## BOOK FALL FINALS ASAP !

To take your final at DASS, you must schedule online between 11/3-11/24. Seats are limited! Now is the time to talk to your professor about finals. We encourage you to take your final with your professor. If you need to schedule at DASS, there are some limitations to test here. Please review the details at:

<https://www.smu.edu/Provost/ALEC/DASS/DisabilityAccommodations/TestProctoring>

### A few reminders for scheduling finals at DASS:

- Your final should be scheduled closest to the time of your class final.
- Otherwise, DASS must get an email from your professor approving you to test at a different time from your class if you have a conflict, please forward the entire email chain to DASS, giving permission.
- There are limited seats available for each testing time. The earlier you schedule your final the better chance you have getting the time slot you need.

## GOING ABROAD ?

If you will need an accommodation letter from DASS, be sure to request it before you leave; it's easier to do so while you're on this side of the pond! Indicate on your request you will be abroad for the semester. Share your letter with the study abroad office to confirm your next step.

Fill out the request form at

<https://www.smu.edu/Provost/ALEC/DASS/DisabilityAccommodations/Forms>

Please notify the DASS office when you return to the main campus. BON VOYAGE !
