WHAT NOT TO BRING

We try to keep our residence halls as clean and safe as possible. You can help us by ensuring not to pack items that damage rooms or increase fire hazards. You can also rely on SMU provided items so as to not overpack.

Reminder!

Don't loft a bed yourself with your own bed risers. Put in a bed loft request by July 31 and we will do that for you!

(lofts not available in Thomas or Martin house)
