\bigcap	Insurance

Your family's renters or homeowners insurance typically covers you, but make sure! This way your items are protected against damage.

SMUResidential Commons WHAT NOT TO BRING

We try to keep our residence halls as clean and safe as possible. You can help us by ensuring not to pack items that damage rooms or increase fire hazards. You can also rely on SMU provided items so as to not overpack.

Reminder!

Don't loft a bed yourself with your own bed risers. Put in a bed loft request by July 31 and we will do that for you!

PROVIDED BY SMU
