for the honest students to be evaluated and graded fairly, and will damage the integrity of the whole University. Students should recognize that both their own interests, and their integrity as individuals, suffer if they condone dishonesty in others.

The faculty must be aware that permitting dishonesty is not open to personal choice. An instructor who is unwilling to act upon offenses is an accessory with the student offender in deteriorating the integrity of the University.

The Constitution of The Honor Council of Southern Methodist University

Preamble

We, the students of Southern Methodist University, recognizing the desirability for an atmosphere of trust among members of the academic community, in order that the University might educate men and women of good character, establish the Honor Council of Southern Methodist University. SYNOPSIS

The Honor Code

The Honor Code is a statement of principle concerning academic honesty and its manifestations in University policy.

The Constitution of the Honor Council

The Honor Council implements the Honor Code. The Constitution is the guideline by which the Honor Council operates. Articles III and IV directly concern you in that they deal with hearings and penalties, respectively. The following is a summary of these Articles.

Upon receipt of an accusation, the Honor Council will proceed with an investigation into the circumstances and background of the case within two days. This investigation will be carried out by two investigators appointed by the Honor Council President who will also act as presentors at the hearing. The hearing date will be set within ten days of receipt of the accusation. A hearing board will consist of five members chosen by the Honor Council President, and its composition is subject to the approval of the accused. The President or Vice President of the Council will preside at the hearing as a non-voting member of the Board. Hearing will be private unless otherwise specified by the accused.

All verdicts of "guilty" will result in written notice sent to the student, his parents, his Academic Dean, the Dean of Student Life, the instructor, and the University registrar. Copies of all correspondence must be kept in the permanent Honor Council files in the Office of Student Life. Business conducted by the Council shall at all times remain strictly confidential.

Following a verdict of guilty, the minimum penalty for cases involving material submitted for course credit shall be recommendation of a grade of 'HV' (Honor Violation) for the course, which shall average as an 'F' in the student's GPA and shall remain on the transcript until 3 years after graduation. At that time, it shall be changed to a 'WF'. The only other additional penalties which may be assigned include:

1. Personal reprimand from the Honor Council, kept in the student's file in the Office of Student Life and the Honor Council office.
2. Probated suspension from the University for not less than 5 years.
3. Suspension from the University.

In the determining of a penalty the board will consider the students' previous record, premeditation, and his truthfulness and cooperativeness throughout investigation and hearing procedures.

If an appeal is granted, a de novo hearing by Level III Judiciary, with the same Honor Council investigators, must be called within three (3) school days.

Minimum penalty for cases not involving material submitted for course credit shall be a personal reprimand from the Honor Council. Other penalties as outlined above may also be assigned.

Appeal requests must be submitted to the Dean of Student Life no later than three (3) school days after the Hearing Board reaches a decision. In consultation with the Chairperson of The University Judicial Council, such requests will be reviewed by the President of the Honor Council and the Dean of Student Life. Grounds for appeal are substantial new evidence, significant procedural irregularities, or insufficient evidence for a conviction of guilty.

This is only a summary of Articles III and IV. For specific wording and further details, the Constitution itself should be consulted.
